Item 1.01 Entry into a Material Definitive Agreement.

Settlement Agreement

On June 22, 2009, Huntsman Corporation (the "**Company**") entered into an Agreement of Compromise and Settlement (the "**Settlement Agreement**") with Credit Suisse Securities (USA) LLC ("**Credit Suisse**") and Deutsche Bank Securities Inc. ("**Deutsche Bank**," and together with Credit Suisse, the "**Defendants**"). The Settlement Agreement concerns certain litigation matters related to that certain Agreement and Plan of Merger, dated July 12, 2007, among the Company, Hexion Specialty Chemicals, Inc. ("**Hexion**") and Nimbus Merger Sub Inc.

Under the Settlement Agreement, upon full and final payment of all amounts due to the Company as described below, the Company and the Defendants agreed to take all necessary and appropriate action to obtain the dismissal with prejudice of the lawsuit filed in the Ninth District Court of Montgomery, Texas.

Pursuant to the Settlement Agreement, the Defendants paid the Company an aggregate of \$1.73 billion on June 23, 2009. Of the \$1.73 billion, the Defendants (i) paid the Company a total cash payment of \$620 million, (ii) purchased \$600 million aggregate principal

amount of 5½% Senior Notes due 2016 (the “**Notes**”) from the Company’s subsidiary, Huntsman International LLC (“**HI**”), (iii) provided \$500 million in additional senior secured term loan financing to HI and (iv) reimbursed \$12 million of the Company’s litigation costs.

The Company has previously disclosed that it entered into a settlement with Hexion, Apollo Management LLC (“**Apollo**”), and certain of their affiliates (the “**Apollo Settlement**”). The contingent interest in litigation proceeds granted to Apollo under the Apollo Settlement expired when trial commenced, and Apollo is not entitled to receive any portion of the proceeds the Company will receive under the Settlement Agreement. Consistent with the terms of the Apollo Settlement, the Settlement Agreement with Credit Suisse and Deutsche Bank requires that those entities release any claims for indemnity or contribution against the Apollo entities other than claims for indemnification of attorneys’ fees and litigation costs. The Company was not required to indemnify the Apollo entities for such matters under the Apollo Settlement, and was not required to (and therefore did not) obtain a release for Apollo or Hexion of the Defendants’ claim for indemnification of the Defendants’ own attorneys’ fees and litigation costs.

In addition, under the Settlement Agreement, the Company will indemnify and hold harmless the Defendants and the Defendants will indemnify and hold harmless the Company from the claims released upon the effective date of the Settlement Agreement for any costs or expenses incurred in defending a claim asserted after the effective date of the Settlement Agreement.

The foregoing does not constitute a complete summary of the terms of the Settlement Agreement. The description of the terms of the Settlement Agreement is qualified in its entirety by reference to such agreement, a copy of which is filed herewith as Exhibit 10.1.

Note Purchase Agreement

Also on June 22, 2009, HI entered into a Note Purchase Agreement (the “**Note Purchase Agreement**”) with the Defendants, pursuant to which the Defendants purchased the Notes from HI. The notes are senior unsecured obligations of HI and are guaranteed by certain subsidiaries of HI named as guarantors (the “**Subsidiary Guarantors**”). The Notes were issued in a transaction exempt from the registration requirements of the Securities Act of 1933 (the “**Securities Act**”).

The Notes will be governed by an Indenture imposing certain limitations on the ability of HI and its subsidiaries to, among other things, incur additional indebtedness, pay dividends or make certain other restricted payments, enter into transactions with affiliates, create dividend or other payment restrictions affecting restricted subsidiaries and merge or consolidate with any other person, sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its assets or adopt a plan of liquidation.

The Notes bear interest at the rate of 5½% per year payable semi-annually on June 30 and December 31 of each year, beginning on December 31, 2009. The Notes will mature on June 30, 2016. HI may redeem the Notes in

whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the date of redemption.

Upon the occurrence of certain change of control events, holders of the Notes will have the right to require that HI purchase all or a portion (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such holder’s Notes in cash pursuant to the offer described by HI, at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase.

The foregoing does not constitute a complete summary of the terms of the Note Purchase Agreement. The description of the terms of the Note Purchase Agreement is qualified in its entirety by reference to such agreement, the form of which is filed herewith as Exhibit 10.2.

Fourth Amendment to Credit Agreement

Also on June 22, 2009, HI entered into a Fourth Amendment to Credit Agreement (the “**Amendment**”) with Deutsche Bank AG New York Branch and Credit Suisse, Cayman Islands Branch, in their capacities as lenders (collectively, the “**Term Loan Lenders**”), and Deutsche Bank AG New York Branch, as Administrative Agent, amending certain terms of HI’s existing senior secured credit facilities. The Amendment created a new tranche of dollar denominated terms loans in an amount equal to \$500,000,000 that matures on June 30, 2016 (the “**Term Loan**”).

Borrowings under the Term Loan bear interest, at HI’s option, at the prime rate plus 1.25% or LIBOR plus 2.25%. The Amendment did not create any additional financial covenants or other restrictions with respect to the Term Loan, though the existing covenants and restrictions under the senior secured credit facilities apply to the Term Loan.

The foregoing does not constitute a complete summary of the terms of the Amendment. The description of the terms of the Amendment is qualified in its entirety by reference to such agreement, a copy of which is filed herewith as Exhibit 10.3.

Registration Rights Agreement

In connection with the issuance of the Notes, HI, the Subsidiary Guarantors and the Defendants entered into a Registration Rights Agreement (the “**Registration Rights Agreement**”). If the Notes are not freely tradable on the 366th day following the date on which the Indenture Note is issued, HI and the Subsidiary Guarantors have agreed pursuant to the Registration Rights Agreement to use their reasonable best efforts to cause an exchange registration statement to become effective and to conduct offers to exchange the Notes for new notes that are otherwise identical, except that the issuance of such notes shall have been registered under the Securities Act. If HI and the Subsidiary Guarantors fail to consummate this exchange offer, they have agreed to use their reasonable best efforts to cause a shelf

registration statement covering resales of the Notes to become effective.

The foregoing does not constitute a complete summary of the terms of the Registration Rights Agreement. The description of the terms of the Registration Rights Agreement is qualified in its entirety by reference to such agreement, the form of which is filed herewith as Exhibit 10.4.

Voting Agreement

On June 22, 2009, HI and the Term Loan Lenders also entered into a Voting Agreement (the “**Voting Agreement**”), pursuant to which the Term Loan Lenders are required to vote their interests with respect to any proposed amendment, modification, supplement, waiver, discharge, termination or other change to the senior secured credit facilities on a proportionate basis in accordance with the vote of all other lenders. The Voting Agreement provides for certain exceptions to the Term Loan Lenders’ obligations, including votes with respect to matters that would change the maturities or principal amounts outstanding under the senior secured credit facilities.

The foregoing does not constitute a complete summary of the terms of the Voting Agreement. The description

of the terms of the Voting Agreement is qualified in its entirety by reference to such agreement, a copy of which is filed herewith as Exhibit 10.5.

4

not include and does not release the Lender Releasees from (a) any obligations or Claims under this Agreement or the Debt Facilities, or (b) any obligations under any other agreements between the Parties in effect on the Effective Date or any Claims under such other agreements that are based on actions taken or not taken by a Lender Releasee after the Effective Date. "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

Huntsman and the Lenders also hereby expressly, knowingly and voluntarily waive and relinquish all provisions, protections, rights and benefits they may have under comparable or similar statutes and principles of common law in any jurisdiction.

6. Covenant Not to Sue.

Huntsman covenants, on behalf of itself and the Huntsman Releasors, and each Lender covenants, on behalf of itself and its respective Lender Releasors, not to bring or continue any Claim released in paragraph 5 before any court, arbitrator or other tribunal in any jurisdiction. Terms used herein and not otherwise defined herein shall have the same meanings as specified in the Credit Agreement (as defined below).

RECITALS:

- A. The Borrower, the Lenders, the Agents and the Administrative Agent have heretofore entered into that certain Credit Agreement dated as of August 16, 2005 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement").
- B. Of even date herewith, the Borrower, Deutsche Bank AG New York Branch and Credit Suisse have entered into that certain Settlement Agreement dated as of even date herewith in order to effectuate the settlement of certain disputes among the parties thereto.
- C. The Borrower has requested that, pursuant to Section 2.1(a)(ii) of the Credit Agreement, the Credit Agreement be amended to issue a new tranche of Dollar denominated term loans thereunder (the "Term C Loans") in an amount equal to \$500,000,000, on the terms and subject to the conditions set forth in this Amendment and the Credit Agreement as amended hereby.
- D. Each lender party hereto agrees to make and fund Term C Loans (the "Term C Loan Lenders") in an amount equal to such Term C Loan Lender's Term C Dollar Commitment, on the terms and subject to the conditions set forth in this Amendment and the Credit Agreement as amended thereby. The proceeds of the Term C Loans may be used by the Borrower for any purpose not expressly prohibited by the Credit Agreement.
- E. The Term C Loans constitute, and are intended to constitute, Secured Obligations as defined in the Collateral Security Agreement and Secured Obligations as defined in the Pledge Agreement.
- F. This Amendment constitutes a Loan Document and these Recitals shall be construed as part of this Amendment.

NOW, THEREFORE, in consideration of the Recitals herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

SECTION 1 **Issuance of Term C Loans.**

- (a) Subject to the terms and conditions set forth herein, each Term C Loan Lender agrees to make Term C Loans on the Fourth Amendment Effective Date to the Borrower in a principal amount equal to such Term C Loan Lender's Term C Dollar Commitment.
- (b) Each Term C Loan Lender will make and fund Term C Loans on the Fourth Amendment Effective Date by wire transfer of immediately available funds to an account designated by the Borrower for such purpose. The commitments of the Term C Loan Lenders are several and not joint and no such Term C Loan Lender will be responsible for any other Term C Loan Lender's failure to make its Term C Loans.
- (c) All Term C Loans made on the Fourth Amendment Effective Date shall be Base Rate Loans.

(a) Without limitation of any of the terms of the Loan Documents or any provisions thereof, the Borrower shall have the right in its sole discretion at any time to refinance or replace all of the Facilities outstanding immediately prior to the Determination Date under this Agreement (other than the Term C Dollar Facility) (collectively, the “Refinanced Facility Debt”) pursuant to separate credit documentation. In connection therewith:

(i) all collateral, guarantees and other credit support that secures, guarantees or otherwise supports the Term C Dollar Facility pursuant to the Loan Documents (including, without limitation, the Security Documents) shall be available (on a pari passu basis in payment and lien priority, and in any event on the same basis as the Facilities are afforded under the Loan Documents as of the Fourth Amendment Effective Date) to secure, guarantee or otherwise support any and all such Refinanced Facility Debt, together with any other senior secured indebtedness of the Borrower (including, without limitation, one or more

revolving and/or term credit facilities), in an aggregate principal amount not to exceed the greater of (A) the principal amount of Refinanced Facility Debt outstanding on the Determination Date (or its equivalent in any other currency) and (B) \$2,100,000,000 (or its equivalent in any other currency) (such greater amount, the “Minimum Floor Amount”), as the Minimum Floor Amount may be reduced after the Determination Date pursuant to the last sentence of the definition of “Permitted Refinancing Indebtedness”; and

(ii) the Loan Documents shall be amended and other documents and agreements will be entered into (such amendments, documents and agreements solely requiring the signatures of the Administrative Agent and the Borrower to be effective) in order to effectuate the foregoing and to make any necessary conforming changes.

be on terms, taken as a whole, not more restrictive than the terms of the documents governing the Indebtedness being so refinanced; (ii) if the Indebtedness being so refinanced is subordinated to the Obligations, be subordinated to the Obligations on substantially the same terms (or on terms at least as favorable to the Lenders) as Indebtedness being so refinanced; (iii) be in a principal amount (as

determined as of the date of the incurrence of such refinancing Indebtedness in accordance with GAAP) not exceeding the principal amount of the Indebtedness being refinanced on such date plus any call premiums, prepayment fees, costs and expenses paid in connection with such refinancing; (iv) not have a Weighted Average Life to Maturity less than the Indebtedness being refinanced; (v) if the Indebtedness being refinanced is Public Notes, be unsecured Indebtedness maturing no earlier than the then latest Term Maturity Date; and (vi) be upon terms and subject to documentation which is in form and substance reasonably satisfactory in all material respects to the Administrative Agent. Notwithstanding clauses (ii) and (v) above, after the Determination Date, any such Indebtedness refinancing, extending, renewing or refunding the Senior Subordinated Notes (2013), the Senior Subordinated Notes (2014), the Senior Subordinated Notes (2015), any similar senior subordinated notes, any senior unsecured notes and any senior secured notes may be senior second-lien notes, senior unsecured notes and, to the extent capacity exists pursuant to the Minimum Floor Amount, senior first-lien secured notes (provided that the Minimum Floor Amount shall be reduced after the Determination Date by the aggregate principal amount of any senior first-lien secured Indebtedness incurred pursuant to this sentence, unless such Permitted Refinancing Indebtedness refinances, extends, renews or refunds senior first-lien secured Indebtedness).

2.8. Schedule 1.1(a) to the Credit Agreement is amended to add the following to the end thereof:

<u>Term C Dollar Lender</u>	<u>Amount of Term C Dollar Commitment</u>
Deutsche Bank AG New York Branch	\$ 250,000,000

SECTION 3 Conditions to Effectiveness of the Issuance of the Term C Loans. The provisions of Section 1 and Section 2 of this Amendment shall become effective upon the date of the satisfaction of all of the conditions set forth in this Section 3 (the "Fourth Amendment Effective Date"), with any documents delivered to the Administrative Agent dated the Fourth Amendment Effective Date unless otherwise noted:

3.1. Proper Execution and Delivery of Amendment. Borrower, each Term C Loan Lender and the Administrative Agent shall have duly executed and delivered to the Administrative Agent this Amendment.

3.2. Delivery of Credit Party Documents.

(a) Execution and Delivery of Officer's Certificate. The Administrative Agent shall have received a certificate of a Responsible Officer of the Borrower in the form of Exhibit A attached hereto.

(b) Notes. The Borrower shall have duly executed and delivered to the Administrative Agent notes in the form of Exhibit B attached hereto (the "Term C Dollar Notes") payable to each applicable Term C Loan Lender which has requested a note in the amount of its respective Term C Loan, all of which shall be in full force and effect;

(c) Representations and Warranties. The representations and warranties of the Borrower and the other Credit Parties contained in this Amendment and the other Loan Documents shall be true and correct in all material respects as of the Fourth Amendment Effective Date, with the same effect as though made on such date (except to the extent expressly made as of a specified date, in which event such representation and warranty is true and correct in all material respects as of such specified date).

(d) No Defaults. No Unmatured Event of Default or Event of Default under the Credit Agreement or this Amendment shall have occurred and be continuing or would occur as a result of the incurrence of the Term C Loans or the use of proceeds therefrom.

(e) Approvals. All necessary governmental and third party approvals in connection with this Amendment and the transactions contemplated hereby and otherwise referred to herein shall have been obtained and remain in effect, and all applicable waiting periods shall have expired without any action being taken by any competent authority which restrains, prevents or imposes materially adverse conditions upon the consummation of all or any part of this Amendment or the transactions contemplated hereby and otherwise referred to herein except for those approvals of non-Governmental Authorities under contracts which are not material and which are not required to be delivered at the closing thereof. Additionally, there shall not exist any judgment, order, injunction or other restraint issued or filed or a hearing seeking injunctive relief or other restraint pending or notified prohibiting or imposing material adverse conditions upon all or any part of this Amendment or the transactions contemplated hereby.

(f) Compliance Certificate. The Borrower shall have delivered to the Administrative Agent a duly executed

Compliance Certificate in the form attached hereto as Exhibit C for the immediately preceding four full Fiscal Quarters giving pro forma effect to the Term C Loans hereunder (prepared in good faith and in a manner and using such methodology which is consistent with the most recent financial statements delivered pursuant to Section 7.1 of the Credit Agreement) and evidencing compliance with the covenant set forth in Article IX of the Credit Agreement.

(g) Opinion of Counsel. The Administrative Agent shall have received from Vinson & Elkins L.L.P., special counsel to the Borrower, an opinion in the form attached hereto as Exhibit D, addressed to the Administrative Agent and each of the Term C Loan Lenders and dated the Fourth Amendment Effective Date.

Each Term C Loan Lender hereby agrees that by the funding of its Term C Loans, such Person approves of and consents to each of the matters set forth in Section 3 which must be approved by, or which must be satisfactory to, the Term C Loan Lenders.

9

SECTION 4 **References to and Effect on the Credit Agreement.** On and after the Fourth Amendment Effective Date each reference in the Credit Agreement to “this Agreement,” “hereunder,” “hereof,” “herein,” or words of like import, and each reference to the Credit Agreement, as the case may be, in the Loan Documents and all other documents (the “Ancillary Documents”) delivered in connection with the Credit Agreement shall mean and be a reference to the Credit Agreement as amended hereby.

Except as specifically amended above, the Credit Agreement, and the other Loan Documents and all other Ancillary Documents shall remain in full force and effect and are hereby ratified and confirmed.

The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of the Term C Loan Lenders or the Administrative Agent under the Credit Agreement, the Loan Documents or the Ancillary Documents.

SECTION 5 **Costs and Expenses.** Notwithstanding anything to the contrary contained in the Credit Agreement or any other Loan Document, each of the parties hereto agrees to pay its own costs and expenses in connection with the negotiation, preparation, printing, typing, reproduction, execution and delivery of this Amendment and all other documents furnished pursuant hereto or in connection herewith, including without limitation, the fees and out-of-pocket expenses of its counsel, independent public accountants and other outside experts retained by it in connection therewith and the Borrower shall not be responsible for such costs and expenses of the other parties hereto.

SECTION 6 **Miscellaneous.**

6.1. Administrative Agent Acknowledgments. The Administrative Agent hereby acknowledges and confirms the following:

(a) In accordance with Section 2.1(a)(ii)(A) of the Credit Agreement, the initial syndication of the Loans and Commitments with respect to the Credit Agreement has heretofore occurred to the Administrative Agent’s satisfaction.

(b) As of the Fourth Amendment Effective Date, the Administrative Agent does not require reaffirmations of or amendments to Security Documents in order for the Borrower to comply with Section 2.1(a)(ii)(B) of the Credit Agreement.

(c) Based on the information it has as of the date hereof, the Administrative Agent has no reason to object to the terms and conditions of this Amendment and that certain Note Purchase Agreement dated June 22, 2009 among the Borrower, Credit Suisse Securities (USA) LLC and Deutsche Bank Securities Inc. and, in each case, the transactions contemplated thereby.

(d) The Administrative Agent has received the Compliance Certificate delivered by the Borrower herewith pursuant to Section 2.1(a)(ii)(A) of the Credit Agreement and the form of such Compliance Certificate complies on its face with such Section (subject to Section 11.4 of the Credit Agreement) and the Administrative Agent has no reason to believe

10

that such Compliance Certificate is not satisfactory in substance when delivered hereunder.

6.2. Tax Treatment. For federal income tax purposes, the Borrower and each Term C Loan Lender that is a signatory hereto agree (i) the “issue price” of such Term C Loan Lender’s Term C Loan for purposes of Section 1273 of the Code is the principal amount of such Term C Loan, and (ii) the Term C Loan is not part of an “investment unit” for purposes of Treasury Regulation Section 1.1273-2. Each Term C Loan Lender that is a signatory hereto acknowledges that it is acting as principal in making the Term C Loan (and not as a bond house, broker, or similar person acting in the capacity of an underwriter, placement agent, or wholesaler), and each Term C Loan Lender agrees that it will not, and any majority-owned affiliate will not, sell all or any portion of the Term C Loan for 30 days following the date on which such loan is made. Each Term C Lender that is a signatory hereto agrees that it, and any majority-owned affiliate thereof, will file all federal income tax returns (and all other income tax returns that follow federal income tax principles) in a manner consistent with this Section 6.2 and the Borrower shall not have any recourse against such Term C Loan Lender on the basis of this Section 6.2, provided that such Term C Loan Lender and any majority-owned affiliate thereof so files its tax returns and complies with the 30-day requirement of the immediately preceding sentence. The Borrower agrees to file all federal income tax returns (and all other income tax returns that follow federal income tax principles) in a manner consistent with this Section 6.2, and no Term C Loan

Lender shall have any recourse against the Borrower on the basis of this Section 6.2, provided that the Borrower so files its tax returns. For the avoidance of doubt, this Section 6.2 is not intended to (1) affect any Term C Loan Lender's or any majority-owned affiliate's financial accounting reporting with respect to the Term C Loans, or (2) limit the ability of any Term C Loan Lender or any majority-owned affiliate thereof that otherwise utilizes "mark to market" accounting with respect to the Term C Loan for Federal income tax purposes to mark the Term C Loan to market in a manner consistent with its method of accounting. This Section 6.2 shall not apply to a Term C Loan Lender that is a signatory hereto, or to any majority-owned affiliate thereof, unless the Company provides to such Term C Loan Lender, within 30 days of the Fourth Amendment Effective Date, a copy of an opinion of a nationally recognized independent tax counsel, addressed to the Company and reasonably satisfactory to the Term C Loan Lender (but not stating that the Term C Loan Lender is entitled to rely on such opinion), stating that the foregoing tax treatment is more likely than not correct for Federal income tax purposes. This Section 6.2 shall not apply to a Term C Loan Lender, or any majority-owned affiliate thereof, with respect to tax returns filed by it with a particular taxing authority for any tax year after the time such taxing authority proposes an adjustment challenging the tax reporting position for any tax year required by this Section 6.2. Notwithstanding Section 12.8 of the Credit Agreement, this Section 6.2 shall apply only to a Term C Loan Lender that is a signatory hereto and its majority-owned affiliates.

6.3. Execution in Counterparts. This Amendment may be executed in one or more counterparts, each of which, when executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same document with the same force and effect as if the signatures of all of the parties were on a single counterpart, and it shall not be necessary in making proof of this Amendment to produce more than one (1) such counterpart. Delivery of an executed signature page to this Amendment by telecopy shall be deemed to constitute delivery of an originally executed signature page hereto.

11

6.4. Governing Law. THIS AMENDMENT SHALL BE DEEMED TO BE A CONTRACT MADE UNDER THE LAWS OF THE STATE OF NEW YORK, AND FOR ALL PURPOSES SHALL BE CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS AND DECISIONS OF SAID STATE.

6.5. Headings. Headings used in this Amendment are for convenience of reference only and shall not affect the construction of this Amendment.

6.6. Integration. This Amendment, the other agreements and documents executed and delivered pursuant to this Amendment and the Credit Agreement constitute the entire agreement among the parties hereto with respect to the subject matter hereof.

6.7. Binding Effect. This Amendment shall be binding upon and inure to the benefit of and be enforceable by the Borrower, the Administrative Agent and the Term C Loan Lenders and their respective successors and assigns. Except as expressly set forth to the contrary herein, this Amendment shall not be construed so as to confer any right or benefit upon any Person other than the Borrower, the Administrative Agent and the Term C Loan Lenders and their respective successors and permitted assigns.

6.8. Representations. As of the Fourth Amendment Effective Date, the Borrower represents and warrants as follows:

(a) The Borrower (i) is duly organized, validly existing and in good standing (if applicable) under the laws of the State of Delaware and (ii) has the power and authority to execute and deliver this Amendment and to perform its obligations hereunder.

(b) The Borrower has duly taken all corporate action necessary to authorize the execution and delivery by it of this Amendment and to authorize the consummation of the transactions contemplated hereby and the performance of its obligations hereunder. The Borrower has duly executed and delivered this Amendment. This Amendment is the legal, valid and binding obligation of the Borrower, enforceable against it in accordance with its terms, except as such enforcement may be limited by bankruptcy, insolvency or similar laws of general application relating to the enforcement of creditors' rights.

The Company represents and warrants to and agrees with each Purchaser as follows:

Section 5.1 Organization; Power and Authority. The Company is a limited liability company duly incorporated, validly existing and in good standing under the laws of the State of Delaware, and is duly qualified as a foreign limited liability company and is in good standing in each jurisdiction in which it owns or leases properties or conducts any business, other than those jurisdictions as to which the failure to be so qualified or in good standing could not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of the Company to perform its obligations under this Agreement, the Notes (including the payment of interest thereon or principal thereof), the Indenture or the Registration Rights Agreement. The Company has all requisite power and authority to execute and deliver this Agreement, the Notes, the Indenture and the Registration Rights Agreement, to perform its obligations hereunder and thereunder and to consummate the transactions that are the subject of this Agreement, the Notes, the Indenture and the Registration Rights Agreement. Any person signing this Agreement, the Notes, the Indenture and the Registration Rights Agreement on behalf of the Company has been duly authorized by the Company to do so. No other consent, approval or authorization of any Person (other than the trustee under the Indenture) is required in connection with the execution, delivery or performance by the Company of this Agreement, the Notes, the Indenture or the Registration Rights Agreement other than such consents, approvals or authorizations, as to which the failure to obtain could not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of the Company to perform its obligations under this Agreement, the Notes (including the payment of interest thereon or principal thereof), the Indenture or the Registration Rights Agreement.

Section 5.2 Authorization, Etc. The execution and delivery of this Agreement, the Notes, the Indenture and the Registration Rights Agreement have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each of the Notes, the Indenture and the Registration Rights Agreement will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3 Compliance with Rulings, Other Instruments, Etc. The execution, delivery and performance by the Company of this Agreement, the Registration Rights Agreement, the Indenture and the Notes and the performance by the Company of its obligations hereunder and thereunder will not (i) violate, result in any breach of, or constitute a default under (with or without notice or lapse of time or both), or result in the termination of or acceleration of performance required by, or result in a right of termination or acceleration under, any agreement, indenture, mortgage, deed of trust, loan, bond, lease, purchase or credit agreement to which the Company is bound or the Company's corporate charter or by-laws or the governing documents of any subsidiary of the Company, or any other agreement or instrument to which the Company or any of its subsidiaries or its or their respective properties or assets are bound, or (ii) result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of

any court, arbitrator or Governmental Authority applicable to the Company or any of its subsidiaries, in each case except as would not have a material adverse effect on the ability of the Company to perform its obligations under this Agreement, the Notes (including the payment of interest thereon or principal thereof), the Indenture or the Registration Rights Agreement or adversely affect the validity thereof.

Section 5.4 Governmental Authorizations, Etc. Assuming the accuracy of the Purchasers' representations in Section 6, no consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in connection with the execution, delivery or performance by the Company of this Agreement, the Indenture or the Notes except the filing of the Form 8-K.

Section 5.5 Material Adverse Change. Since March 31, 2009, there has been no material adverse change nor any development or event involving a material adverse change, in the condition (financial or other), business, properties or results of operations of Huntsman Corporation or the Company and its subsidiaries taken as a whole after giving effect to the terms of the Settlement Agreement.

Section 5.6 Exchange Act Filings. On the date of this Agreement, the Company's Annual Report on Form 10-K most recently filed with the Securities and Exchange Commission (the "**Commission**") and all subsequent reports (collectively, the "**Exchange Act Reports**") which have been filed by the Company with the Commission or sent to shareholders pursuant to the Securities Exchange Act of 1934 (the "**Exchange Act**") do not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. Such documents, when they were filed with the Commission, conformed in all material respects to the requirements of the Exchange Act and the rules and regulations

of the Commission thereunder.

Section 5.7 **Exchange Default.** If the Company fails to consummate the Exchange by thirty (30) days from the Closing Date for any reason (other than the failure of a Purchaser to deliver a Temporary Note when reasonably requested in connection with the Exchange) (an “Exchange Default”), then, as liquidated damages for such Exchange Default, in addition to the 5½ % base interest, the Temporary Notes shall accrue at a per annum rate of 5% from the date of such Exchange Default until the Exchange is consummated.

Section 5.8 **Resale Activities.**

(a) **Resale Assistance:** Upon reasonable notice by the Purchasers to the Company (a “**Notice**”), the Company shall assist in marketing the resale of the Notes (a “**Resale Offering**”) (it being understood there may be up to 4 Notices; it being further understood and agreed that one such Resale Offering shall require the Company to initiate and complete the activities enumerated in clauses (i)-(iv) of this paragraph and three such Resale Offerings shall require the Company to initiate and complete the activities enumerated in clauses (i), (iii) and (iv) only). Such assistance of a Resale Offering, to be commenced promptly upon the Company’s receipt of a Notice, shall require that the Company initiate and complete, in a reasonably timely manner, the following: (i) the preparation of a customary offering memorandum for the Notes to be resold, including all information that would be necessary for the Purchasers to receive

5

customary comfort (including “negative assurance” comfort) from independent accountants in connection with the offering of such Securities (an “**Offering Document**”), and any other customary marketing materials required by the Purchasers to be used in connection with the Resale Offering, (ii) participation by the Company in a customary “high yield road show” in connection with the Resale Offering, (iii) permit the Purchasers the opportunity to conduct a reasonable investigation within the meaning of the Securities Act, including reasonable access to the Company’s books and records, officers, accountants and other advisors, and (iv) using reasonable efforts to cause the preparation and delivery of a comfort letter (which shall provide “negative assurance” comfort) and a 10b-5 letter from outside counsel with respect to the Offering Document, in each case reasonably acceptable to the Purchasers.

(b) **Reimbursement:** The Purchasers shall reimburse the Company from time to time, upon presentation of a reasonably detailed summary statement, for all reasonable documented out-of-pocket expenses (including travel expenses and fees, disbursements and other charges of counsel to the Company) in connection with a Resale Offering, except for (i) internal expenses including all salaries and expenses of the Company’s officers and employees performing legal or accounting duties and (ii) fees, disbursements and expenses of independent certified accountants of the Company (including the expenses of comfort letters).

(c) **Indemnification:** In connection with each Resale Offering, (i) the Company shall make a representation to each selling Purchaser in customary form that the Offering Document does not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (ii) the Company, the Guarantors and the applicable Purchaser will enter into an indemnification agreement with respect to the Offering Document providing for indemnification and contribution on substantially the same terms as Section 6 of the Registration Rights Agreement but with references to registration statements and prospectuses being references to the Offering Document. At the same time, the Company will reconfirm to the applicable Purchaser the representations contained in this Agreement.

SECTION 6. REPRESENTATIONS AND AGREEMENTS OF THE PURCHASERS.

Each Purchaser hereby represents and warrants to and agrees with the Company as follows in each case with respect to itself and its Affiliates:

Section 6.1 **Power and Authority; Authorization.** Each Purchaser has all requisite power and authority to execute and deliver this Agreement and the Registration Rights Agreement, to perform its obligations hereunder and thereunder and to consummate the transactions that are the subject of this Agreement and the Registration Rights Agreement. The execution and delivery of this Agreement and the Registration Rights Agreement, and the performance by each Purchaser of its obligations hereunder and thereunder, will not violate, result in any breach of or constitute a default (with or without notice or lapse of time or both) under the terms of any agreement, indenture or other instrument, license, judgment, decree, order, law, statute, ordinance or other governmental rule or regulation by which such Purchaser is bound, except as would not have a material adverse effect on the ability of such Purchaser to perform its obligations under this Agreement or the Registration Rights Agreement or adversely affect the validity thereof. Any Person signing this Agreement or the Registration Rights

6

Agreement on behalf of any Purchaser has been duly authorized by such Purchaser to do so. Upon execution and delivery thereof, this Agreement and the Registration Rights Agreement will constitute a legal, valid and binding obligation of each Purchaser enforceable against each Purchaser in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors’ rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law). No other consent, approval or authorization of any Person is required in connection with the execution, delivery or performance by any Purchaser of this Agreement and the Registration Rights Agreement other than such consents, approvals or authorizations as to which the failure to obtain could not, individually or in the aggregate, reasonably be expected to have a material adverse effect on the ability of any Purchaser to perform its obligations under this Agreement or the Registration Rights Agreement.

Section 6.2 **Accredited Investor Status.** The Purchaser is an “Accredited Investor” within the meaning of Rule 501 under the Securities Act and is acquiring the Notes solely for investment for its own account and not for the benefit or account of any other Person, and will not sell, assign, transfer or otherwise dispose of all or any part of the Notes except in accordance with the Securities Act and the restrictive legends included in the Notes.

Section 6.3 **ERISA Status.** The Purchaser’s investment in the Notes will not be prohibited under Section 406 of the United States Employee Retirement Income Security Act of 1974, as amended, or constitute a “prohibited transaction” (as defined in Section 4975(c)(1) of the United States Internal Revenue Code of 1986 (as amended, the “Code”)) for which an exemption does not apply.

Section 6.4 **Acknowledgements and Waiver.** Each Purchaser acknowledges and agrees that:

(a) The Notes and the related Guarantees (collectively the “**Securities**”) are being acquired by each Purchaser as part of the settlement (the “**Settlement**”) contemplated by the Settlement Agreement.

(b) Each Purchaser has had access to all public filings made by the Company with the Securities and Exchange Commission. The Company may possess material, nonpublic information about the Company and its Affiliates and their condition (financial and otherwise), financial status, results of operations, businesses, properties, management, plans and prospects, including but not limited to certain information concerning the Company’s recent consolidated results of operations and its outlook for future periods (collectively, the “**Information**”), and each Purchaser (i) was offered such Information by the Company and (ii) did not request and declined to receive such Information in making the decision to accept the Securities pursuant to this Agreement. Each Purchaser has had access to, and is familiar with, the information regarding the Company and the Settlement in the possession of the Bank Parties in connection with its purchase of the Securities and did not rely on the Company or its Affiliates or representatives to provide any such information.

7

(c) The parties to the Settlement Agreement agreed to the Settlement, including the acceptance by each of the Purchasers of the Securities pursuant to this Agreement, on the belief that no Purchasers or their Affiliates would have any claims or causes of action against the Company or its subsidiary or their respective agents and their respective Affiliates, controlling persons, officers, directors, employees, representatives, agents, attorneys and managers, with respect to the purchase and sale of the Securities pursuant to this Agreement, based upon, relating to or arising out of representations not expressly given by the Company in this Agreement, including claims related to nondisclosure of any Information. Accordingly, each Purchaser hereby waives and releases, to the fullest extent permitted by law, any and all claims and causes of action it or any of its Affiliates has or may have against any of the foregoing Persons with respect to the purchase and sale of the Securities, based upon, relating to or arising out of representations not expressly given by the Company herein, including claims related to nondisclosure of any Information; provided however that nothing in this Section 6.4(c) shall waive, release or impede any claims or causes of action each Purchaser may have for failure of the Company to comply with its obligations under this Agreement, the Notes or the Registration Rights Agreement.

(d) Each Purchaser further acknowledges that, to the extent the Purchaser, or any of the Purchaser’s Affiliates knew that any representation and warranty made herein by the Company is inaccurate or untrue, this constitutes a release and waiver of any and all actions, claims, suits, damages or rights, at law or in equity, against the Company by the Purchaser arising out of breach of that representation and warranty. Nothing herein shall be deemed to limit or waive the Purchaser’s rights against the Company arising out of any other representation and warranty made herein by the Company.

Section 6.5 **Matters Concerning the Securities.**

(a) Each Purchaser acknowledges and agrees that: (i) the Securities have not been registered under the Securities Act, the securities laws of any state or the securities laws of any other jurisdiction; and (ii) no governmental or regulatory agency has passed upon, or will pass upon, the Securities or has made, or will make, any finding or determination as to the fairness of investment in the Securities.

(b) Each Purchaser acknowledges and agrees that (i) the Securities cannot be sold unless they are subsequently registered under the Securities Act or unless an exemption therefrom is available, and (ii) the Securities have not been registered under applicable state securities laws and, therefore, cannot be sold unless they are subsequently registered under applicable state securities laws or unless an exemption therefrom is available. Each Purchaser acknowledges and agrees to the restrictions on transfer of the Securities set forth in the legends thereon.

(c) Each Purchaser acknowledges that it, together with its Affiliates, is familiar with the Company due to their involvement in the matters resolved by the Settlement Agreement. Each Purchaser is a sophisticated party fully capable of evaluating the Settlement and all of its elements, including the acceptance of the Securities pursuant to this Agreement, without the need for any possible additional material non-public Information that the Company may possess.

8

(d) In formulating a decision to enter into this Agreement, including the acceptance of the Securities by the Purchasers under this Agreement, no Purchaser has relied or acted on the basis of any representations not expressly given in this

Agreement.

(e) Each Purchaser agrees to comply with the provisions in the Temporary Notes relating to the Exchange as defined therein.

(f) The Company hereby agrees, as agent for each of the Purchasers, to hold the Temporary Notes on behalf of such Purchasers until the consummation of the Exchange; provided, however, upon the request of either or both of the Purchasers, the Company hereby agrees to promptly release the Temporary Notes to such requesting Purchaser.

Section 6.6 Consistent Tax Treatment. For federal income tax purposes, the Company and each Purchaser that is a signatory hereto agree (i) the “issue price” of the Notes being issued to such Purchaser for purposes of Section 1273 of the Code is the principal amount specified opposite such Purchaser’s name in Schedule B, and (ii) the Notes are not part of an “investment unit” for purposes of Treasury Regulation Section 1.1273-2. Each Purchaser that is a signatory hereto acknowledges that it (and any majority-owned affiliate) is acting as principal in acquiring the Notes (and not as a bond house, broker, or similar person acting in the capacity of an underwriter, placement agent, or wholesaler), and each such Purchaser agrees that it will not, and any majority-owned affiliate will not, sell all or any portion of the Notes for 30 days following the date on which such Notes are issued. Each Purchaser that is a signatory hereto agrees that it, and any majority-owned affiliate thereof, will file all federal income tax returns (and all other income tax returns that follow federal income tax principles) in a manner consistent with this Section 6.6 and the Company shall not have any recourse against such Purchaser on the basis of this Section 6.6, provided that such Purchaser, and any majority-owned affiliate thereof, so files its tax returns and complies with the 30-day requirement of the immediately preceding sentence. The Company agrees to file all federal income tax returns (and all other income tax returns that follow federal income tax principles) in a manner consistent with this Section 6.6, and no Purchaser shall have any recourse against the Company on the basis of this Section 6.6, provided that the Company so files its tax returns. For the avoidance of doubt, this Section 6.6 is not intended to (1) affect any Purchaser’s or any majority-owned affiliate’s financial accounting reporting with respect to the Notes, or (2) limit the ability of any Purchaser, or any majority-owned affiliate thereof, that otherwise utilizes “mark to market” accounting with respect to the Notes for Federal income tax purposes to mark the Notes to market in a manner consistent with its method of accounting. This Section 6.6 shall not apply to a Purchaser that is a signatory hereto, or to any majority-owned affiliate thereof, unless the Company provides to such Purchaser, within 30 days of the Closing Date, a copy of an opinion of a nationally recognized independent tax counsel, addressed to the Company and reasonably satisfactory to the Purchaser (but not stating that the Purchaser is entitled to rely on such opinion), stating that the foregoing tax treatment is more likely than not correct for Federal income tax purposes. This Section 6.6 shall not apply to a Purchaser, or any majority-owned affiliate thereof, with respect to tax returns filed by it with a particular taxing authority for any tax year after the time such taxing authority proposes an adjustment challenging the tax reporting position for any tax year required by this Section 6.6. Notwithstanding Section 8.1, this Section 6.6 shall apply only to a Purchaser that is a signatory hereto and its majority-owned affiliates.

SECTION 7. NOTICES.

Except as otherwise provided in this Agreement, all notices and communications provided for hereunder shall be in writing and sent (a) by facsimile if the sender on the same day sends a confirming copy of such notice by a recognized overnight delivery service (charges prepaid), or (b) by registered or certified mail with return receipt requested (postage prepaid), or (c) by a recognized overnight delivery service (with charges prepaid), or (d) if consented to by the recipient as set forth on Schedule B hereto, by electronic mail. Any such notice must be sent:

- (i) if to any Purchaser or its nominee, to such Purchaser or nominee at the address specified for such communications in Schedule B, or at such other address as such Purchaser or nominee shall have specified to the Company in writing,
- (ii) if to any other holder of any Note, to such holder at such address as such other holder shall have specified to the Company in writing, or

Notices under this Section 7 will be deemed given only when (x) delivered by physical delivery or electronic mail, (or if such date is not a Business Day, on the next Business Day) (y) facsimile confirmation is received (or if such receipt is not on a Business Day, on the next Business Day) or (z) if sent by registered or certified mail, three Business Days after the date of mailing.

SECTION 8. MISCELLANEOUS.

Titles appearing at the beginning of any Sections, subsections or other subdivisions of this Agreement are for convenience only, do not constitute any part of such Articles, Sections, subsections or other subdivisions, and shall be disregarded in construing the language contained therein. The words "this Agreement," "herein," "hereby," "hereunder" and "hereof" and words of similar import, refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited. The words "this Section," "this subsection" and words of similar import, refer only to the Sections or subsections hereof in which such words occur. 5½% Senior Note due 2016

1. Interest. HUNTSMAN INTERNATIONAL LLC, a Delaware limited liability company (the “Company”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. Interest on this Note will accrue from the most recent date on which interest has been paid or, if no interest has been paid, from June 23, 2009. The Company will pay interest semi-annually in arrears on each June 30 and December 31 (each, an “Interest Payment Date”) and at stated maturity, commencing on December 31, 2009. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

The Company shall pay interest on overdue principal and on overdue installments of interest from time to time on demand at the rate borne by this Note (without regard to any applicable grace periods) to the extent lawful.

2. Method of Payment. The Company shall pay interest on this Note (except defaulted interest) to the Persons who are the registered Holders at the close of business on the June 15 or December 15 (each, a “Record Date”) immediately preceding the Interest Payment Date even if the Notes are cancelled on registration of transfer or registration of exchange after such Record Date. The Holder must surrender this Note to the Company or its paying agent to collect principal payments. The Company shall pay principal, premium and interest in immediately available funds by wire transfer to an account number designated by the Holder payable in money of the United States that at the time of payment is legal tender for payment of public and private debts. The Company may deliver any such interest payment to the Holder at the Holder’s registered address set forth hereon.

3. Exchange; Indenture. On or prior to thirty (30) days from the date hereof, the Company shall exchange (the “Exchange”) this Note (including any right to accrued interest therein), against delivery thereof, for a beneficial interest in a new 5½% Senior Note due 2016 of the Company (an “Indenture Note”) of equal principal amount (and accruing interest from the same date) issued and authenticated pursuant to the Indenture attached as Exhibit 2 to the Note Purchase Agreement (the “Indenture”, which shall be executed in substantially such form, subject only to completion of missing information and subject to any changes as shall be reasonably requested by the Trustee thereunder). The Indenture Note will be issued in the form of a Global Security as provided for in the Indenture. By acceptance of this Note, the holder hereof agrees to deliver this Note, together with any required information needed to effect the issuance of the Indenture Note, to the Company to effect the Exchange, upon not less than two business days notice.

Prior to completion of the Exchange, the Company and the holder of this Note agree that they will be bound by the following provisions of the Indenture with respect to this Note as though this Note were a Note issued under the Indenture: Article IV (Covenants), Article V (Successor Corporation), Article VI (Defaults and Remedies), Sections 9.01 ([Amendments] Without Consent of Holders), 9.02 ([Amendments] With Consent of Holders), 9.06 (Trustee to Sign Amendments, Etc.), 13.07 (Legal Holidays), 13.08 (Governing Law), 13.09 (No Adverse Interpretation of Other Agreements), 13.10 (No Recourse Against Others), 13.11 (Successors),

A-4

13.12 (Duplicative Originals), 13.13 (Severability) and 13.14 (Independence of Covenants), and any definitions in Article I that are relevant to any of the foregoing (together, the “Applicable Provisions”). Such Applicable Provisions shall be deemed incorporated by reference in this Note with the same effect as if they were included herein. For purposes of the foregoing, all references in the Applicable Provisions to (i) the “Trustee” shall be deemed instead to refer to the holder of this Note, (ii) the “Issue Date” shall be deemed instead to refer to the date of this Note, and (iii) a “Guarantor” shall be deemed to refer to the subsidiaries of the Company named as Guarantors in the Indenture, notwithstanding the fact that they have not yet executed a guarantee of the Indenture Notes.

4. Optional Redemption. This Note will be redeemable, at the Company’s option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the date of redemption.

5. Notice of Redemption. Notice of redemption will be delivered at least 30 days but not more than 60 days before the Redemption Date to the Holder at its registered address, except as provided in the Indenture. Notes in denominations larger than \$1,000 may be redeemed in part.

6. Exchange Default. If the Company fails to consummate the Exchange by thirty (30) days from the date hereof for any reason (other than the failure of a Purchaser to deliver a Temporary Note when reasonably requested in connection with the Exchange) (an

“Exchange Default”), then, as liquidated damages for such Exchange Default, in addition to the 5½ % base interest, the Temporary Notes shall accrue at a per annum rate of 5% from the date of such Exchange Default until the Exchange is consummated.

7. Denominations; Transfer; Exchange. The Notes are in fully registered form only, without coupons, in denominations of \$1,000 and integral multiples of \$1,000. The Company may require a Holder, among other things, to furnish reasonable endorsements and transfer documents and to pay transfer taxes or similar governmental charges payable in connection therewith, and to evidence compliance with any applicable restrictions on transfer applicable to this Note under applicable law. **This Note may not be transferred without consent of the Company.**

8. Register. The Company (and its agent) may treat the person in whose name this Note is registered as the Holder and the owner of this Note for the purpose of receiving payment and for all other purposes of this Note. Notwithstanding anything to the contrary herein, the right to receive payments of interest and principal under this Note shall be transferable only upon surrender for cancellation of this Note, and the issuance of a new Note registered in the name of the transferee. In addition, the Company or its agent shall maintain at one of its offices in the United States a register (“Register”) in which it shall record the name of the Holder and any assignee and the principal amount of the Notes owing to each Holder and assignee, and no transfer of the right to principal and interest under a Note shall be valid unless so registered. The entries in the Register shall be conclusive, and the Company, its agent and the Holders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Holder hereunder for all purposes of this Note, notwithstanding notice to the contrary.

9. No Recourse Against Others. No past, present or future stockholder, director, officer,

A-5

employee or incorporator, as such, of the Company shall have any liability for any obligation of the Company under this Note or for any claim based on, in respect of or by reason of, such obligations or their creation. The Holder by accepting this Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of this Note.

10. Governing Law. This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

ARTICLE II THE NOTES

Section 2.01 Form and Dating. Notes and the certificate of authentication relating thereto shall be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Notes that are Restricted Securities (including the Initial Notes) shall bear the Private Placement Legend. Each Note shall be dated the date of issuance and shall show the date of its authentication. Each Note shall have an executed Guarantee from each of the Guarantors endorsed thereon substantially in the form of Exhibit E hereto.

The terms and provisions contained in the Notes annexed hereto as Exhibit A, shall constitute, and are hereby expressly made, a part of this Indenture and, to the extent applicable, the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby.

(a) Restricted Global Securities.

(i) Notes that are Restricted Securities shall be issued in the form of one or more global securities (each, a “Restricted Global Security”) in definitive, fully registered form without interest coupons, with the legend provided for in Exhibit

B hereto, except as otherwise permitted herein.

(ii) Each Restricted Global Security shall be registered in the name of DTC or its nominee and deposited with the Trustee, at its Corporate Trust Office, as custodian for DTC, duly executed by the Company and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of a Restricted Global Security may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC, in connection with a corresponding decrease or increase in the aggregate principal amount of an Unrestricted Global Security, as hereinafter provided.

(b) [Reserved].

(c) Physical Notes. Notes issued in exchange for interests in a Global Note pursuant to Section 2.15 may be issued in the form of permanent certificated Notes in registered form in substantially the form set forth in Exhibit A (the "Physical Notes").

Section 2.02 Execution and Authentication; Aggregate Principal Amount. A duly authorized Officer of the Company shall execute the Notes for the Company, and a duly authorized officer of each Guarantor shall sign the Guarantees for the Guarantors, in each case by manual or facsimile signature.

28

If an Officer whose signature is on a Note or a Guarantee, as the case may be, was an Officer at the time of such execution but no longer holds that office or position at the time the Trustee authenticates the Note, the Note shall nevertheless be valid.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature of such representative of the Trustee shall be conclusive evidence that the Note has been authenticated under this Indenture.

On the date hereof, upon Company Order the Trustee shall authenticate and deliver Notes for original issue in an initial aggregate principal amount not to exceed \$600,000,000. In addition, at any time, from time to time, the Trustee shall authenticate and deliver Exchange Notes in the form of Unrestricted Notes, upon a written notice of the Company for original issuance in the aggregate principal amount specified in such order for original issue in the aggregate principal amount, provided that Exchange Notes shall be issuable only upon the valid surrender for cancellation of Global Securities or other Notes of a like aggregate principal amount. Additional Notes may be issued in accordance with Sections 2.01 and 2.18. Any such Company Order may specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated, whether such Notes are Unrestricted Notes and whether (subject to Section 2.01) the Notes are to be issued as Physical Notes or Global Notes and such other information as the Trustee may reasonably request and, in the case of an issuance of Additional Notes pursuant to Section 2.18 after the Issue Date, shall certify that such issuance will not be prohibited by Section 4.12.

Notwithstanding the foregoing, all Notes issued under this Indenture shall vote and consent together on all matters (as to which any of such Notes may vote or consent) as one class.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate Notes. Unless otherwise provided in the appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Company and Affiliates of the Company.

The Notes shall be issuable in fully registered form only, without coupons, in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Section 2.03 Registrar and Paying Agent. The Company shall maintain an office or agency, where (a) Notes may be presented or surrendered for registration of transfer or for exchange ("Registrar"), (b) Notes may be presented or surrendered for payment and (c) notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Paying Agent shall not be the Company or an Affiliate of the Company. The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company, upon notice to the Trustee, may have one or more co-Registrars and one or more additional paying agents reasonably acceptable to the Trustee. The term "Paying Agent" includes any additional paying agent. The Company may change the Paying Agent or Registrar without notice to any Holder.

29

The Company shall enter into an appropriate agency agreement with any Agent not a party to this Indenture, which agreement shall incorporate the provisions of the TIA and implement the provisions of this Indenture that relate to such Agent. The Company shall notify the Trustee, in advance, of the name and address of any such Agent. If the Company fails to maintain a Registrar or Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such.

The Company initially appoints the Trustee as Registrar and Paying Agent for the Notes until such time as such entity has resigned or a successor has been appointed. Any of the Registrar, the Paying Agent or any other agent may resign upon 30 days' notice to the Company.

Section 2.04 Paying Agent To Hold Assets in Trust. The Company shall require each Paying Agent other than the Trustee

to agree in writing that each Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all assets held by the Paying Agent for the payment of principal of, premium, if any, or interest on, the Notes (whether such assets have been distributed to it by the Company or any other obligor on the Notes), and shall notify the Trustee of any default by the Company (or any other obligor on the Notes) in making any such payment. The Company at any time may require a Paying Agent to distribute all assets held by it to the Trustee and account for any assets disbursed and the Trustee may at any time during the continuance of any payment Default, upon written request to a Paying Agent, require such Paying Agent to distribute all assets held by it to the Trustee and to account for any assets distributed. Upon distribution to the Trustee of all assets that shall have been delivered by the Company to the Paying Agent and the completion of any accounting required to be made hereunder, the Paying Agent shall have no further liability for such assets.

Section 2.05 Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders and shall otherwise comply with TIA §312(a). If the Trustee is not the Registrar or Paying Agent, the Company shall furnish annually on each May 15 and at such other times as the Trustee may request in writing a list in such form as the Trustee may reasonably require of the names and addresses of the Holders, which list may be conclusively relied upon by the Trustee.

Section 2.06 Transfer and Exchange. Subject to Sections 2.15 and 2.16, when Notes are presented to the Registrar or a co-Registrar with a request to register the transfer of such Notes or to exchange such Notes for an equal principal amount of Notes of other authorized denominations, the Registrar or co-Registrar shall register the transfer or make the exchange as requested if its requirements for such transaction are met; provided, however, that the Notes presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar or co-Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing. To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Notes at the Registrar's or co-Registrar's written request. No service charge shall be made for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith. The Registrar or co-Registrar shall not be required to register the transfer of or

30

exchange of any Note (i) during a period beginning at the opening of business 15 days before the mailing of a notice of redemption pursuant to Section 3.03 and paragraph 5 of the Notes and ending at the close of business on the day of such mailing and (ii) selected for redemption in whole or in part pursuant to Article Three, except the unredeemed portion of any Note being redeemed in part.

Any Holder of a beneficial interest in a Global Security shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Security may be effected only through a book entry system maintained by the Holder of such Global Security (or its agent), and that ownership of a beneficial interest in the Note shall be required to be reflected in a book entry system.

Section 2.07 Replacement Notes. If a mutilated Note is surrendered to the Trustee or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note and each of the Guarantors shall execute a Guarantee thereon if the Trustee's requirements are met. If required by the Trustee or the Company, such Holder must provide an indemnity bond or other indemnity, sufficient in the reasonable judgment of the Company, the Guarantors and the Trustee, to protect the Company, the Guarantors, the Trustee or any Agent from any loss which any of them may suffer if a Note is replaced. The Company and the Trustee may charge such Holder for their reasonable out-of-pocket expenses in replacing a Note, including reasonable fees and expenses of counsel. Every replacement Note shall constitute an additional obligation of the Company and every replacement Guarantee shall constitute an additional obligation of the Guarantors.

Section 2.08 Outstanding Notes. Notes outstanding at any time are all the Notes that have been authenticated by the Trustee except those cancelled by it or a Registrar, those delivered to it or a Registrar for cancellation and those described in this Section as not outstanding. Subject to Section 2.09, a Note does not cease to be outstanding because the Company or any of its Affiliates holds the Note.

If a Note is replaced pursuant to Section 2.07 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.07.

If on a Redemption Date or the Maturity Date, as applicable, the Paying Agent holds U.S. Legal Tender, U.S. Government Obligations, or a combination thereof sufficient to pay all of the principal, premium, if any, and interest due on the Notes payable on that date, then on and after that date such Notes cease to be outstanding and interest on them ceases to accrue.

If on any date which is no earlier than 60 days prior to a Redemption Date, the Company has irrevocably deposited in trust with the Trustee U.S. Legal Tender, U.S. Government Obligations or a combination thereof in an amount sufficient to pay all of the principal, premium, if any, and interest due on the Notes payable on such Redemption Date, together with irrevocable instructions from the Company directing the Trustee to apply such funds to the payment thereof

31

on such Redemption Date pursuant to the terms of this Indenture, then and after the date of such deposit such Notes shall be deemed to be not outstanding for purposes of determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver, consent or notice which requires the consent of at least a majority in aggregate principal amount of Notes then outstanding.

Section 2.09 Treasury Notes. In determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver, consent or notice, Notes owned by the Company or an Affiliate shall be considered as though they are not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which the Trustee actually knows are so owned shall be so considered. The Company shall notify the Trustee, in writing, when it or any of its Affiliates repurchases or otherwise acquires Notes, of the aggregate principal amount of such Notes so repurchased or otherwise acquired.

Section 2.10 [Intentionally Omitted].

Section 2.11 Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for transfer, exchange or payment. The Trustee, or at the direction of the Trustee, the Registrar or the Paying Agent, and no one else, shall cancel and shall dispose all cancelled Securities in accordance with its customary procedures. Subject to Section 2.07, the Company may not issue new Notes to replace Notes that the Company has paid or delivered to the Trustee for cancellation. Notes redeemed shall be cancelled. However, if the Company shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.11.

Section 2.12 Defaulted Interest. The Company will pay interest on overdue principal from time to time on demand at the rate of interest then borne by the Notes. The Company shall, to the extent lawful, pay interest on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate of interest then borne by the Notes, as applicable. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest, plus (to the extent lawful) any interest payable on the defaulted interest to the Persons who are Holders on a subsequent special record date, which date shall be the fifteenth day next preceding the date fixed by the Company for the payment of defaulted interest or the next succeeding Business Day if such date is not a Business Day. At least 15 days before the subsequent special record date, the Company shall deliver or cause to be delivered to each Holder, with a copy to the Trustee, a notice that states the subsequent special record date, the payment date and the amount of defaulted interest, and interest payable on such defaulted interest, if any, to be paid.

32

Notwithstanding the foregoing, any interest which is paid prior to the expiration of the 30-day period set forth in Section 6.01(a) shall be paid to Holders as of the regular record date for the Interest Payment Date for which interest has not been paid.

Section 2.13 CUSIP Numbers. The Company in issuing the Notes may use one or more "CUSIP" and/or "ISIN" numbers, and if so, the Trustee shall use the CUSIP and/or "ISIN" numbers in notices of redemption or exchange as a convenience to Holders; provided, however, that no representation is hereby deemed to be made by the Trustee as to the correctness or accuracy of the CUSIP numbers printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee of any change in the CUSIP or "ISIN" number.

Section 2.14 Deposit of Moneys. Prior to 11:00 a.m. New York City time on each Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date, and Net Proceeds Offer Payment Date, the Company shall have deposited with each Paying Agent in immediately available funds money sufficient to make cash payments, if any, due on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date, and Net Proceeds Offer Payment Date, as the case may be, in a timely manner which permits each Paying Agent to remit payment to the Holders on such Interest Payment Date, Maturity Date, Redemption Date, Change of Control Payment Date, and Net Proceeds Offer Payment Date, as the case may be.

Section 2.15 Book-Entry Provisions for Global Securities. Except as indicated below in this Section 2.15, the Notes shall be represented only by Global Securities. The Global Securities shall be deposited with a Depository for such Notes or its custodian (initially, the Trustee) (and shall be registered in the name of such Depository or its nominee). The Depository for the Notes shall be DTC unless the Company appoints a successor Depository by delivery of a Company Order to the Trustee specifying such successor Depository.

All payments on a Global Security will be made to DTC or its nominee, as the case may be, as the registered owner and Holder of such Global Security. In each case, the Company will be fully discharged by payment to or to the order of such Depository from any responsibility or liability in respect of each amount so paid. Upon receipt of any such payment in respect of a Global Security, DTC will credit Participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of such Global Security as shown on the records of DTC.

Unless and until it is exchanged in whole or in part for Physical Notes, in accordance with this Section 2.15, a Global Security may not be transferred except as a whole by the relevant Depository or nominee thereof to another nominee of the Depository or to a successor of Depository or a nominee of such successor.

Owners of beneficial interests in Global Securities shall be entitled or required, as the case may be, but only under the circumstances described in this Section 2.15, to receive physical delivery of Physical Notes.

33

Interests in a Global Security shall be exchangeable or transferable, as the case may be, for Physical Notes if (i) DTC notifies the Company that it is unwilling or unable to continue as Depository for such Global Security, or DTC ceases to be a “Clearing Agency” registered under the United States Securities Exchange Act of 1934, and a successor depository is not appointed by the Company or (ii) an Event of Default has occurred and is continuing with respect thereto and the owner of a beneficial interest therein requests such exchange or transfer. Upon the occurrence of any of the events described in the preceding sentence, the Company shall cause the appropriate Physical Notes to be delivered to the owners of beneficial interests in the Global Securities or the Participants in DTC through which such owners hold their beneficial interest. Physical Notes shall be exchangeable or transferable for interests in other Physical Notes as described herein.

Section 2.16 Transfer and Exchange of Securities.

(a) Transfer and Exchange of Global Securities. Notwithstanding any provisions of this Indenture or the Notes, transfers of a Global Security, in whole or in part, transfers and exchanges of interests therein of the kinds described in clauses (ii), (iii) and (iv) below and exchange of interests in Global Securities or of other Securities as described in clause (v) below, shall be made only in accordance with this Section 2.16(a). Transfers and exchanges subject to this Section 2.16 shall also be subject to the other provisions of this Indenture that are not inconsistent with this Section 2.16.

(i) General. A Global Security may not be transferred, in whole or in part, to any Person other than DTC or a nominee thereof or a successor to DTC or its nominee, and no such transfer to any such other Person may be registered; provided that this clause (i) shall not prohibit any transfer of a Security that is issued in exchange for a Global Security but is not itself a Global Security. No transfer of a Note to any Person shall be effective under this Indenture or the Notes unless and until such Note has been registered in the name of such Person. Nothing in this Section 2.16(a)(i) shall prohibit or render ineffective any transfer of a beneficial interest in a Global Security effected in accordance with the other provisions of this Section 2.16(a).

(ii) [Reserved].

(iii) Restricted Global Security to Unrestricted Global Security. If the Holder of a beneficial interest in a Restricted Global Security wishes at any time to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in an Unrestricted Global Security, such transfer may be effected, subject to the Applicable Procedures, only in accordance with this Section 2.16(a)(iii). Upon receipt by the Registrar, of (A) written instructions given in accordance with the Applicable Procedures from an Agent Member directing the Registrar to credit or cause to be credited to a specified Agent Member’s account a beneficial interest in an Unrestricted Global Security in a principal amount equal to that of the beneficial interest in a Restricted Global Security to be so transferred, (B) a written order given in accordance with the Applicable Procedures containing information regarding the account

34

of the Agent Member to be credited with, and the account of the Agent Member to be debited for, such beneficial interest and (C) a certificate in substantially the form set forth in Exhibit C given by the Holder of such beneficial interest, the principal amount of the Restricted Global Security shall be reduced, and the principal amount of an Unrestricted Global Security shall be increased, by the principal amount of the beneficial interest in a Restricted Global Security to be so transferred, in each case by means of an appropriate adjustment on the records of the Registrar and the Registrar shall instruct DTC or its authorized representative to make a corresponding adjustment to its records and to credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in an Unrestricted Global Security having a principal amount equal to the amount so transferred.

(iv) [Reserved].

(v) Exchanges of Global Security for Non-Global Security. In the event that a Global Security or any portion thereof is exchanged for securities other than Global Securities, such other securities may in turn be exchanged (on transfer or otherwise) for Notes that are not Global Securities or for beneficial interests in a Global Security (if any is then outstanding) only in accordance with such procedures, which shall be substantially consistent with the provisions of clauses (i) through (iv) above (including the certification requirements intended to insure that transfers and exchanges of beneficial interests in a Global Security comply with Rule 144A, Rule 144 or Regulation S, as the case may be) and any Applicable Procedures, as may be from time to time adopted by the Company and the Trustee.

(b) [Reserved].

(c) Global Securities. The provisions of clauses (i), (ii), (iii), and (iv) below shall apply only to Global Securities;

(i) General. Each Global Security authenticated under this Indenture shall be registered in the name of the appropriate Depository or a nominee thereof and delivered to such Depository or a nominee thereof or custodian therefor.

(ii) Transfer to Persons Other than Depository. Notwithstanding any other provision in this Indenture or the Notes, no Global Security may be exchanged in whole or in part for Notes registered, and no transfer of a Global Security in whole or in part may be registered, in the name of any person other than the appropriate Depository or a nominee thereof unless (A) DTC notifies the Company that it is unwilling or unable to continue as Depository for such Global Security, or DTC ceases to be a Clearing Agency registered under the United States Securities Exchange Act of 1934, and a successor to DTC is not appointed by the Company or (B) in the case of any Global Security, an Event of Default has occurred and is continuing with respect thereto and the owner of a beneficial interest therein requests such exchange or transfer. Any Global Security exchanged pursuant to clause

in part and any Global Security exchanged pursuant to clause (B) above may be exchanged in whole or from time to time in part as directed by DTC. Any Security issued in exchange for a Global Security or any portion thereof shall be a Global Security, provided that any such Security so issued that is registered in the name of a Person other than the appropriate Depository or a nominee thereof shall not be a Global Security.

(iii) Global Security to Physical Note. Physical Notes issued in exchange for a Global Security or any portion thereof pursuant to clause (ii) above shall be issued in definitive, fully registered form without interest coupons, and shall have an aggregate principal amount equal to that of such Global Security or portion thereof to be so exchanged, shall be registered in such names and be in such authorized denominations as the appropriate Depository shall designate and shall bear any legends required hereunder. Any Global Security to be exchanged in whole shall be surrendered by the appropriate Depository to the Registrar. With regard to any Global Security to be exchanged in part, either such Global Security shall be so surrendered for exchange or if the Trustee is acting as custodian for DTC or its nominee with respect to such Global Security, the principal amount thereof shall be reduced, by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment made on the records of the Trustee, as Authenticating Agent. Upon any such surrender or adjustment, the Trustee shall authenticate and deliver the Security issuable on such exchange to or upon the order of the appropriate Depository or an authorized representative thereof.

(iv) In the event of the occurrence of any of the events specified in clause (ii) above, the Company will promptly make available to the Trustee a reasonable supply of Physical Notes in definitive, fully registered form, without interest coupons.

(v) No Rights of Agent Members in Global Security. No Agent Member of any Depository nor any other Persons on whose behalf Agent Members may act shall have any rights under this Indenture with respect to any Global Security, or under any Global Security, and each Depository or its nominee, as the case may be, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and Holder of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the applicable Depository or such nominee, as the case may be, or impair, as between DTC, Euroclear and Clearstream, their respective Agent Members and any other person on whose behalf an Agent Member may act, the operation of customary practices of such Persons governing the exercise of the rights of a Holder of any Note.

(vi) Notwithstanding anything to the contrary in this Indenture, all Global Securities shall be governed by the relevant Applicable Procedures.

Section 2.17 Special Transfer Provisions.

(a) Transfers to Institutional Accredited Investors. If Notes are being transferred to an Institutional Accredited Investor, the Notes shall be accompanied by delivery of a transferee certificate for Institutional Accredited Investors substantially in the form of Exhibit D hereto and an Opinion of Counsel reasonably satisfactory to the Company to the effect that such transfer is in compliance with the Securities Act.

(b) Other Transfers. If a Holder proposes to transfer an Initial Note pursuant to any exemption from the registration requirements of the Securities Act other than as provided for above, the Registrar shall only register such transfer or exchange if such transferor delivers to the Registrar and the Trustee an Opinion of Counsel satisfactory to the Company and the Registrar that such transfer is in compliance with the Securities Act and the terms of this Indenture; provided that the Company may, based upon the opinion of its counsel, instruct the Registrar by a Company Order not to register such transfer in any case where the proposed transferee is not a QIB, an Institutional Accredited Investor or a non-U.S. Person.

(c) General. By its acceptance of any Note bearing legends, each- Holder of such a Note acknowledges the restrictions on transfer of such Security set forth in this Indenture and in the legends and agrees that it will transfer such Security only as provided in this Indenture.

The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.15, 2.16 or this Section 2.17 for a period of two years, after which time such letters, notices and other written communications shall at the written request of the Company be delivered to the Company. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable prior written notice to the Registrar.

Section 2.18 Issuance of Additional Notes. The Company shall be entitled to issue Additional Notes under this Indenture which shall have substantially identical terms as the Initial Notes, other than with respect to the date of issuance, issue price, amount of interest payable on the first Interest Payment Date applicable thereto or upon a registration default as provided under a registration rights agreement related thereto (and, if such Additional Notes shall be issued in the form of Exchange Notes, other than with respect to transfer restrictions); provided that such issuance is not prohibited by Section 4.12.

With respect to any Additional Notes, the Company shall set forth in a resolution of its Board of Managers (or a duly appointed committee thereof) and in an Officers' Certificate, a copy of each of which shall be delivered to the Trustee, the following information:

- (1) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (2) the issue price and the issue date of such Additional Notes and the amount of interest payable on the first Interest Payment Date applicable thereto; and

37

- (3) whether such Additional Notes shall be Restricted Securities or Unrestricted Notes.

ARTICLE III REDEMPTION

Section 3.01 Notices to Trustee. If the Company elects to redeem Notes pursuant to paragraph 5 of the Notes it shall notify the Trustee and the Paying Agent in writing of the Redemption Date and the aggregate principal amount of the Notes to be redeemed. Such notice must be given at least 30 days prior to the Redemption Date, but shall not be given more than 60 days before such Redemption Date. Any such notice may be cancelled at any time prior to notice of such redemption being mailed to any Holder and shall thereby be void and of no effect.

Section 3.02 Selection of Notes To Be Redeemed. If less than all the Notes are to be redeemed at any time, selection of such Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed or, if such Notes are not listed on a national securities exchange, on a pro rata basis, by lot or by such method as the Trustee shall deem fair and appropriate; provided, however, that no Notes of a principal amount of \$2,000 or less shall be redeemed in part.

Section 3.03 Notice of Redemption. At least 30 days but not more than 60 days before a Redemption Date, the Company shall mail or cause to be mailed a notice of redemption by first-class mail to each Holder whose Notes are to be redeemed at its registered address, with a copy to the Trustee, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the notes or a satisfaction and discharge of this Indenture, in each case in accordance with this Indenture. At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at the Company's expense provided, however, that the Company shall deliver to the Trustee, at least 40 days prior to the Redemption Date (which may be waived by the Trustee), an Officers' Certificate requesting that the Trustee give such notice. Each notice for redemption shall identify the Notes to be redeemed and shall state:

- (1) the Redemption Date;
- (2) the redemption price and the amount of accrued interest, if any, to be paid (the "Redemption Price");
- (3) the paragraph of the Notes, pursuant to which the Notes are being redeemed;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
- (6) that, unless the Company defaults in making the redemption

38

payment, interest, if any, on Notes called for redemption shall cease to accrue on and after the Redemption Date and the only remaining right of the Holders of such Notes is to receive payment of the Redemption Price upon surrender to the Paying Agent of the Notes redeemed;

- (7) that, if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed;
- (8) that, if less than all the Notes are to be redeemed, the identification of the particular Notes and the aggregate principal amount (or portion thereof) of such Notes to be redeemed, to be redeemed and the aggregate principal amount of Notes to be outstanding after such partial redemption; and
- (9) whether the redemption is conditioned on any events and what such conditions are.

If one or more conditions specified with respect to a redemption are not satisfied or waived, the Redemption Date shall be deemed not to have occurred for all purposes of this Indenture and the Company shall give notice of such non-occurrence to the Holders of the applicable Notes and to the Trustee.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such rule, laws and regulations are applicable in connection with the purchase of Notes.

Section 3.04 Effect of Notice of Redemption. Once notice of redemption is mailed in accordance with Section 3.03, Notes called for redemption become due and payable on the Redemption Date and at the Redemption Price. Upon surrender to the Trustee or Paying Agent, such Notes called for redemption shall be paid at the Redemption Price, but installments of interest, the maturity of which is on or prior to the Redemption Date, shall be payable to Holders of record at the close of business on the relevant record dates referred to in the Notes. Interest shall accrue on or after the Redemption Date and shall be payable only if the Company defaults in payment of the Redemption Price.

Section 3.05 Deposit of Redemption Price. On or before the Redemption Date, the Company shall deposit with the Paying Agent U.S. Legal Tender sufficient to pay the Redemption Price of all Notes to be redeemed on that date. The Paying Agent shall promptly return to the Company any U.S. Legal Tender so deposited that is not required for that purpose, except with respect to monies owed as obligations to the Trustee pursuant to Article Seven.

Unless the Company fails to comply with the preceding paragraph and defaults in the payment of such Redemption Price, interest on the Notes to be redeemed will cease to accrue on and after the applicable Redemption Date, whether or not such Notes are presented for payment.

Section 3.06 Notes Redeemed in Part. Upon surrender of a Note that is to be redeemed

39

in part, the Trustee shall authenticate for the Holder a new Note or Notes equal in principal amount to the unredeemed portion of the Note surrendered.

ARTICLE IV COVENANTS

Section 4.01 Payment of Notes. The Company shall pay the interest on the Notes on the dates and in the manner provided in the Notes. An installment of principal of or interest on the Notes shall be considered paid on the date it is due if the Trustee or Paying Agent holds on that date U.S. Legal Tender designated for and sufficient to pay the installment. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Notwithstanding anything to the contrary contained in this Indenture, the Company may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal, premium or interest payments hereunder.

Section 4.02 Maintenance of Office or Agency. The Company shall maintain the office or agency required under Section 2.03. The Company shall give prior notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 13.02.

Section 4.03 Limitation on Restricted Payments. The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, make any Restricted Payment if at the time of such Restricted Payment or immediately after giving effect thereto, (i) a Default or an Event of Default shall have occurred and be continuing, (ii) the Company is not able to incur at least \$1.00 of additional Indebtedness other than Permitted Indebtedness in compliance with Section 4.12, or (iii) the aggregate amount of Restricted Payments including such proposed Restricted Payment made after June 30, 2006, including, the Fair Market Value as determined reasonably and in good faith by the Board of Managers of the Company of non-cash amounts constituting Restricted Payments shall exceed the sum of: (w) 50% of the cumulative Consolidated Net Income (or if cumulative Consolidated Net Income shall be a loss, minus 100% of such loss) of the Company earned from June 30, 2006 through the last day of the last full fiscal quarter immediately preceding the date the Restricted Payment occurs (the "Reference Date") (treating such period as a single accounting period); plus (x) 100% of the aggregate net cash proceeds received by the Company from any Person (other than a Subsidiary of the Company) from the issuance and sale subsequent to June 30, 2006 of Qualified Capital Stock of the Company (other than Specified Venture Capital Stock) or debt securities of the Company that are, upon issuance, convertible into or exchangeable for Qualified Capital Stock of the Company, but only when and to the extent such debt securities are converted into or exchanged for Qualified Capital Stock of the Company; plus (y) without duplication of any amounts included in clause (iii)(x) above, 100% of the aggregate net cash proceeds of any equity contribution received by the Company from a holder of the Company's Capital Stock subsequent to June 30,

40

2006; plus (z) \$400 million.

Notwithstanding the foregoing, the provisions set forth in the immediately preceding paragraph shall not prohibit: (1) the payment of any dividend within 60 days after the date of declaration of such dividend if the dividend would have been permitted on the date of declaration; (2) the acquisition of any shares of Capital Stock of the Company, either (i) solely in exchange for shares of Qualified Capital Stock of the Company or (ii) if no Default or Event of Default shall have occurred and be continuing, through the application of

net cash proceeds of a substantially concurrent Equity Offering (other than to a Subsidiary of the Company); (3) the acquisition or repayment of any Indebtedness of the Company that is subordinate or junior in right of payment to the Notes either (i) solely in exchange for shares of Qualified Capital Stock of the Company, or (ii) if no Default or Event of Default shall have occurred and be continuing, through the application of net cash proceeds of (A) a substantially concurrent Equity Offering or (B) incurrence for cash of Refinancing Indebtedness, (in the case of (A) or (B), other than to a Subsidiary of the Company); (4) so long as no Default or Event of Default shall have occurred and be continuing, repurchases by the Company of, or dividends to a Huntsman Parent Company to permit repurchases by a Huntsman Parent Company of, Common Stock of the Company or a Huntsman Parent Company from employees of the Company or any of its Subsidiaries or their authorized representatives upon the death, disability or termination of employment of such employees, in an aggregate amount not to exceed \$25 million in any calendar year; (5) the redemption or repurchase of any Common Stock of the Company held by a Restricted Subsidiary of the Company which obtained such Common Stock directly from the Company; (6) distributions to any Huntsman Parent Company in accordance with the Tax Sharing Agreement; (7) payments to any Huntsman Parent Company for legal, audit and other expenses directly relating to the administration of such Huntsman Parent Company not to exceed \$10.0 million in any fiscal year; (8) the payment of consideration by a third party to equity holders of the Company; (9) additional Restricted Payments in an aggregate amount not to exceed \$225 million since the Designated Date; (10) the payment of dividends or distributions to any Huntsman Parent Company which are contemporaneously applied to pay dividends on common stock of the Huntsman Public Parent at a rate not to exceed \$0.40 per share per annum (such amount to be appropriately adjusted to reflect any stock split, reverse stock split, stock dividend, stock issuance or similar transactions made after the Designated Date so that the aggregate amount of dividends payable after such transaction is the same as the amount payable immediately prior to such transaction); (11) payments of dividends on Disqualified Capital Stock issued in accordance with Section 4.12; and (12) if the Consolidated Leverage Ratio of the Company, calculated after giving *pro forma* effect to any repurchase under this clause (12), is less than 2.5 to 1.0, then the Company may repurchase or dividend to a Huntsman Parent Company to repurchase, up to an aggregate of \$250 million of Common Stock of a Huntsman Parent Company. In determining the aggregate amount of Restricted Payments made subsequent to the Designated Date in accordance with clause (iii) of the immediately preceding paragraph, cash amounts expended pursuant to clauses (1), (2), (3)(ii) (A) and (4) shall be included in such calculation and Restricted Payments made pursuant to the other clauses of this paragraph shall not be so included.

Not later than the date of making any Restricted Payment pursuant to clause (iii) of the second preceding paragraph or clause (9) of the immediately preceding paragraph, the Company

41

shall deliver to the Trustee an officers' certificate stating that such Restricted Payment complies with this Indenture and setting forth in reasonable detail the basis upon which the required calculations were computed, which calculations may be based upon the Company's quarterly financial statements last provided to the Trustee pursuant to Section 4.09.

Section 4.04 Corporate Existence. Except as otherwise permitted by Article Five, the Company shall do or cause to be done all things reasonably necessary to preserve and keep in full force and effect its corporate or other existence and the corporate or other existence of each of its Restricted Subsidiaries in accordance with the respective organizational documents of each such Restricted Subsidiary and the material rights (charter and statutory) and franchises of the Company and each such Restricted Subsidiary; except for such noncompliances as are not in the aggregate reasonably likely to have a material adverse effect on the financial condition or results of operations of the Company and its Restricted Subsidiaries taken as a whole.

Section 4.05 Payment of Taxes and Other Claims. The Company shall pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (i) all material taxes, assessments and governmental charges (including withholding taxes and any penalties, interest and additions to taxes) levied or imposed upon it or any of its Restricted Subsidiaries or properties of it or any of its Restricted Subsidiaries and (ii) all material lawful claims for labor, materials, supplies and services that, if unpaid, might by law become a Lien upon the property of it or any of its Restricted Subsidiaries; except for such noncompliances as are not in the aggregate reasonably likely to have a material adverse effect on the financial condition or results of operations of the Company and its Restricted Subsidiaries as a whole; provided, however, that there shall not be required to be paid or discharged any such tax, assessment or charge, the amount, applicability or validity of which is being contested in good faith by appropriate proceedings and for which adequate provision has been made or where the failure to effect such payment or discharge is not adverse in any material respect to the Holders.

Section 4.06 Maintenance of Properties and Insurance.

(a) The Company shall, and shall cause each of its Restricted Subsidiaries to, make all reasonable efforts to maintain its material properties in normal condition (subject to ordinary wear and tear) and make all reasonably necessary repairs, renewals or replacements thereto as in the judgment of the Company may be reasonably necessary to the conduct of the business of the Company and its Restricted Subsidiaries; except for such noncompliances as are not in the aggregate reasonably likely to have a material adverse effect on the financial condition or results of operations of the Company and its Restricted Subsidiaries taken as a whole.

(b) The Company shall provide or cause to be provided, for itself and each of its Restricted Subsidiaries, insurance (including appropriate self- insurance) against loss or damage of the kinds that, in the reasonable, good faith opinion of the Company, are reasonably adequate and appropriate for the conduct of the business of the Company and such Restricted Subsidiaries.

42

Section 4.07 Compliance Certificate; Notice of Default.

(a) The Company shall deliver to the Trustee, within 120 days after the end of each of the Company's fiscal years commencing with the fiscal year ending December 31, 2009, an Officers' Certificate stating that a review of its activities and the activities of its Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing officers with a view to determining whether it has kept, observed, performed and fulfilled its obligations under this Indenture and further stating, as to each such officer signing such certificate, that to the best of his knowledge at the date of such certificate there is no Default or Event of Default that has occurred and is continuing or, if such signers do know of such Default or Event of Default, the certificate shall describe the Default or Event of Default and its status with particularity. The Officers' Certificate shall also notify the Trustee should the Company elect to change the manner in which it fixes its fiscal year end.

(b) The annual financial statements delivered to the Trustee pursuant to Section 4.09 shall be accompanied by a written report of the Company's independent accountants that in conducting their audit of the financial statements which are a part of such annual report or such annual financial statements nothing has come to their attention that would lead them to believe that the Company has violated any provisions of Article Four or Five insofar as they relate to accounting matters or, if any such violation has occurred, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such violation.

(c) So long as any of the Notes are outstanding (i) if any Default or Event of Default has occurred and is continuing or (ii) if any Holder seeks to exercise any remedy hereunder with respect to a claimed Default under this Indenture or the Notes, the Company shall deliver to the Trustee as soon as practicable by registered or certified mail or by telegram, telex or facsimile transmission followed by hard copy by registered or certified mail an Officers' Certificate specifying such event, notice or other action.

Section 4.08 Compliance with Laws. The Company shall comply, and shall cause each of its Restricted Subsidiaries to comply, with all applicable statutes, rules, regulations, orders and restrictions of the United States of America, all states and municipalities thereof, and of any governmental department, commission, board, regulatory authority, bureau, agency and instrumentality of the foregoing, in respect of the conduct of their respective businesses and the ownership of their respective properties, except for such noncompliances as are not in the aggregate reasonably likely to have a material adverse effect on the financial condition or results of operations of the Company and its Restricted Subsidiaries taken as a whole.

Section 4.09 Reports to Holders. Whether or not required by the Commission, so long as any Notes are outstanding, the Company will furnish to the Holders of the Notes and to the Trustee, within the time periods specified in the Commission's rules and regulations including any extension periods available under such rules and regulations and excluding any requirement and time periods applicable to "accelerated filers" (as defined in Rule 12b-2 under the Exchange Act) under such rules and regulations, and make available to securities analysts and potential investors upon request:

43

(1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Company were required to file such Forms, including a "Narrative Analysis of Results of Operations" or "Management's Discussion and Analysis of Financial Condition and Results of Operations," as applicable, and, with respect to the annual information only, a report on the annual financial statements by the Company's certified independent accountants; and

(2) all current reports that would be required to be filed with the Commission on Form 8-K if the Company were required to file such reports.

Notwithstanding the foregoing, the Company shall not be required to furnish any information or reports that are separate from information or reports furnished by Huntsman Corporation, and the requirements specified in this paragraph shall be deemed to be satisfied upon Huntsman Corporation's filing of its required reports within the time periods specified in the Commission's rules and regulations including any extension periods available under such rules and regulations, in each case provided that the assets, liabilities, revenues and net income of Huntsman Corporation are substantially similar to those of the Company at the time of such filing.

If the Company has designated as an Unrestricted Subsidiary any of its Subsidiaries that would constitute a significant subsidiary within the meaning of Regulation S-X under the Exchange Act, then the quarterly and annual financial information required by the preceding paragraph shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes or schedules thereto, or in Narrative Analysis of Results of Operations, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

In the event that any Huntsman Parent Company becomes a Guarantor of the Notes, the Company may satisfy its obligations under this Section 4.09 with respect to financial information relating to the Company by furnishing financial information relating to such Huntsman Parent Company as provided in Section 3-10 of Regulation S-X under the Exchange Act.

Section 4.10 Waiver of Stay, Extension or Usury Laws. The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company from paying all or any portion of the principal of, premium or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the obligations or the performance of this Indenture; and (to the extent that it may lawfully do so) the Company hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 4.11 Limitations on Transactions with Affiliates.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or permit to exist any transaction or series of related transactions with, or for the benefit of, any of its Affiliates (each an “Affiliate Transaction”), other than (x) Affiliate Transactions permitted under paragraph (b) below and (y) Affiliate Transactions on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those terms that might reasonably have been obtained in a comparable transaction at such time on an arm’s-length basis by the Company or the relevant Restricted Subsidiary and an unrelated Person. The Board of Managers of the Company or the Board of Managers of the relevant Restricted Subsidiary must approve each Affiliate Transaction to which they are a party that involves aggregate payments or other property with a Fair Market Value in excess of \$25.0 million. This approval must be evidenced by a Board Resolution that states that the applicable Board of Managers has determined that the transaction complies with the foregoing provisions. If the Company or any Restricted Subsidiary of the Company enters into an Affiliate Transaction that involves an aggregate Fair Market Value of more than \$50.0 million, then prior to the consummation of the Affiliate Transaction, the parties to such Affiliate Transaction must obtain a favorable opinion as to the fairness of such transaction or series of related transactions to the Company or the relevant Restricted Subsidiary, as the case may be, from a financial point of view, from an Independent Financial Advisor and file the same with the Trustee.

(b) The restrictions set forth in clause (a) shall not apply to (i) reasonable fees and compensation paid to and indemnity provided on behalf of, officers, directors, manager, employees or consultants of the Company or any Restricted Subsidiary of the Company as determined in good faith by the Company’s Board of Managers or senior management; (ii) transactions exclusively between or among the Company and any of its Restricted Subsidiaries or exclusively between or among such Restricted Subsidiaries, provided such transactions are not otherwise prohibited by this Indenture; (iii) any agreement as in effect as of the Issue Date or any amendment thereto or any transaction contemplated thereby or in any replacement agreement thereto so long as any such amendment or replacement agreement is not more disadvantageous to the Holders in any material respect than the original agreement; (iv) Permitted Investments and Restricted Payments made in compliance with Section 4.03; (v) transactions between or among any of the Company, any of its Subsidiaries and any Securitization Entity in connection with a Qualified Securitization Transaction, in each case provided that such transactions are not otherwise prohibited by this Indenture; (vi) transactions with distributors or other purchases or sales of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which when taken together are fair to the Company or the Restricted Subsidiaries as applicable, in the reasonable determination of the Board of Managers of the Company or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party and (vii) Guarantees by the Company or a Guarantor incurred in accordance with clause (xxii) of the definition of Permitted Indebtedness.

Section 4.12 Limitation on Incurrence of Additional Indebtedness. The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume, guarantee, acquire, become liable, contingently or otherwise, with respect to, or

otherwise become responsible for payment of (collectively, “incur”) any Indebtedness (other than Permitted Indebtedness); provided, however, if no Default or Event of Default shall have occurred and be continuing at the time of or as a consequence of the incurrence of any such Indebtedness, the Company and its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness) in each case if on the date of the incurrence of such Indebtedness, after giving effect to the incurrence thereof, the Consolidated Fixed Charge Coverage Ratio of the Company is greater than 2.0 to 1.0.

Section 4.13 Limitation on Dividend and Other Payment Restrictions Affecting Subsidiaries. The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create or otherwise cause or permit to exist or become effective any encumbrance or restriction on the ability of any Restricted Subsidiary of the Company to (a) pay dividends or make any other distributions on or in respect of its Capital Stock; (b) make loans or advances or to pay any Indebtedness or other obligation owed to the Company or any other Restricted Subsidiary of the Company; or (c) transfer any of its property or assets to the Company or any other Restricted Subsidiary of the Company, except for such encumbrances or restrictions existing under or by reason of: (1) applicable law, rules, regulations and/or orders; (2) this Indenture (including, without limitation, any Liens permitted hereunder); (3) customary non-assignment provisions of any contract or any lease governing a leasehold interest of the Company or any Restricted Subsidiary of the Company; (4) any agreements existing at the time of any merger or consolidation with any Person, acquisition of any Person or the properties or assets of such Person (including agreements governing Acquired Indebtedness), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person or the properties or assets of the Person merged or consolidated with or so acquired or any Subsidiary of such Person; (5) agreements existing on the Issue Date to the extent and in the manner such agreements are in effect on such date and any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings thereof, provided that such amendments, modifications, restatements, increases, supplements, refundings, replacements or refinancings are no more restrictive (as determined by the Board of Managers of the Company in their reasonable and good faith judgment) in any material respect, taken as a whole, with respect to such dividend and other payment restrictions than those contained in such agreements or instruments as in effect on the Issue Date; (6) restrictions imposed by any agreement to sell assets or Capital Stock permitted under this Indenture to any Person pending the closing of such sale; (7) any agreement or instrument governing Capital Stock of any Person that is acquired; (8) Indebtedness or other contractual requirements of a Securitization Entity in connection with a Qualified Securitization Transaction; provided that such restrictions apply only to such Securitization Entity; (9) Liens incurred in accordance with the covenant described under Section 4.18; (10) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business; (11) the Credit Facilities; (12) any restriction under an

agreement governing Indebtedness of a Foreign Subsidiary permitted under Section 4.12; (13) customary restrictions in Capitalized Lease Obligations, security agreements or mortgages securing Indebtedness of the Company or a Restricted Subsidiary to the extent such restrictions restrict the transfer of the property subject to such Capitalized Lease Obligations, security agreements or mortgages; (14)

customary provisions in joint venture agreements and other similar agreements (in each case relating solely to the respective joint venture or similar entity or the equity interests therein) entered into in the ordinary course of business; (15) contracts entered into in the ordinary course of business, not relating to Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary in any manner material to the Company or any Restricted Subsidiary; and (16) an agreement governing Indebtedness incurred to Refinance the Indebtedness issued, assumed or incurred pursuant to an agreement referred to in clause (2), (4), (5), (8), (11), (12) or (13) above; provided, however, that the provisions relating to such encumbrance or restriction contained in any such Indebtedness are no less favorable to the Company in any material respect as determined by the Board of Managers of the Company in their reasonable and good faith judgment than the provisions relating to such encumbrance or restriction contained in agreements referred to in such clause (2), (4), (5), (8), (11), (12) or (13).

Section 4.14 Change of Control.

(a) Upon the occurrence of a Change of Control, each Holder will have the right to require that the Company purchase all or a portion (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder's Notes in cash pursuant to the offer described below (the "Change of Control Offer"), at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase.

(b) [Reserved]

(c) Within 30 days following the date on which a Change of Control occurs (the "Change of Control Date"), the Company shall send, by first class mail, postage prepaid, a notice to each Holder of Notes at their last registered address and the Trustee, which notice shall govern the terms of the Change of Control Offer. The notice to the Holders shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Change of Control Offer. Such notice shall state:

(1) that the Change of Control Offer is being made pursuant to Section 4.14 of this Indenture and that all Notes validly tendered and not withdrawn will be accepted for payment;

(2) the purchase price (including the amount of accrued interest, if any) and the purchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law) (the "Change of Control Payment Date");

(3) that any Note not tendered will continue to accrue interest;

(4) that, unless the Company defaults in making payment therefor, any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest after the Change of Control Payment Date;

(5) that Holders electing to have a Note purchased pursuant to a Change of Control Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent and Registrar for the Notes at the address specified in the notice prior to the close of business on the third Business Day prior to the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the second Business Day prior to the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(7) that Holders whose Notes are purchased only in part will be issued new Notes in a principal amount equal to the unpurchased portion of the Notes surrendered; provided, however, that each Note purchased and each new Note issued shall be in a principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof; and

(8) the circumstances and relevant facts regarding such Change of Control.

(d) On or before the Change of Control Payment Date, the Company shall (i) accept for payment Notes or portions thereof (in minimum principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof) validly tendered pursuant to the Change of Control Offer, (ii) deposit with the Paying Agent in accordance with Section 2.14 cash sufficient to pay the purchase price plus accrued and unpaid interest, if any, of all Notes to be purchased and (iii) deliver to the Trustee Notes so accepted together with an Officers' Certificate stating the Notes or portions thereof being purchased by the Company. Upon receipt by the Paying Agent of the monies specified in clause (ii) above and a copy of the Officers' Certificate specified in clause (iii) above, the Paying Agent shall promptly pay to the Holders of Notes so accepted payment in an amount equal to the purchase price plus accrued and unpaid interest, if any, out of the funds deposited with the Paying Agent in accordance with the preceding sentence. The Trustee shall promptly authenticate

and mail or cause to be transferred by book-entry to such Holders new Notes equal in principal amount to any unpurchased portion of the Notes surrendered, provided that each such new Note will be in a principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof. Upon the payment of the purchase price for the Notes accepted for purchase, the Trustee shall return the Notes purchased to the Company for cancellation. Any monies remaining after the purchase of Notes pursuant to a Change of Control Offer shall be returned within three Business Days by the Trustee to the Company except with respect to monies owed as obligations to the Trustee pursuant to Article Seven. For purposes of this Section 4.14, the Trustee shall act as the Paying Agent for the Notes.

(e) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such rule,

48

laws and regulations are applicable in connection with the purchase of the Notes pursuant to a Change of Control Offer. To the extent the provisions of any securities laws and regulations conflict with the provisions of this Indenture relating to a Change of Control Offer, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations relating to such Change of Control Offer by virtue thereof.

(f) The Company will not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture with respect to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

Section 4.15 Limitation on Asset Sales.

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale unless (i) the Company or the applicable Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets sold or otherwise disposed of as determined in good faith by the Company's Board of Managers; and (ii) at least 75% (or, in the case of an Asset Sale consisting of assets used or useful in a business similar or related to the Pigments business of the Company and its Subsidiaries, 65%) of the consideration received by the Company or the applicable Restricted Subsidiary from such Asset Sale shall be in the form of cash or Cash Equivalents, and is received at the time of the Asset Sale (which shall be deemed to include other consideration converted to cash or Cash Equivalents within 90 days of such Asset Sale).

(b) For the purposes of paragraph (a) above, the amount of any liabilities shown on the most recent applicable balance sheet of the Company or the applicable Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes, that are assumed by the transferee of any such assets will be deemed to be cash for purposes of such provision.

(c) Upon the consummation of an Asset Sale, the Company may apply, or cause such applicable Restricted Subsidiary to apply, the Net Cash Proceeds relating to such Asset Sale within 415 days of having received the Net Cash Proceeds:

(i) to prepay any Senior Debt of the Company or a Guarantor or any Indebtedness of a Restricted Subsidiary that is not a Guarantor and, in the case of any such Indebtedness under any revolving credit facility, effect a permanent reduction in the availability under such revolving credit facility, and/or

(ii) to make an investment in or expenditures for properties and assets (including Capital Stock of any entity) that replace the properties and assets that were the subject of the Asset Sale or in properties and assets (including Capital Stock of any entity) that will be used in the business of the Company and its Subsidiaries as existing

49

on the Issue Date or in businesses reasonably related thereto ("Replacement Assets") and/or

(iii) make an acquisition of all of the capital stock or assets of any Person or division conducting a business reasonably related to that of the Company or its Subsidiaries. On the 416th day after an Asset Sale or any earlier date, if any, on which the Board of Managers of the Company or of the applicable Restricted Subsidiary determines not to apply the Net Cash Proceeds in accordance with the above provisions of this clause (c) (each, a "Net Proceeds Offer Trigger Date"), such aggregate amount of Net Cash Proceeds which have not been applied or contractually committed to be applied (and to the extent not subsequently applied, the Net Proceeds Offer Trigger Date related thereto shall be deemed to be the date of termination of such contractual commitment or any earlier date, if any, on which the Board of Managers of the Company or the board of the applicable Restricted Subsidiary determines not to apply the Net Cash Proceeds in accordance with such contractual commitment) on or before such Net Proceeds Offer Trigger Date as permitted by the above provisions of this clause (c) (the "Net Proceeds Offer Amount") shall be applied by the Company or such Restricted Subsidiary to make an offer to purchase (or repay, prepay or redeem, as the case may be) (the "Net Proceeds Offer") on a date (the "Net Proceeds Offer Payment Date") that is not less than 30 nor more than 45 days following the applicable Net Proceeds Offer Trigger Date, from all Holders and all holders of Indebtedness that is equal in right of payment with the Notes and contains provisions requiring that an offer to purchase such other Indebtedness be made with the proceeds of the Asset Sale, on a pro rata basis, the maximum principal amount of Notes and other Indebtedness that may be purchased with the Net Proceeds Offer Amount. Notwithstanding the foregoing, the obligation to make a Net Proceeds Offer shall be suspended until such time as the aggregate amount of the Net Proceeds Offer Amount is equal to or

exceeds \$75 million. The offer price in any Net Proceeds Offer will be equal to 100% of the principal value of the Notes to be purchased, plus any accrued and unpaid interest to the date of purchase. The following events will be deemed to constitute an Asset Sale and the Net Cash Proceeds for such Asset Sale must be applied in accordance with this Section 4.15: in the event any non-cash consideration received by the Company or any Restricted Subsidiary of the Company in connection with any Asset Sale is converted into or sold or otherwise disposed of for cash (other than interest received with respect to any such non-cash consideration), or in the event of the transfer of substantially all (but not all) of the property and assets of the Company and its Restricted Subsidiaries as an entirety to a Person in a transaction permitted under Section 5.01 and as a result thereof the Company is no longer an obligor on the Notes, the successor corporation shall be deemed to have sold the properties and assets of the Company and its Restricted Subsidiaries not so transferred for purposes of this Section 4.15, and shall comply with the provisions of this covenant with respect to such deemed sale as if it were an Asset Sale. In addition, the Fair Market Value of such properties and assets of the Company or its Restricted Subsidiaries deemed to be sold shall be deemed to be Net Cash Proceeds for purposes of this Section 4.15.

(d) Notwithstanding the immediately preceding paragraphs, the Company and

50

its Restricted Subsidiaries may consummate an Asset Sale without complying with such paragraphs to the extent (i) at least 75% of the consideration for such Asset Sale constitutes Replacement Assets and (ii) such Asset Sale is for Fair Market Value; provided, however, that any consideration that does not constitute Replacement Assets that is received by the Company or any of its Restricted Subsidiaries in connection with any Asset Sale permitted under this paragraph shall constitute Net Cash Proceeds and will be subject to the provisions described in the preceding paragraphs.

(e) Each notice of a Net Proceeds Offer pursuant to this Section 4.15 shall be mailed, by first-class mail, by the Company to Holders of Notes at their last registered address not more than 30 days following the Net Proceeds Offer Trigger Date, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Net Proceeds Offer and shall state the following terms:

(1) that the Net Proceeds Offer is being made pursuant to Section 4.15 of this Indenture, that all Notes tendered will be accepted for payment; provided, however, that if the aggregate principal amount of Notes tendered in a Net Proceeds Offer plus accrued interest at the expiration of such offer exceeds the aggregate amount of the Net Proceeds Offer, the Company shall select the Notes to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$2,000 or integral multiples of \$1,000 in excess thereof shall be purchased) and that the Net Proceeds Offer shall remain open for a period of 20 Business Days or such longer periods as may be required by law;

(2) the purchase price (including the amount of accrued interest) and the Net Proceeds Offer Payment Date (which shall be not less than 30 nor more than 45 days following the applicable Net Proceeds Offer Trigger Date and which shall be at least five Business Days after the Trustee receives notice thereof from the Company);

(3) that any Note not tendered will continue to accrue interest;

(4) that, unless the Company defaults in making payment therefor, any Note accepted for payment pursuant to the Net Proceeds Offer shall cease to accrue interest after the Net Proceeds Offer Payment Date;

(5) that Holders electing to have a Note purchased pursuant to a Net Proceeds Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" on the reverse of the Note completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day prior to the Net Proceeds Offer Payment Date;

(6) that Holders will be entitled to withdraw their election if the

51

Paying Agent receives, not later than the second Business Day prior to the Net Proceeds Offer Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Notes the holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased; and

(7) that Holders whose Notes are purchased only in part will be issued new Notes in a principal amount equal to the unpurchased portion of the Note surrendered; provided, however, that each new Note issued shall be in an original principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof.

On or before the Net Proceeds Offer Payment Date, the Company shall (i) accept for payment Notes or portions thereof (in minimum principal amount of \$2,000 or integral multiples of \$1,000 in excess thereof validly tendered pursuant to the Net Proceeds Offer, (ii) deposit with the Paying Agent, in accordance with Section 2.14, U.S. Legal Tender sufficient to pay the purchase price plus accrued and unpaid interest, if any, of all Notes to be purchased and (iii) deliver to the Trustee Notes so accepted together with an Officers' Certificate stating the Notes or portions thereof being purchased by the Company. Upon receipt by the Paying Agent of the monies specified in clause (ii) above and a copy of the Officers' Certificate specified in clause (iii) above, the Paying Agent shall

promptly pay to the Holders of Notes so accepted payment in an amount equal to the purchase price plus accrued and unpaid interest, if any, out of the funds deposited with the Paying Agent in accordance with the preceding sentence. The Trustee shall promptly authenticate and mail to such Holders new Notes equal in principal amount to any unpurchased portion of the Notes surrendered. Upon the payment of the purchase price for the Notes accepted for purchase, the Trustee shall cancel such Notes pursuant to Section 2.11 of this Indenture. Any monies remaining after the purchase of Notes pursuant to a Net Proceeds Offer shall be returned within three Business Days by the Trustee to the Company except with respect to monies owed as obligations to the Trustee pursuant to Article Seven. For purposes of this Section 4.15, the Trustee shall act as the Paying Agent for the Notes.

To the extent the amount of Notes tendered pursuant to any Net Proceeds Offer is less than the amount of Net Cash Proceeds subject to such Net Proceeds Offer, the Company may use any remaining portion of such Net Cash Proceeds not required to fund the repurchase of tendered Notes for general corporate purposes and such Net Proceeds Offer Amount shall be reset to zero.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such rule, laws and regulations are applicable in connection with the repurchase of Notes pursuant to a Net Proceeds Offer. To the extent the provisions of any securities laws and regulations conflict with the provisions of this Indenture relating to a Net Proceeds Offer, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations relating to such Net Proceeds Offer by virtue thereof.

Section 4.16 [Reserved].

52

Section 4.17 Limitation on Preferred Stock of Restricted Subsidiaries. The Company will not permit any of its Restricted Subsidiaries to issue any Preferred Stock (other than to the Company or to another Restricted Subsidiary of the Company) or permit any Person (other than the Company or a Restricted Subsidiary of the Company) to own any Preferred Stock of any Restricted Subsidiary of the Company; provided, however, that any Person that is not a Restricted Subsidiary of the Company may issue Preferred Stock to equity holders of such Person in exchange for equity interests if after such issuance such Person becomes a Restricted Subsidiary of the Company.

Section 4.18 Limitation on Liens. The Company shall not, and shall not permit any of its Restricted Subsidiaries to create, incur, or otherwise cause or suffer to exist or become effective any Liens of any kind upon any property or assets of the Company or any Restricted Subsidiary now owned or hereafter acquired, which secures Subordinated Indebtedness unless such Indebtedness is incurred in accordance with this Indenture and the Notes are secured on an equal and ratable basis with the obligations so secured until such time as such obligation is no longer secured by a Lien; provided that any such Lien shall be subordinated to the Lien granted to the Holders in the same collateral as that securing such Lien to the same extent as such Subordinated Indebtedness is subordinated to the Notes.

Section 4.19 Limitation of Guarantees by Restricted Subsidiaries. The Company will not permit any of its Restricted Subsidiaries, directly or indirectly, by way of the pledge of any intercompany note or otherwise, to assume, guarantee or in any other manner become liable with respect to any Indebtedness of the Company or any other Restricted Subsidiary (other than (A) Indebtedness under Commodity Agreements and Currency Agreements in reliance on clause (v) of the definition of Permitted Indebtedness, (B) Interest Swap Obligations incurred in reliance on clause (iv) of the definition of Permitted Indebtedness, (C) any guarantee by a Foreign Subsidiary of Indebtedness of another Foreign Subsidiary permitted under Section 4.12), or (D) any guarantee of Acquired Indebtedness of a person by any Subsidiary of such person which guarantee constitutes Acquired Indebtedness, unless, in any such case (a) such Restricted Subsidiary that is not a Guarantor executes and delivers a supplemental indenture to this Indenture, providing a Guarantee by such Restricted Subsidiary, (b) if any such assumption, guarantee or other liability by such Restricted Subsidiary is provided in respect of Senior Indebtedness, then the guarantee or other instrument provided by such Restricted Subsidiary in respect of such Senior Indebtedness shall be pari passu in right of payment with the Guarantees and (c) any such assumption, guarantee or other liability of such Restricted Subsidiary that is provided in respect of Subordinated Indebtedness shall be subordinated to the Guarantees in a manner substantially similar to the manner in which such Subordinated Indebtedness is subordinated.

Section 4.20 Conduct of Business. The Company and its Restricted Subsidiaries (other than a Securitization Entity) will not engage in any businesses which are not the same, similar or related to the businesses in which the Company and its Restricted Subsidiaries were engaged on the Issue Date, except to the extent that after engaging in any new business, the Company and its Restricted Subsidiaries, taken as a whole, remain substantially engaged in similar lines of business as were conducted by them on the Issue Date.

53

Section 4.21 Covenant Termination. After such time as (i) the Notes have been assigned an Investment Grade Rating by either Rating Agency (the "Investment Grade Rating Date") and (ii) no Default or Event of Default under this Indenture shall have occurred and be continuing, and notwithstanding that the Notes may later cease to have an Investment Grade Rating by any Rating Agency, the Company and its Restricted Subsidiaries shall no longer be subject to the following sections: Section 4.03, Section 4.11, Section 4.12, Section 4.13, Section 4.15, Section 4.17, Section 4.19, Section 4.20 and Section 5.01(a)(iii) or (c)(iii). Notice of such covenant termination shall be provided in writing to the Trustee.

ARTICLE V SUCCESSOR CORPORATION

Section 5.01 Merger, Consolidation and Sale of Assets.

(a) The Company shall not, in a single transaction or a series of related transactions, consolidate or merge with or into any Person, or sell, transfer or otherwise dispose of (or permit any Restricted Subsidiary of the Company to sell, assign, transfer, lease, convey or otherwise dispose of) all or substantially all of the Company's assets (determined on a consolidated basis for the Company and its Restricted Subsidiaries), unless:

(i) either (1) the Company shall be the surviving or continuing entity or (2) the Person (if other than the Company) formed by such consolidation or merger shall be an entity organized and validly existing under the laws of the United States or any State thereof or the District of Columbia (the "Surviving Entity")

(ii) the Surviving Entity, if any, expressly assumes, by supplemental indenture (in form and substance satisfactory to the Trustee), all rights and obligations of the Company under the Notes and this Indenture;

(iii) immediately after giving effect to such transaction either (a) the Company or the Surviving Entity shall be able to incur at least \$1.00 of additional Indebtedness (other than Permitted Indebtedness) pursuant to Section 4.12 or (b) the Consolidated Fixed Charge Coverage Ratio of the Company or the Surviving Entity would be greater than the Consolidated Fixed Charge Coverage Ratio of the Company determined immediately prior to such transaction;

(iv) immediately before and after giving effect to such transaction, including the assumption of the Notes, no Default or Event of Default occurred or exists; and

(v) the Company or the Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent in this Indenture relating to such transaction have been satisfied.

(b) For purposes of this Section 5.01, the transfer (by lease, assignment, sale

or otherwise, in a single transaction or series of related transactions) of all or substantially all of the properties and assets of one or more Restricted Subsidiaries of the Company, the Capital Stock of which constitutes all or substantially all of the properties or assets of the Company, will be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(c) Each Guarantor (other than any Guarantor whose Guarantee is to be released in accordance with the terms of the Guarantee and this Indenture in connection with any transaction complying with the provisions of Section 4.15) will not, and the Company will not cause or permit any Guarantor to, consolidate with or merge with or into any Person other than the Company or any other Guarantor unless: (i) the entity formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, lease, conveyance or other disposition shall have been made assumes by supplemental indenture all of the obligations of the Guarantor on its Guarantee; (ii) immediately after giving effect to such transaction, no Default or Event of Default shall have occurred and be continuing; and (iii) immediately after giving effect to such transaction and the use of any net proceeds therefrom on a pro forma basis, the Company could satisfy the provisions of Section 5.01(a)(iii). Any merger or consolidation of a Guarantor with and into the Company (with the Company being the surviving entity) or another Guarantor need not comply with clause (a) above.

Notwithstanding anything in this Section 5.01 to the contrary, (a) the Company may merge with an Affiliate that has no material assets or liabilities and that is incorporated or organized solely for the purpose of reincorporating or reorganizing the Company in another state of the United States or the District of Columbia without complying with Section 5.01(a)(iii) and (b) any transaction characterized as a merger under applicable state law where each of the constituent entities survives, shall not be treated as a merger for purposes of this covenant, but shall instead be treated as (x) an Asset Sale, if the result of such transaction is the transfer of assets by the Company or a Restricted Subsidiary, or (y) an Investment, if the result of such transaction is the acquisition of assets by the Company or a Restricted Subsidiary.

Section 5.02 Successor Corporation Substituted. Upon any consolidation, combination or merger, or any transfer of all or substantially all of the assets of the Company in accordance with Section 5.01 in which the Company is not the Surviving Entity, the successor Person formed by such consolidation or into which the Company is merged or to which such conveyance, lease or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture and the Notes with the same effect as if such Surviving Entity had been named as such.

ARTICLE VI DEFAULT AND REMEDIES

Section 6.01 Events of Default. Each of the following shall be an "Event of Default":

(1) the failure to pay interest any Notes when the same becomes due and payable and such Default continues for a period of 30 days;

(2) the failure to pay principal on any Notes, when such principal becomes due and payable, at maturity, upon redemption or otherwise (including the failure to make a payment when due to purchase the Notes tendered pursuant to a

Change of Control Offer or a Net Proceeds Offer);

(3) the failure of the Company or any Guarantor to comply with any covenant or agreement contained in this Indenture, which default continues for a period of 60 days after the Company receives a written notice specifying the default (or 120 days after such a notice in the event of a Default under Section 4.09) (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes (including any Additional Notes subsequently issued under this Indenture) (except in the case of a default with respect to Section 5.01, which will constitute an Event of Default with such notice requirement but without such passage of time requirement);

(4) the occurrence of any default under any agreement governing Indebtedness of the Company or any of its Restricted Subsidiaries, if that default: (A) is caused by the failure to pay at final maturity the principal amount of any Indebtedness after giving effect to any applicable grace periods and any extensions of time for payment of such Indebtedness; or (B) results in the acceleration of the final stated maturity of any such Indebtedness, and in each case if the aggregate principal amount of such Indebtedness unpaid or accelerated aggregates \$100.0 million or more at any time, and in each case such Indebtedness has not been discharged in full or such acceleration has not been rescinded or annulled within 30 days of such final maturity or acceleration;

(5) the failure of the Company or any of the Guarantors to pay or otherwise discharge or stay one or more judgments in an aggregate amount exceeding \$100.0 million (which are not covered by indemnities or third party insurance as to which the Person giving such indemnity or such insurer has not disclaimed coverage) for a period of 60 days after such judgments become final and non-appealable;

(6) the Company or any Restricted Subsidiary which is also a Significant Subsidiary (A) commences a voluntary case or proceeding under any Bankruptcy Law with respect to itself, (B) consents to the entry of a judgment, decree or order for relief against it in an involuntary case or proceeding under any Bankruptcy Law, (C) consents to the appointment of a custodian of it or for substantially all of its property, (D) consents to or acquiesces in the institution of a bankruptcy or an insolvency proceeding against it or (E) makes a general assignment for the benefit of its creditors;

(7) a court of competent jurisdiction enters a judgment, decree or order for relief in respect of the Company or any Restricted Subsidiary which is also a Significant Subsidiary in an involuntary case or proceeding under any Bankruptcy Law, which shall (A) approve as properly filed a petition seeking reorganization, arrangement, adjustment or composition in respect of the Company or any Significant Subsidiary, (B) appoint a custodian of the Company or any Significant Subsidiary or for substantially all

of its property or (C) order the winding-up or liquidation of its affairs; and such judgment, decree or order shall remain unstayed and in effect for a period of 60 consecutive days; or

(8) the failure of any Guarantee of any Significant Subsidiary of the Company to be in full force and effect (other than as provided in accordance with the terms of such Guarantee and this Indenture) or any of the Guarantors denies its liability under its Guarantee.

Section 6.02 Acceleration.

(a) If an Event of Default of the type described in Section 6.01(6) or (7) occurs with respect to the Company and is continuing, then all unpaid principal of, and premium, if any, and accrued and unpaid interest on all of the outstanding Notes (including any Additional Notes subsequently issued under this Indenture) will become immediately due and payable without further action or notice. If any other Event of Default occurs and is continuing, then the Trustee or the Holders of at least 25% in principal amount of outstanding Notes (including any Additional Notes subsequently issued under this Indenture) may declare the principal of and accrued interest on all the Notes to be due and payable by notice in writing (the "Acceleration Notice") to the Company and the Trustee, which notice must also specify that it is a "notice of acceleration."

(b) At any time after a declaration of acceleration with respect to the Notes as described in Section 6.02(a), the Holders of a majority in principal amount of the Notes (including any Additional Notes) may rescind and cancel such declaration and its consequences:

(1) if the rescission would not conflict with any judgment or decree;

(2) if all existing Events of Default have been cured or waived except nonpayment of principal or interest that has become due solely because of the acceleration;

(3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid;

(4) if the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its expenses, disbursements and advances; or

(5) in the event of the cure or waiver of an Event of Default of the type described in Section 6.01(6) or (7), the Trustee shall have received an Officers' Certificate that such Event of Default has been cured or waived.

No such rescission shall affect any subsequent Default or impair any right consequent thereto.

Section 6.03 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, premium, if any, or accrued and unpaid interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Noteholder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults. Subject to Sections 6.07 and 9.02, the Holders of a majority in aggregate principal amount of the Notes (including the aggregate principal amount of any Additional Notes subsequently issued under this Indenture) by notice to the Trustee may waive any existing Default or Event of Default hereunder and its consequences, except a Default in the payment of the principal of or interest on any Note as specified in clauses (1) and (2) of Section 6.01; provided that a Default or Event of Default due to failure to comply with Section 4.09 shall be deemed to be cured upon filing by the Company (or, if applicable, Huntsman Corporation) of the reports in compliance with Section 4.09.

Section 6.05 Control by Majority. Subject to Section 2.09, the Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on it, including, without limitation, any remedies provided for in Section 6.03. Subject to Section 7.01, however, the Trustee may, in its discretion, refuse to follow any direction that conflicts with any law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of another Holder (it being understood that the Trustee shall have no duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders) or that may involve the Trustee in personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee, in its discretion, that is not inconsistent with such direction.

Prior to taking any action hereunder, the Trustee shall be entitled to indemnification by the Holders satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action

Section 6.06 Limitation on Suits. A Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

- (1) the Holder gives to the Trustee notice of a continuing Event of Default;
- (2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holders offer to the Trustee indemnity or security against any loss, liability or expense to be incurred in compliance with such request which is satisfactory to the Trustee;

(4) the Trustee does not comply with the request within 45 days after receipt of the request and the offer of satisfactory indemnity or security; and

(5) during such 45-day period the Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee a direction which, in the opinion of the Trustee, is inconsistent with the request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over such other Holder.

Section 6.07 Rights of Holders To Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, premium and interest on a Note, on or after the respective due dates expressed in such Note, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee. If an Event of Default in payment of principal or interest specified in clause (1) or (2) of Section 6.01 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company or any other obligor on the Notes for the whole amount of principal and accrued interest remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful, interest on overdue installments of interest at the rate set forth in the Notes and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation,

expenses, taxes, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relating to the Company or any other obligor upon the Notes, any of their respective creditors or any of their respective property, and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same, and any custodian in any such judicial proceedings is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, taxes, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. The Company's payment obligations under this Section 6.09 shall be secured in accordance with the provisions of Section 7.07. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any

plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 Priorities. If the Trustee collects any money or property pursuant to this Article Six, it shall pay out the money in the following order:

First: to the Trustee, its agents and attorneys for amounts due under Sections 6.09 and 7.07;

Second: if the Holders are forced to proceed against the Company directly without the Trustee, to Holders for their collection costs;

Third: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Fourth: to the Company or any other obligor on the Notes, as their interests may appear, or as a court of competent jurisdiction may direct.

The Trustee, upon prior notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.06 or 6.07.

Section 6.12 Expenses and Services After an Event of Default. When the Trustee incurs expenses or renders services after the occurrence of an Event of Default described in this Article VI, the expenses and compensation for services are intended to constitute expenses of administration under any bankruptcy law.

ARTICLE VII TRUSTEE

Section 7.01 Duties of Trustee.

(a) If a Default or an Event of Default has occurred and is continuing, the Trustee shall exercise such rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise thereof as a prudent Person would exercise or use under

the circumstances in the conduct of its own affairs.

(b) Except during the continuance of a Default or an Event of Default:

(1) The Trustee need perform only those duties as are specifically set forth in this Indenture or the TIA and no duties, covenants, responsibilities or obligations shall be implied in this Indenture that are adverse to the Trustee.

(2) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates (including Officers' Certificates) or opinions (including Opinions of Counsel) furnished to the Trustee and conforming to the requirements of this Indenture. However, as to any certificates or opinions which are required by any provision of this Indenture to be delivered or provided to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture but need not confirm or investigate the accuracy or mathematical calculations or other facts stated therein or otherwise verify the contents thereof.

(c) Notwithstanding anything to the contrary herein contained, the Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of paragraph (b) of this Section 7.01.

(2) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(3) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c) and (d) of this Section 7.01.

(f) The Trustee shall not be liable for interest on any money or assets received by it except as the Trustee may agree with the Company. Assets held in trust by the Trustee need not be segregated from other assets except to the extent required by law.

61

Section 7.02 Rights of Trustee. Subject to Section 7.01:

(a) In the absence of bad faith, negligence or willful misconduct on the part of the Trustee, the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may consult with counsel and may require an Officers' Certificate or an Opinion of Counsel, which shall conform to Sections 13.04 and 13.05. The Trustee shall not be liable for and shall be fully protected in respect of any action it takes or omits to take in good faith in reliance on such Officers' Certificate, or an Opinion of Counsel or advice of counsel.

(c) The Trustee shall not be liable for any action that it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers.

(d) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officers' Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled, upon reasonable notice to the Company, to examine the books, records, and premises of the Company, personally or by agent or attorney.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders of the Notes pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which may be incurred by it in compliance with such request, order or direction.

(f) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability with respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(g) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(h) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

62

(i) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys or independent contractors and the Trustee will not be responsible for any misconduct or negligence on the part of any agent, attorney or independent contractor appointed with due care by it hereunder.

(j) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer

of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(k) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(l) The Trustee may request that the Company deliver an incumbency certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which incumbency certificate may be signed by any Person authorized to sign an incumbency certificate, including any Person as so authorized in any such certificate previously delivered and not superseded.

Section 7.03 Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company, any Restricted or Unrestricted Subsidiary, or their respective Affiliates, with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer. The Trustee makes no representation as to the validity or adequacy of this Indenture or the Notes, and it shall not be accountable for the Company's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or the Notes other than the certificate of authentication.

Section 7.05 Notice of Default. If a Default or an Event of Default occurs and is continuing and if the Trustee has actual knowledge of such Default or Event of Default, the Trustee shall mail to each Noteholder notice of the uncured Default or Event of Default on the later of (i) 60 days after such Default or Event of Default occurs or (ii) 10 days after the Trustee has actual knowledge of such Default or Event of Default. Except in the case of a Default or an Event of Default in the payment of interest or principal of, premium or interest on, any Note, including an accelerated payment and the failure to make payment on the Change of Control Payment Date pursuant to a Change of Control Offer or on a Net Proceeds Offer Payment Date pursuant to a Net Proceeds Offer and, except in the case of a failure to comply with Article Five, the Trustee may withhold the notice if and so long as its Responsible Officer(s) in good faith

63

determines that withholding the notice is in the interest of the Holders. The Trustee shall not be deemed to have knowledge of a Default or Event of Default other than (i) any Event of Default occurring pursuant to Sections 6.01(1) or 6.01(2); or (ii) any Default or Event of Default of which a Trust Officer shall have received written notification or obtained actual knowledge. As used herein, the term "actual knowledge" means the actual fact or statement of knowing, without any duty to make any investigation with regard thereto. During the existence of an Event of Default, the Trustee will exercise such rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under the circumstances in the conduct of his own affairs.

Section 7.06 Reports by Trustee to Holders. Within 60 days after April 15 of each year beginning with April 15, 2010, the Trustee shall, to the extent that any of the events described in TIA § 313(a) occurred within the previous twelve months, but not otherwise, mail to each Noteholder a brief report dated as of such date that complies with TIA § 313(a). The Trustee also shall comply with TIA § 313(b) and 313(c).

A copy of each report at the time of its mailing to Holders shall be mailed to the Company and filed with the SEC and each stock exchange, if any, on which the Notes are listed.

The Company shall promptly notify the Trustee if the Notes become listed on any stock exchange, and if the Notes are so listed, the Trustee shall comply with TIA § 313(d).

Section 7.07 Compensation and Indemnity. The Company shall pay to the Trustee from time to time, and the Trustee shall be entitled to, such compensation as may be agreed upon by the Company and the Trustee. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by it in connection with the performance of its duties and the discharge of its obligations under this Indenture. Such expenses shall include the reasonable fees and expenses of the Trustee's agents and counsel.

The Company shall indemnify the Trustee and its agents, employees, officers, stockholders and directors for, and hold them harmless against, any loss, liability or expense including taxes (other than taxes based on the income of the Trustee) and reasonable attorneys' fees and expenses incurred by them except for such actions to the extent caused by any negligence, bad faith or willful misconduct on their part, arising out of or in connection with the acceptance or administration of this trust including the reasonable costs and expenses of defending themselves against or investigating any claim (whether asserted by the Company, and Holder or any other Person) or liability in connection with the exercise or performance of any of the Trustee's rights, powers or duties hereunder. The Trustee shall notify the Company promptly of any claim asserted against the Trustee or any of its agents, employees, officers, stockholders and directors for which it may seek indemnity. Failure by the Company to so notify the Trustee shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee shall cooperate in the defense at the Company's expense. The Trustee and its agents, employees, officers, stockholders and directors subject to the claim may have separate

64

counsel and the Company shall pay the reasonable fees and expenses of such counsel; provided, however, that the Company will not be required to pay such fees and expenses if it assumes the Trustee's defense and there is no conflict of interest between the Company and the Trustee and its agents, employees, officers, stockholders and directors subject to the claim in connection with such defense as reasonably determined by the Trustee; provided, further, that, unless the Company otherwise agrees in writing, the Company shall not be liable to pay the fees and expenses of more than one counsel at any given time located within one particular jurisdiction. The Company need not pay for any settlement made without its written consent which consent shall not be unreasonably withheld. The Company need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through its negligence, bad faith or willful misconduct.

To secure the Company's payment obligations in this Section 7.07, the Trustee shall have a lien prior to the Notes on all assets or money held or collected by the Trustee, in its capacity as Trustee, except assets or money held in trust to pay principal of or interest on particular Notes.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(6) or (7) occurs, such expenses (including the reasonable charges and expenses of its counsel) and the compensation for such services are intended to constitute expenses of administration and shall be paid to the extent allowed under any Bankruptcy Law.

The provisions of this Section shall survive the termination of this Indenture, any rejection or termination of this Indenture under any Bankruptcy Law or the resignation or removal of the Trustee.

Section 7.08 Replacement of Trustee. The Trustee may resign by so notifying the Company in writing at least 30 days in advance. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by so notifying the Company and the Trustee and may appoint a successor Trustee with the Company's consent. A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only with the successor Trustee's acceptance of appointment as provided in this Section. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall notify each Holder of such event and shall promptly appoint a

successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Promptly after that, the retiring Trustee shall transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided in Section 7.07, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Holder.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of at least 10% in aggregate principal amount of the outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09 Successor Trustee by Merger, Etc. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the resulting, surviving or transferee corporation without any further act shall, if such resulting, surviving or transferee corporation is otherwise eligible hereunder, be the successor Trustee; provided, however, that such corporation shall be otherwise qualified and eligible under this Article Seven.

Section 7.10 Eligibility; Disqualification. This Indenture shall always have a Trustee who satisfies the requirement of TIA §§ 310(a)(1) and 310(a)(2). The Trustee (or in the case of a corporation included in a bank holding company system, the related bank holding company) shall have a combined capital and surplus of at least \$100,000,000 as set forth in its most recent published annual report of condition. In addition, if the Trustee is a corporation included in a bank holding company system, the Trustee, independently of such bank holding company, shall meet the capital requirements of TIA § 310(a)(2). The Trustee shall comply with TIA § 310(b); provided, however, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other

notes, or certificates of interest or participation in other notes, of the Company are outstanding, if the requirements for such exclusion set forth in TIA § 310(b)(1) are met. The provisions of TIA § 310 shall apply to the Company and any other obligor of the Notes.

Section 7.11 Preferential Collection of Claims Against the Company. The Trustee shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated

66

therein. The provisions of TIA § 311 shall apply to the Company and any other obligor of the Notes.

ARTICLE VIII DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.01 Termination of the Company's Obligations. This Indenture will be Discharged and will cease to be of further effect and the obligations of the Company and the Guarantors under the Notes and the Guarantees and this Indenture shall terminate (except that the obligations under Sections 2.03 through 2.07, 7.01, 7.02, 7.07 and 7.08 and the rights, powers, trusts, duties and immunities of the Trustee hereunder shall survive the effect of this Article Eight) when (a) either (i) all existing Notes theretofore authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust) have been delivered to the Trustee for cancellation or (ii) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable or will become due and payable within one year (including by way of irrevocable instructions delivered by the Company to the Trustee to effect the redemption of the Notes), and the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of such Notes, cash in U.S. dollars, U.S. Government Obligations or a combination thereof, in amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire Indebtedness on the Notes not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest on the Notes to the date of deposit together with irrevocable instructions from the Company directing the Trustee to apply such Funds to the payment thereof at maturity or redemption, as the case may be; (b) the Company has paid all other sums payable under this Indenture by the Company with respect to the Notes; and (c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture with respect to the Notes have been complied with. All funds that remain unclaimed for one year will be paid to the Company and thereafter Holders must look to the Company for payment as general creditors.

In addition, at the Company's option, either (a) the Company shall be deemed to have been Discharged from any and all obligations with respect to the Notes and the Guarantees ("Legal Defeasance") after the applicable conditions set forth below have been satisfied (except for the obligations of the Company under Sections 2.03, 2.04, 2.06, 2.07, 7.01, 7.02, 7.07 and this Section 8.01) or (b) the Company and its Restricted Subsidiaries shall cease to be under any obligation to comply with any term, provision or condition set forth in Sections 4.03, 4.09 and 4.11 through 4.20 and Section 5.01 and thereafter any omission to comply with such obligations shall not constitute a Default or Event of Default with respect to the Notes ("Covenant Defeasance") after the applicable conditions set forth below have been satisfied:

(1) the Company must irrevocably deposit with the Trustee in trust, for the benefit of the Holders cash in U.S. Dollars or non-callable U.S. government

67

obligations, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, and interest on the Notes on the stated date for payment thereof or on an applicable redemption date;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States of America reasonably acceptable to the Trustee confirming that

(i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or

(ii) since the Issue Date, there has been a change in the applicable United States federal income tax law,

in either case, to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for United States federal income tax purposes as a result of such Legal Defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; provided, however, such Opinion of Counsel shall not be required if all the Notes will become due and payable on the Maturity Date within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States of America reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes

will not recognize income, gain or loss for United States federal income tax purposes as a result of such Covenant Defeasance and will be subject to United States federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Event of Default or Default shall have occurred and be continuing on the date of such deposit (other than any Default arising from the substantially contemporaneous incurrence of Indebtedness to fund the deposit described above in clause (1));

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under this Indenture (other than any Default arising from the substantially contemporaneous incurrence of Indebtedness to fund the deposit described above in clause (1)) or any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(6) the Company shall have delivered to the Trustee an Officers'

68

Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of the Notes over any other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Company or others;

(7) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance have been complied with; and

(8) the Company shall have delivered to the Trustee an Opinion of Counsel, to the effect that either (i) the Company has assigned all its ownership interest in the trust funds to the Trustee or (ii) the Trustee has a valid perfected security interest in the trust funds.

Section 8.02 Acknowledgment of Discharge by Trustee. Subject to Section 8.05, after (i) the conditions of Section 8.01, have been satisfied and (ii) the Company has delivered to the Trustee an Opinion of Counsel, stating that all conditions precedent referred to in clause (i) above relating to the satisfaction and discharge of this Indenture have been complied with, the Trustee upon written request of the Company shall acknowledge in writing the discharge of the Company's obligations under this Indenture except for those surviving obligations specified in this Article Eight.

Section 8.03 Application of Trust Money. The Trustee shall hold in trust Funds deposited with it pursuant to Section 8.01. It shall apply the Funds through the Paying Agent and in accordance with this Indenture to the payment of all the principal of, or premium, if any, and interest on the Notes.

Section 8.04 Repayment to the Company. The Trustee and the Paying Agent shall promptly pay to the Company any Funds held by them for the payment of all the principal of, or premium, if any, and interest that remains unclaimed for one year; provided, however, that the Trustee or such Paying Agent may, at the expense of the Company, cause to be published once in a newspaper of general circulation in the City of New York or mailed to each Holder, notice that such Funds remain unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication or mailing, any unclaimed balance of such Funds then remaining will be repaid to the Company. After payment to the Company, Holders entitled to the Funds must look to the Company for payment as general unsecured creditors unless an applicable abandoned property law designates another Person and all liability of the Trustee and Paying Agent with respect to such Funds shall cease.

Section 8.05 Reinstatement. If the Trustee or Paying Agent is unable to apply any Funds by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01 until such time as the Trustee or Paying

69

Agent is permitted to apply all such Funds in accordance with Section 8.01; provided, however, that if the Company has made any payment of principal, or premium, if any, and interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from Funds held by the Trustee or Paying Agent.

ARTICLE IX AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 9.01 Without Consent of Holders. The Company, when authorized by a Board Resolution, the Guarantors and the Trustee, together, may amend or supplement this Indenture, the Notes or the Guarantees without the consent of any Holders to:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) provide for the assumption of the Company's obligations to Holders of Notes in the case of a merger

or consolidation or sale of all or substantially all of the Company's assets;

- (3) provide for uncertificated Notes in addition to or in place of certificated Notes;
- (4) to add any person as a Guarantor of the Notes or secure the Notes or the Guarantees;
- (5) to comply with requirements of the Commission in order to effect or maintain the qualification of this Indenture under the TIA; or
- (6) to make any change that would provide any additional benefit or rights to the Holders or that does not adversely affect in any material respect the legal rights of any Noteholders hereunder; provided that the Company has delivered to the Trustee an Opinion of Counsel and an Officers' Certificate, each stating that such amendment or supplement complies with the provisions of this Section 9.01.

Section 9.02 With Consent of Holders. Subject to Section 6.07, the Company, when authorized by a Board Resolution, the Guarantors and the Trustee, together, with the written consent (including any electronic communication thereof by a Depository) of the Holder or Holders of at least a majority in principal amount of the then outstanding Notes (including the aggregate principal amount of any Additional Notes subsequently issued under this Indenture) may make all other modifications, waivers and amendments of this Indenture, the Notes or the Guarantees, except that, without the consent of each Holder of Notes affected thereby, no amendment and waiver may, directly or indirectly:

- (1) reduce the amount of Notes whose Holders must consent to an amendment;

70

- (2) reduce the rate of or change the time for payment of interest, including defaulted interest, on any Notes;
- (3) reduce the principal of or change the fixed maturity of any Notes, or change the date on which any Notes may be subject to redemption or repurchase, or reduce the redemption or repurchase price thereof for the Notes;
- (4) make any Notes payable in money other than that stated in the Notes and this Indenture;
- (5) make any change in provisions of this Indenture or the Notes relating to the rights of Holders of Notes to receive payment of principal of and interest on such Notes on or after the due date thereof or to bring suit to enforce such payment or permitting Holders of a majority in principal amount of the Notes to waive Defaults or Events of Default;
- (6) after a Change of Control has occurred, amend, change or modify any provision of this Indenture that would amend, change or modify in any material respect the obligation of the Company to make and complete a Change of Control Offer with respect to such Change of Control or, after an Asset Sale has occurred, amend, change or modify in any material respect the obligation of the Company to make and complete a Net Proceeds Offer with respect to such Asset Sale; or
- (7) release any Guarantor from any of its obligations under its Guarantee or this Indenture otherwise than in accordance with the terms of this Indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective (as provided in Section 9.04), the Company shall mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

Section 9.03 Compliance with TIA. Every amendment, waiver or supplement of this Indenture or the Notes shall comply with the TIA as then in effect.

Section 9.04 Revocation and Effect of Consents. Until an amendment, waiver or supplement becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. Subject to the following paragraph, any such Holder or subsequent Holder may revoke the consent as to his Note or portion of his Note by notice to the Trustee or the Company received before the date on

71

which the Trustee receives an Officers' Certificate certifying that the Holders of the requisite principal amount of Notes have consented (and not theretofore revoked such consent) to the amendment, supplement or waiver (at which time such amendment, supplement or waiver shall become effective).

The Company may, but shall not be obligated to, fix such record date as it may select for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then notwithstanding the last sentence of the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

After an amendment, supplement or waiver becomes effective, it shall bind every Holder, unless it makes a change described in any of clauses (1) through (8) of Section 9.02, in which case, the amendment, supplement or waiver shall bind only each Holder of a Note who has consented to it and every subsequent Holder of a Note or portion of a Note that evidences the same debt as a consenting Holder's Note; provided, however, that any such waiver shall not impair or affect the right of any Holder to receive payment of principal of and interest on a Note, on or after the respective due dates expressed in such Note, or to bring suit for the enforcement of any such payment on or after such respective dates without the consent of such Holder.

Section 9.05 Notation on or Exchange of Notes. If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms.

Section 9.06 Trustee To Sign Amendments, Etc. The Trustee shall execute any amendment, supplement or waiver authorized pursuant to and adopted in accordance with this Article Nine; provided, however, that the Trustee may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture. Such Opinion of Counsel shall not be an expense of the Trustee.

72

ARTICLE X [RESERVED]

ARTICLE XI GUARANTEE OF NOTES

Section 11.01 Unconditional Guarantee. Subject to the provisions of this Article Eleven, each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably guarantees (such guarantees to be referred to herein as the "Guarantee") to each Holder of a Note (including any Additional Notes upon issuance in accordance with Section 2.18) authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company or any other Guarantors to the Holders or the Trustee hereunder or thereunder, that: (a) the principal of, premium, if any, and interest on the Notes (and any Additional Interest payable thereon) shall be duly and punctually paid in full when due, whether at maturity, upon redemption at the option of Holders pursuant to the provisions of the Notes relating thereto, by acceleration or otherwise, and interest on the overdue principal and (to the extent permitted by law) interest, if any, on the Notes and all other obligations of the Company or the Guarantors to the Holders or the Trustee hereunder or thereunder (including amounts due the Trustee under Section 7.07 hereof) and all other obligations shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed, or failing performance of any other obligation of the Company to the Holders under this Indenture or under the Notes, for whatever reason, each Guarantor shall be obligated to pay, or to perform or cause the performance of, the same immediately. An Event of Default under this Indenture or the Notes shall constitute an event of default under this Guarantee, and shall entitle the Holders of Notes to accelerate the obligations of the Guarantors hereunder in the same manner and to the same extent as the obligations of the Company.

Each of the Guarantors hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Company, any action to enforce the same, whether or not a Guarantee is affixed to any particular Note, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each of the Guarantors hereby waives the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that its Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes, this Indenture and this Guarantee. This Guarantee is a guarantee of payment and not of collection. If any Holder or the Trustee is required by any court or otherwise to return to the Company or to any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to the Company or such Guarantor, any amount paid by the Company or such Guarantor to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor further agrees that, as between it, on the one hand, and the Holders of Notes and the Trustee, on the other hand, (a) subject to this Article Eleven, the maturity of the obligations guaranteed hereby may be

73

accelerated as provided in Article Six hereof for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition

preventing such acceleration in respect of the obligations guaranteed hereby, and (b) in the event of any acceleration of such obligations as provided in Article Six hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee.

No stockholder, officer, director, employee or incorporator, past, present or future, or any Guarantor, as such, shall have any personal liability under this Guarantee by reason of his, her or its status as such stockholder, officer, director, employee or incorporator.

Each Guarantor that makes a payment or distribution under its Guarantee shall be entitled to a contribution from each other Guarantor in an amount pro rata, based on the net assets of each Guarantor, determined in accordance with GAAP.

Section 11.02 Limitations on Guarantees. The obligations of each Guarantor under its Guarantee are limited to the maximum amount which, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, will result in the obligations of such Guarantor under the Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law.

Section 11.03 Execution and Delivery of Guarantee. To further evidence the Guarantee set forth in Section 11.01, each Guarantor hereby agrees that a notation of such Guarantee, substantially in the form of Exhibit E hereto, shall be endorsed on each Note authenticated and delivered by the Trustee. Such Guarantee shall be executed on behalf of each Guarantor by either manual or facsimile signature of a duly authorized Officer of each Guarantor. The validity and enforceability of any Guarantee shall not be affected by the fact that it is not affixed to any particular Note.

Each of the Guarantors hereby agrees that its Guarantee set forth in Section 11.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee.

If an Officer of a Guarantor whose signature is on this Indenture or a Guarantee no longer holds that office at the time the Trustee authenticates the Note on which such Guarantee is endorsed or at any time thereafter, such Guarantor's Guarantee of such Note shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Guarantee set forth in this Indenture on behalf of each Guarantor.

Section 11.04 Release of a Guarantor.

- (a) If no Default or Event of Default exists and is continuing, the obligations

74

of any Guarantor under its Guarantee of the Notes will be automatically and unconditionally released and discharged when any of the following occurs:

- (1) a sale, exchange, transfer or other disposition (including, without limitation, by way of merger, consolidation or otherwise), directly or indirectly, of all of the Capital Stock of such Guarantor to any Person that is not a Restricted Subsidiary of the Company; provided that such sale, exchange, transfer or other disposition is made in accordance with the provisions of this Indenture;
- (2) a sale, exchange, transfer or other disposition (including, without limitation, by way of merger, consolidation or otherwise), directly or indirectly, of Capital Stock of such Guarantor to any Person that is not a Restricted Subsidiary of the Company, or an issuance by such Guarantor of its Capital Stock, in each case as a result of which such Guarantor ceases to be a majority-owned Subsidiary of the Company; provided that such transaction is made in accordance with the provisions of this Indenture;
- (3) such Guarantor is unconditionally released and discharged from its liability with respect to Indebtedness in connection with which such Guarantee was executed pursuant to clause (1) of the covenant described under the Section 4.19 hereof;
- (4) the designation of such Guarantor as an Unrestricted Subsidiary in accordance with the provisions of this Indenture; or
- (5) the occurrence of Legal Defeasance or Covenant Defeasance in accordance with this Indenture.

(b) In connection with any transaction set forth Section 11.04(a) above, the Trustee shall receive an Officers' Certificate and an Opinion of Counsel certifying as to the compliance with this Section 11.04; provided, however, that the legal counsel delivering such Opinion of Counsel may rely as to matters of fact on one or more Officers' Certificates of the Company.

The Trustee shall execute any documents reasonably requested by the Company or a Guarantor in order to evidence the release of such Guarantor from its obligations under its Guarantee endorsed on the Notes and under this Article Eleven.

Section 11.05 Waiver of Subrogation. Until this Indenture is discharged and all of the Notes are discharged and paid in full, each Guarantor hereby irrevocably waives and agrees not to exercise any claim or other rights which it may now or hereafter acquire

against the Company that arise from the existence, payment, performance or enforcement of the Company's obligations under the Notes or this Indenture and such Guarantor's obligations under this Guarantee and this Indenture, in any such instance including, without limitation, any right of subrogation, reimbursement, exoneration, contribution, indemnification, and any right to participate in any claim or remedy of the Holders against the Company, whether or not such

claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Company, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and any amounts owing to the Trustee or the Holders of Notes under the Notes, this Indenture, or any other document or instrument delivered under or in connection with such agreements or instruments, shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Trustee or the Holders and shall forthwith be paid to the Trustee for the benefit of itself or such Holders to be credited and applied to the obligations in favor of the Trustee or the Holders, as the case may be, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 11.05 is knowingly made in contemplation of such benefits.

Section 11.06 Immediate Payment. Each Guarantor agrees to make immediate payment to the Trustee on behalf of the Holders of all Obligations owing or payable to the respective Holders upon receipt of a demand for payment therefor by the Trustee to such Guarantor in writing.

Section 11.07 No Set-Off. Each payment to be made by a Guarantor hereunder in respect of the Obligations shall be payable in the currency or currencies in which such Obligations are denominated, and shall be made without set-off, defense, counterclaim, reduction or diminution of any kind or nature.

Section 11.08 Obligations Absolute. The obligations of each Guarantor hereunder are and shall be absolute and unconditional and any monies or amounts expressed to be owing or payable by each Guarantor hereunder which may not be recoverable from such Guarantor on the basis of a Guarantee shall be recoverable from such Guarantor as a primary obligor and principal debtor in respect thereof.

Section 11.09 Obligations Continuing. The obligations of each Guarantor hereunder shall be continuing and shall remain in full force and effect until all the obligations have been paid and satisfied in full. Each Guarantor agrees with the Trustee that it will from time to time deliver to the Trustee suitable acknowledgments of this continued liability hereunder and under any other instrument or instruments in such form as counsel to the Trustee may advise and as will prevent any action brought against it in respect of any default hereunder being barred by any statute of limitations now or hereafter in force and, in the event of the failure of a Guarantor so to do, it hereby irrevocably appoints the Trustee the attorney and agent of such Guarantor to make, execute and deliver such written acknowledgment or acknowledgments or other instruments as may from time to time become necessary or advisable, in the judgment of the Trustee on the advice of counsel, to fully maintain and keep in force the liability of such Guarantor hereunder.

Section 11.10 Obligations Not Reduced. The obligations of each Guarantor hereunder shall not be satisfied, reduced or discharged solely by the payment of such principal, premium, if

any, interest, fees and other monies or amounts as may at any time prior to discharge of this Indenture pursuant to Article Eight be or become owing or payable under or by virtue of or otherwise in connection with the Notes or this Indenture.

Section 11.11 Obligations Reinstated. The obligations of each Guarantor hereunder shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment which would otherwise have reduced the obligations of any Guarantor hereunder (whether such payment shall have been made by or on behalf of the Company or by or on behalf of a Guarantor) is rescinded or reclaimed from any of the Holders upon the insolvency, bankruptcy, liquidation or reorganization of the Company or any Guarantor or otherwise, all as though such payment had not been made. If demand for, or acceleration of the time for, payment by the Company is stayed upon the insolvency, bankruptcy, liquidation or reorganization of the Company, all such Indebtedness otherwise subject to demand for payment or acceleration shall nonetheless be payable by each Guarantor as provided herein.

Section 11.12 Obligations Not Affected. The obligations of each Guarantor hereunder shall not be affected, impaired or diminished in any way by any act, omission, matter or thing whatsoever, occurring before, upon or after any demand for payment hereunder (and whether or not known or consented to by any Guarantor or any of the Holders) which, but for this provision, might constitute a whole or partial defense to a claim against any Guarantor hereunder or might operate to release or otherwise exonerate any Guarantor from any of its obligations hereunder or otherwise affect such obligations, whether occasioned by default of any of the Holders or otherwise, including, without limitation:

- (a) any limitation of status or power, disability, incapacity or other circumstance relating to the Company or any other Person, including any insolvency, bankruptcy, liquidation, reorganization, readjustment, composition, dissolution, winding-up or other proceeding involving or affecting the Company or any other Person;
- (b) any irregularity, defect, unenforceability or invalidity in respect of any indebtedness or other obligation of the

Company or any other Person under this Indenture, the Notes or any other document or instrument;

- (c) any failure of the Company, whether or not without fault on its part, to perform or comply with any of the provisions of this Indenture or the Notes, or to give notice thereof to a Guarantor;
- (d) the taking or enforcing or exercising or the refusal or neglect to take or enforce or exercise any right or remedy from or against the Company or any other Person or their respective assets or the release or discharge of any such right or remedy;
- (e) the granting of time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Company or any other Person;
- (f) any change in the time, manner or place of payment of, or in any other

77

term of, any of the Notes, or any other amendment, variation, supplement, replacement or waiver of, or any consent to departure from, any of the Notes or this Indenture, including, without limitation, any increase or decrease in the principal amount of or premium, if any, or interest on any of the Notes;

- (g) any change in the ownership, control, name, objects, businesses, assets, capital structure or constitution of the Company or a Guarantor;
- (h) any merger or amalgamation of the Company or a Guarantor with any Person or Persons;
- (i) the occurrence of any change in the laws, rules, regulations or ordinances of any jurisdiction by any present or future action of any governmental authority or court amending, varying, reducing or otherwise affecting, or purporting to amend, vary, reduce or otherwise affect, any of the Obligations or the obligations of a Guarantor under its Guarantee; and
- (j) any other circumstance, (other than release of the Guarantor pursuant to Section 11.04 and other than by complete, irrevocable payment) that might otherwise constitute a legal or equitable discharge or defense of the Company under this Indenture or the Notes or of a Guarantor in respect of its Guarantee hereunder.

Section 11.13 Waiver. Without in any way limiting the provisions of Section 11.01 hereof, each Guarantor hereby waives notice of acceptance hereof, notice of any liability of any Guarantor hereunder, notice or proof of reliance by the Holders upon the obligations of any Guarantor hereunder, and diligence, presentment, demand for payment on the Company, protest, notice of dishonor or non-payment of any of the Obligations, or other notice or formalities to the Company or any Guarantor of any kind whatsoever.

Section 11.14 No Obligation To Take Action Against the Company. Neither the Trustee nor any other Person shall have any obligation to enforce or exhaust any rights or remedies or to take any other steps under any security for the Obligations or against the Company or any other Person or any property of the Company or any other Person before the Trustee is entitled to demand payment and performance by any or all Guarantors of their liabilities and obligations under their Guarantees or under this Indenture.

Section 11.15 Dealing with the Company and Others. The Holders, without releasing, discharging, limiting or otherwise affecting in whole or in part the obligations and liabilities of any Guarantor hereunder and without the consent of or notice to any Guarantor, may

- (a) grant time, renewals, extensions, compromises, concessions, waivers, releases, discharges and other indulgences to the Company or any other Person;
- (b) take or abstain from taking security or collateral from the Company or from perfecting security or collateral of the Company;

78

- (c) accept compromises or arrangements from the Company;
- (d) apply all monies at any time received from the Company or from any security upon such part of the Obligations as the Holders may see fit or change any such application in whole or in part from time to time as the Holders may see fit; and
- (e) otherwise deal with, or waive or modify their right to deal with, the Company and all other Persons and any security as the Holders or the Trustee may see fit.

Section 11.16 Default and Enforcement. If any Guarantor fails to pay in accordance with Section 11.06 hereof, the Trustee may proceed in its name as trustee hereunder in the enforcement of the Guarantee of any such Guarantor and such Guarantor's obligations thereunder and hereunder by any remedy provided by law, whether by legal proceedings or otherwise, and to recover from such Guarantor the obligations.

Section 11.17 Amendment, Etc. No amendment, modification or waiver of any provision of this Indenture relating to any

Guarantor or consent to any departure by any Guarantor or any other Person from any such provision will in any event be effective unless it is signed by such Guarantor and the Trustee.

Section 11.18 Acknowledgment. Each Guarantor hereby acknowledges communication of the terms of this Indenture and the Notes and consents to and approves of the same.

Section 11.19 Costs and Expenses. Each Guarantor shall pay on demand by the Trustee any and all costs, fees and expenses (including, without limitation, legal fees) incurred by the Trustee, its agents, advisors and counsel or any of the Holders in enforcing any of their rights under any Guarantee.

Section 11.20 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Trustee or the Holders, any right, remedy, power or privilege hereunder or under this Indenture or the Notes, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder or under this Indenture or the Notes preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges in the Guarantee and under this Indenture, the Notes and any other document or instrument between a Guarantor and/or the Company and the Trustee are cumulative and not exclusive of any rights, remedies, powers and privilege provided by law.

Section 11.21 Guarantee in Addition to Other Obligations. The obligations of each Guarantor under its Guarantee and this Indenture are in addition to and not in substitution for any other obligations to the Trustee or to any of the Holders in relation to this Indenture or the Notes and any guarantees or security at any time held by or for the benefit of any of them.

Section 11.22 Severability. Any provision of this Article Eleven which is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions and any such

79

prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction unless its removal would substantially defeat the basic intent, spirit and purpose of this Indenture and this Article Eleven.

Section 11.23 Successors and Assigns. Unless released in accordance with this Indenture, each Guarantee shall be binding upon and inure to the benefit of each Guarantor and the Trustee and the other Holders and their respective successors and permitted assigns, except that no Guarantor may assign any of its obligations hereunder or thereunder.

ARTICLE XII [RESERVED]

The Company, the Trustee, the Registrar and any other Person shall have the protection of TIA (§) 312(c).

Section 13.07 Legal Holidays. If a payment date under this Indenture is not a Business Day, payment may be made at such place on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period.

Section 13.08 Governing Law. THIS INDENTURE, THE NOTES AND THE GUARANTEES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. Each of the parties hereto agrees to submit to the non-exclusive jurisdiction of the competent courts of the State of New York in any action or proceeding arising out of or relating to this Indenture or the Notes.

82

condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

This Note is one of a duly authorized issue of Notes of the Company designated as its 5 ½ % Senior Notes due 2016 (the "Notes"), which may be issued under the Indenture. The Company shall be entitled to issue Additional Notes pursuant to Section 2.18 of the Indenture. The Notes and any Additional Notes and any Exchange Notes issued in accordance with the Indenture are treated as a single class of securities under the Indenture unless otherwise specified in the Indenture. Capitalized terms used herein shall have the meanings assigned to them in the Indenture unless otherwise defined herein. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) (the "TIA"), as in effect on the date of the Indenture. Notwithstanding anything to the contrary herein, the Notes are subject to all such terms, and Holders of Notes are referred to the Indenture and the TIA for a statement of them.

A-4

5. Optional Redemption. The Notes will be redeemable, at the Company's option, in whole at any time or in part from time to time, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the date of redemption.

6. Notice of Redemption. Notice of redemption will be delivered at least 30 days but not more than 60 days before the Redemption Date to each Holder whose Notes are to be redeemed at such Holder's registered address, except as provided in the Indenture. Notes in denominations larger than \$2,000 may be redeemed in part.

7. Change of Control Offer. In the event of a Change of Control, upon the satisfaction of the conditions set forth in the Indenture, the Company shall be required to offer to repurchase all of the then outstanding Notes pursuant to a Change of Control Offer at a purchase price equal to 101% of the principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase. Holders of Notes that are the subject of such an offer to repurchase shall receive an offer to repurchase and may elect to have such Notes repurchased in accordance with the provisions of the Indenture pursuant to and in accordance with the terms of the Indenture.

8. Limitation on Asset Sales. Under certain circumstances set forth in Section 4.15 of the Indenture, the Company is required to apply the net proceeds from Asset Sales to offer to repurchase the Notes at a price equal to 100% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to the date of repurchase.

9. Denominations; Transfer; Exchange. The Notes are in fully registered form only, without coupons, in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. A Holder shall register the transfer or exchange of Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay certain transfer taxes or similar governmental charges payable in connection therewith as permitted by the Indenture. The Registrar need not register the transfer or exchange of any Notes during a period beginning 15 days before the mailing of a redemption notice for any Notes or portions thereof selected for redemption.

10. Persons Deemed Owners. The registered Holder of a Note shall be treated as the owner of it for all purposes.

11. Unclaimed Money. If money for the payment of principal or interest remains unclaimed for one year, the Trustee and the Paying Agent will pay the money back to the Company. After that, all liability of the Trustee and such Paying Agent with respect to such money shall cease.

12. Discharge Prior to Redemption or Maturity. If the Company at any time deposits with the Trustee U.S. Legal Tender or non-callable U.S. Government Obligations sufficient to pay the principal of, premium and interest on the Notes to redemption or maturity and complies with the other provisions of this Indenture relating thereto, the Company will be discharged from certain provisions of the Indenture and the Notes (including certain covenants, but excluding its

A-5

obligation to pay the principal of, premium and interest on the Notes).

13. Amendment; Supplement; Waiver. The Indenture or the Notes may be amended or supplemented as provided in the Indenture.

14. Restrictive Covenants. The Indenture imposes certain limitations on the ability of the Company and its Subsidiaries to, among other things, incur additional Indebtedness, create Liens, pay dividends or make certain other restricted payments, enter into transactions with Affiliates, create dividend or other payment restrictions affecting Restricted Subsidiaries and merge or consolidate with any other Person, sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its assets or adopt a plan of liquidation. Such limitations are subject to a number of important qualifications and exceptions. The Company must annually report to the Trustee on compliance with such limitations.

15. Successors. When a successor assumes, in accordance with this Indenture, all the obligations of its predecessor under the Notes and the Indenture, the predecessor will be released from those obligations.

16. Defaults and Remedies. If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes (including any Additional Notes) may declare all the Notes to be due and payable in the manner, at the time and with the effect provided in the Indenture. Holders of Notes may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee is not obligated to enforce the Indenture or the Notes unless it has been offered indemnity or security reasonably satisfactory to it. The Indenture permits, subject to certain limitations therein provided, Holders of a majority in aggregate principal amount of the Notes (including any Additional Notes) then outstanding to direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of Notes notice of any continuing Default or Event of Default (except a Default in payment of principal or interest) if it determines in good faith that withholding notice is in their interest.

17. Trustee Dealings with Company. The Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company, its Restricted and Unrestricted Subsidiaries or their respective Affiliates as if it were not the Trustee.

18. No Recourse Against Others. No past, present or future stockholder, director, officer, employee or incorporator, as such, of the Company shall have any liability for any obligation of the Company under the Notes or the Indenture or for any claim based on, in respect of or by reason of, such obligations or their creation. Each Holder of a Note by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

19. Authentication. This Note shall not be valid until the Trustee or authenticating agent manually signs the certificate of authentication on this Note.

A-6

20. Governing Law. This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

No representation is made as to the accuracy of such numbers as printed on the Notes and reliance may be placed only on the other identification numbers printed hereon.

[23. Registration Rights. Pursuant to the Registration Rights Agreement, the Company and the Guarantors may be obligated upon the occurrence of certain events and subject to certain conditions to consummate an exchange offer pursuant to which the Holder of this Note shall have the right to exchange this Note for a 5 ½ % Senior Note due 2016, of the Company (an "Unrestricted Note") which have been registered under the Securities Act, in like principal amount and having terms identical in all material respects as this Note. The Holders may be entitled to receive certain additional interest payments in the event such exchange offer is not consummated and upon certain other conditions, all pursuant to and in accordance with the terms of the Registration Rights Agreement.] [Include for Restricted Securities only]

2. *Registration Under the Securities Act.*

(a) The securities entitled to the benefits of this Agreement are the Registrable Securities.

(b) If any of the Securities are not Freely Tradable by the 366th calendar day following the Closing Date, then, unless the Exchange Offer shall not be permissible under applicable law or Commission policy (after the procedures set forth in Section 3 below have been complied with), the Company and the Guarantors shall (i) file under the Securities Act a registration statement relating to offers to exchange (such registration statement, the “Exchange Registration Statement,” and such offers, collectively, the “Exchange Offer”) any and all of the Registrable Securities for a like aggregate principal amount of debt securities issued by the Company and guaranteed by the Guarantors, which debt securities and guarantee are substantially identical to the Securities and the related Guarantees, respectively (and are entitled to the benefits of the Indenture or a trust indenture which is substantially identical to the Indenture and which has been qualified under the Trust Indenture Act), except that they have been registered pursuant to an effective registration statement under the Securities Act and do not contain provisions for registration rights or the Special Interest contemplated in Section 2(e) below (such new debt securities and guarantee hereinafter called “Exchange Securities”), (ii) use their reasonable best efforts to cause such Exchange Registration Statement to become effective under the Securities Act, (iii) in connection with the foregoing, file (A) all pre-effective amendments to such Exchange Registration Statement as may be necessary in order to cause such Exchange Registration Statement to become effective, (B) if applicable, a post-effective amendment to such Exchange Registration Statement pursuant to Rule 430A under the Securities Act and (C) cause all necessary filings in connection with the registration and qualification of the Exchange Securities to be made under the Blue Sky laws of such jurisdictions as are necessary to permit consummation of the Exchange Offer, and (iv) promptly after such Exchange Registration Statement is declared effective, commence the Exchange Offer. The Exchange Registration Statement shall be on the appropriate form permitting registration of the Exchange Securities to be offered in exchange for the Registrable Securities and to permit resales of Securities held by broker-dealers as contemplated by Section 2(c) below.

(c) If an Exchange Registration Statement is required pursuant to Section 2(b) above, the Company further agrees to use its reasonable best efforts to commence and complete the Exchange Offer within 45 days after the date the Exchange Registration Statement is declared effective by the Commission, hold the Exchange Offer open for at least 20 days (or longer if required by applicable law) and exchange Exchange Securities for all Registrable Securities that have been properly tendered and not withdrawn on or prior to the expiration of the Exchange Offer. The Exchange Offer shall be deemed to have been completed upon the earlier to occur of (i) the Company having exchanged the Exchange Securities for all outstanding Registrable Securities pursuant to the Exchange Offer and (ii) the Company having exchanged, pursuant to the Exchange Offer, Exchange Securities for all Registrable Securities that have been properly tendered and not withdrawn before the expiration of the Exchange Offer, which shall be on a date that is at least 20 days following the commencement of the Exchange Offer; provided, however, that the Exchange Offer will be completed only if the Exchange Securities and related guarantee received by holders (other than Restricted Holders) in the Exchange Offer for Registrable Securities are, upon receipt,

transferable by each such holder without restriction under the Securities Act and without material restrictions under the blue sky or securities laws of a substantial majority of the States of the United States of America, it being understood that broker-dealers receiving Exchange Securities will be subject to certain prospectus delivery requirements with respect to resale of the Exchange Securities. The Company agrees (x) to include in the Exchange Registration Statement a prospectus for use in any resales by any holder of Exchange Securities that is a broker-dealer and (y) to keep such Exchange Registration Statement effective for a period (the “Resale Period”) beginning when Exchange Securities are first issued in the Exchange Offer and ending upon the earlier of the expiration of the 120th day after the Exchange Offer has been completed or such time as such broker-dealers no longer own any Registrable Securities. With respect to such Exchange Registration Statement, such holders shall have the benefit of the rights of indemnification and contribution set forth in Sections 6(a), (c), (d) and (e) hereof.

Each holder that participates in the Exchange Offer will be required, as a condition to its participation in the Exchange Offer, to represent to the Company in writing (which may be contained in the applicable letter of transmittal) (i) that any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (ii) that at the time of the commencement of the Exchange Offer, such holder has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of the Securities Act, (iii) that such holder is not an “affiliate” of the Company as such term is defined in Rule 405 promulgated under the Securities Act, (iv) if such holder is a broker-dealer, that it is not engaged in, and does not intend to engage in, the distribution of Exchange Notes; and (v) if such holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Securities that were acquired as a result of market-making or other trading activities (an “Exchanging Dealer”), that it will deliver a prospectus in connection with the resale of such Exchange Securities. A broker-dealer that is not able to make the representation in clause (v) above will not be permitted to participate in the Exchange Offer.

7

(d) If any of the Securities are not Freely Tradable by the 366th calendar day following the Closing Date and on or prior to the time the Exchange Offer is completed, any law or the existing Commission interpretations are changed such that (i) the debt securities or the related guarantee received by holders other than Restricted Holders in the Exchange Offer for Registrable Securities are not or would not be, upon receipt, transferable by each such holder without restriction under the Securities Act, (ii) for any other reason the Exchange Offer is not consummated on or prior to the 366th calendar day following the Closing Date or (iii) the Exchange Offer is not available to any holder of the Securities by reason of U.S. law or Commission policy (other than due solely to the status of such holder as an affiliate of the Company within the meaning of the Securities Act or as an Exchanging Dealer), then the Company shall, in lieu of (or, in the case of clause (iii), in addition to) conducting the Exchange Offer contemplated by Section 2(b), file under the Securities Act as soon as practicable, but no later than the later of 20 days after the time such obligation to file arises, a “shelf” registration statement providing for the registration of, and the sale on a continuous or delayed basis by the holders of, all of the Registrable Securities, pursuant to Rule 415 or any similar rule that may be adopted by the Commission (such filing, the “Shelf Registration” and such registration statement, the “Shelf Registration Statement”). The Company agrees to use its reasonable best efforts (x) to cause the Shelf Registration Statement to become or be declared effective and to keep such Shelf Registration Statement continuously effective for a period ending on the earlier of the second anniversary of the Effective Time or such time as there are no longer any Registrable Securities outstanding; provided, however, that (I) no holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement or to use the prospectus forming a part thereof for resales of Registrable Securities unless such holder is an Electing Holder and (II) the Company shall be permitted to take any action that would suspend the effectiveness of a Shelf Registration Statement or result in holders covered by a Shelf Registration Statement not being able to offer and sell such Securities if (i) such action is required by law or (ii) such action is taken by the Company in good faith and for valid business reasons involving a material undisclosed event, and (y) after the Effective Time of the Shelf Registration Statement, within 30 days following the request of any holder that is not then an Electing Holder, to take any action reasonably necessary to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities, including, without limitation, any action necessary to identify such holder as a selling securityholder in the Shelf Registration Statement; provided, however, that nothing in this clause (y) shall relieve any such holder of the obligation to return a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(d)(iii) hereof. The Company further agrees to supplement or make amendments to the Shelf Registration Statement, as and when required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration Statement or by the Securities Act or rules and regulations thereunder for shelf registration, and the Company agrees to furnish to each Electing Holder copies of any such supplement or amendment prior to its being used or promptly following its filing with the Commission.

8

(e) In the event that (i) the Exchange Registration Statement required pursuant to Section 2(b) has not become effective by the Commission by the 400th calendar day following the Closing Date or the Shelf Registration Statement required pursuant to Section 2(d) has not become effective by the Commission by the 30th day following the day such registration statement is required to be filed under Section 2(d), or (ii) the Exchange Offer has not been completed within 45 business days after the initial effective date of the Exchange Registration Statement relating to the Exchange Offer (if the Exchange Offer is then required to be made) or (iii) any Exchange Registration Statement or Shelf Registration Statement required by Section 2(b) or 2(d) hereof is filed and declared effective but shall thereafter either be withdrawn by the Company or shall become subject to an effective stop order issued pursuant to Section 8(d) of the Securities Act suspending the effectiveness of such registration statement (except as specifically permitted herein) without being succeeded immediately by an additional registration statement filed and declared effective (each such event referred to in clauses (i) through (iii), a “Registration Default” and each period during which a Registration Default has occurred and is continuing, a “Registration Default Period”), then, as liquidated damages for such Registration Default, subject to the provisions of Section 9(b), special interest (“Special Interest”), in addition to the Base Interest, shall accrue at a per annum rate of 0.125% for the first 90 days of the Registration Default Period, at a per annum rate of 0.25% for the second 90 days of the Registration Default Period, at a per annum rate of 0.375% for the third 90 days of the Registration Default Period and at a per annum rate of 0.5% thereafter for the remaining portion of the

Registration Default Period; provided, however, that Special Interest shall not accrue if the failure of the Company to comply with its obligations hereunder is a result of the failure of any of the holders, underwriters, Purchasers or placement or sales agents to fulfill their respective obligations hereunder; and provided, further, Special Interest shall only accrue until, but excluding, the earlier of (1) the date on which such Registration Default has been cured or (2) the date on which the Securities accruing such Special Interest cease to be Registrable Securities. Special Interest accrued for any period shall be payable at the relevant interest payment date for such period under the terms of the Securities.

(f) Notwithstanding the foregoing: (1) the amount of Special Interest that accrues will not increase because more than one Registration Default has occurred and is pending; (2) a holder of Registrable Securities or Exchange Securities who is not entitled to the benefits of the Shelf Registration Statement (including, but not limited to any such holder who has not returned a completed and signed Notice and Questionnaire to the Company in accordance with Section 3(d)(iii) hereof) will not be entitled to Special Interest with respect to a Registration Default that pertains to the Shelf Registration Statement; and (3) a holder of Registrable Securities who is not entitled to participate in the Exchange Offer will not be entitled to the accrual of Special Interest by reason of a Registration Default that pertains to the Exchange Offer.

(g) The Company shall take, and shall cause the Guarantors to take, all actions necessary or advisable to be taken by it to ensure that the transactions contemplated herein are effected as so contemplated, including all actions necessary or desirable to register the Guarantees under the registration statement contemplated in Section 2(b) or 2(d) hereof, as applicable.

9

(h) Any reference herein to a registration statement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time and any reference herein to any post-effective amendment to a registration statement as of any time shall be deemed to include any document incorporated, or deemed to be incorporated, therein by reference as of such time.

3. *Registration Procedures.*

If the Company files a registration statement pursuant to Section 2(b) or Section 2(d), the following provisions shall apply:

(a) At or before the Effective Time of the Exchange Offer or the Shelf Registration, as the case may be, the Company shall qualify the Indenture under the Trust Indenture Act.

(b) In the event that such qualification would require the appointment of a new trustee under the Indenture, the Company shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(c) In connection with the Company's obligations with respect to the registration of Exchange Securities as contemplated by Section 2(b) (the "Exchange Registration"), if applicable, the Company shall, as soon as reasonably practicable (or as otherwise specified):

(i) use its reasonable best efforts to prepare and file with the Commission an Exchange Registration Statement on any form which may be utilized by the Company and which shall permit the Exchange Offer and resales of Exchange Securities by broker-dealers during the Resale Period to be effected as contemplated by Section 2(c), and use its best reasonable efforts to cause such Exchange Registration Statement to become effective no later than 30 days after the 366th calendar day following the Closing Date;

(ii) after the Effective Time of the Exchange Registration Statement, except as permitted hereunder, prepare and file with the Commission such amendments and supplements to such Exchange Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Exchange Registration Statement for the periods and purposes contemplated in Section 2(b) hereof and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Exchange Registration Statement, and promptly provide each broker-dealer holding Exchange Securities with such number of copies of the prospectus included therein (as then amended or supplemented), in conformity in all material respects with the requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder, as such broker-dealer may reasonably request prior to the expiration of the Resale Period, for use in connection with resales of Exchange Securities;

10

(iii) after the Effective Time of the Exchange Registration Statement and during the Resale Period promptly notify each broker-dealer that has requested copies of the prospectus included in such registration statement, and confirm such advice in writing, (A) with respect to such Exchange Registration Statement or any post-effective amendment, when the same has become effective, (B) of the issuance by the Commission of any stop order suspending the effectiveness of such Exchange Registration Statement or the initiation or threatening of any proceedings for that purpose, (C) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Exchange Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, or (D) at any time during the Resale Period when a prospectus is required to be delivered under the Securities Act, that such

Exchange Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, which such notice, in the case of clauses (B), (C) and (D) shall require any broker-dealer to suspend the use of such prospectus until further notice;

(iv) in the event that the Company would be required, pursuant to Section 3(c)(iii)(D) above, to notify any broker-dealers holding Exchange Securities, prepare and furnish to each such holder a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of such Exchange Securities during the Resale Period, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing; *provided, however*, the Company shall not be required to amend or supplement such prospectus if (i) not permitted by law or (ii) the Company in good faith and for valid business reasons determines that to do so would involve disclosing a material undisclosed event;

(v) use its reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of such Exchange Registration Statement or any post-effective amendment thereto at the earliest practicable date unless the Company in good faith and for valid business reasons determines that to do so would involve disclosing a material undisclosed event;

(vi) use its reasonable best efforts to (A) register or qualify the Exchange Securities under the securities laws or blue sky laws of such

11

jurisdictions as are contemplated by Section 2(c) no later than the commencement of the Exchange Offer, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions until the expiration of the Resale Period and (C) take any and all other actions as may be reasonably necessary or advisable to enable each broker-dealer holding Exchange Securities to consummate the disposition thereof in such jurisdictions; *provided, however*, that neither the Company nor the Guarantors shall be required for any such purpose to (1) qualify as a foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(c)(vi), (2) consent to general service of process or taxation in any such jurisdiction or (3) make any changes to its incorporating documents or limited liability agreement or any other agreement between it and its stockholders or members;

(vii) provide an ISIN and a CUSIP number for all Exchange Securities, not later than the applicable Effective Time; and

(viii) comply with all applicable rules and regulations of the Commission, and make generally available to its securityholders as soon as practicable but no later than 18 months after the effective date of such Exchange Registration Statement, an earning statement of the Company and its subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder).

(d) In connection with the Company's obligations with respect to the Shelf Registration, if applicable, the Company shall, as soon as reasonably practicable (or as otherwise specified):

(i) prepare and file with the Commission, as soon as reasonably practicable but in any case within the time periods specified in Section 2(d), a Shelf Registration Statement on any form which may be utilized by the Company and which shall register all of the Registrable Securities for resale by the holders thereof in accordance with such method or methods of disposition as may be specified by such of the holders as, from time to time, may be Electing Holders and use its reasonable best efforts to cause such Shelf Registration Statement to become effective as soon as reasonably practicable but in any case within the time periods specified in Section 2(d);

(ii) prior to the Effective Time of the Shelf Registration Statement, mail the Notice and Questionnaire to the holders of Registrable Securities; no holder shall be entitled to be named as a selling securityholder in the Shelf Registration Statement as of the Effective Time, and no holder shall be entitled to use the prospectus forming a part thereof for resales of Registrable Securities at any time, unless such holder has returned a completed and signed Notice and Questionnaire to the Company by the deadline for response set forth therein;

12

provided, however, holders of Registrable Securities shall have at least 28 calendar days from the date on which the Notice and Questionnaire is first mailed to such holders to return a completed and signed Notice and Questionnaire to the Company;

(iii) after the Effective Time of the Shelf Registration Statement, upon the request of any holder of

Registrable Securities that is not then an Electing Holder, promptly send a Notice and Questionnaire to such holder; *provided* that the Company shall not be required to take any action to name such holder as a selling securityholder in the Shelf Registration Statement or to enable such holder to use the prospectus forming a part thereof for resales of Registrable Securities until such holder has returned a completed and signed Notice and Questionnaire to the Company;

(iv) after the Effective Time of the Shelf Registration Statement, except as permitted hereunder, as soon as reasonably practicable prepare and file with the Commission such amendments and supplements to such Shelf Registration Statement and the prospectus included therein as may be necessary to effect and maintain the effectiveness of such Shelf Registration Statement for the period specified in Section 2(d) hereof and as may be required by the applicable rules and regulations of the Commission and the instructions applicable to the form of such Shelf Registration Statement, and furnish to the Electing Holders copies of any such supplement or amendment simultaneously with or prior to its being used or filed with the Commission;

(viii) promptly notify each of the Electing Holders, any sales or placement agent therefor and any underwriter thereof (which notification may be made through any managing underwriter that is a representative of such underwriter for such purpose) and confirm such advice in writing, (A) with respect to such Shelf Registration Statement or any post-effective amendment, when the same has become effective, (B) of the issuance by the Commission of any stop order suspending the effectiveness of such Shelf Registration Statement or the initiation or threatening of any proceedings for that purpose, (C) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose, or (D) if at any time when a prospectus is required to be delivered under the Securities Act, that such Shelf Registration Statement, prospectus, prospectus amendment or supplement or post-effective amendment does not conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder or contains an untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, which such notice, in the case of clauses (B), (C) and (D) shall require the suspension of the use of such prospectus until further notice;

(ix) use its reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of such registration statement or any post-effective amendment thereto at the earliest practicable date unless the Company in good faith and for valid business reasons determines that to do so would involve disclosing a material undisclosed event;

(x) if reasonably requested by any managing underwriter or underwriters, any placement or sales agent or any Electing Holder, promptly incorporate in a prospectus supplement or post-effective amendment such information as is required by the applicable rules and regulations of the Commission and as such managing underwriter or underwriters, such agent or such Electing Holder specifies should be included therein relating to the terms of the sale of such Registrable Securities, including information with respect to the principal amount of Registrable Securities being sold by such Electing Holder or agent or to any underwriters, the name and description of such Electing Holder, agent or underwriter, the offering price of such Registrable Securities and any discount, commission or other compensation payable in respect thereof, the purchase price being paid therefor by such underwriters and with respect to any other terms of the offering of the Registrable Securities to be sold by such Electing Holder or agent or to such underwriters; and make all required filings of such prospectus supplement or post-effective amendment promptly after notification of the matters to be incorporated in such prospectus supplement or post-effective amendment;

(xi) furnish to each Electing Holder, each placement or sales agent, if any, therefor, each underwriter, if any, thereof and the respective counsel referred to in Section 3(d)(vi) above a conformed copy of such Shelf Registration Statement, each such amendment and supplement thereto (in each case including, upon request, all exhibits thereto and documents incorporated by reference therein) and such number of copies of the prospectus included in such Shelf Registration Statement (including each preliminary prospectus and any summary prospectus), in conformity in all material respects with the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder, and such other documents, as such Electing Holder, agent, if any, and underwriter, if any, may reasonably request that may be required in connection with the offering and disposition of the Registrable Securities owned by such Electing Holder, offered or sold by such agent or underwritten by such underwriter and to permit such Electing Holder, agent and underwriter to satisfy the prospectus delivery requirements of the Securities Act; and the Company hereby consents to the use of the prospectus contained in the Shelf Registration Statement at the Effective Time thereof and any amendment or supplement thereto by each such Electing Holder and by any such agent and underwriter, in each case in the form most recently provided to such person by the Company, in connection with the offering and sale of the

15

Registrable Securities covered by such prospectus or any such supplement or amendment thereto;

(xii) use reasonable best efforts to (A) register or qualify the Registrable Securities to be included in such Shelf Registration Statement under such securities laws or blue sky laws of such jurisdictions as any Electing Holder and each placement or sales agent, if any, therefor and underwriter, if any, thereof shall reasonably request, (B) keep such registrations or qualifications in effect and comply with such laws so as to permit the continuance of offers, sales and dealings therein in such jurisdictions during the period the Shelf Registration is required to remain effective under Section 2(d) above and for so long as may be necessary to enable any such Electing Holder, agent or underwriter to complete its distribution of Securities pursuant to such Shelf Registration Statement and (C) take any and all other actions as may be reasonably necessary or advisable to enable each such Electing Holder, agent, if any, and underwriter, if any, to consummate the disposition in such jurisdictions of such Registrable Securities; *provided, however*, that neither the Company nor the Guarantors shall be required for any such purpose to (1) qualify as a foreign corporation in any jurisdiction wherein it would not otherwise be required to qualify but for the requirements of this Section 3(d)(xii), (2) consent to general service of process or taxation in any such jurisdiction or (3) make any changes to its incorporating documents or limited liability agreement or any other agreement between it and its stockholders or members;

(xiii) unless any Registrable Securities shall be in book-entry only form, cooperate with the Electing Holders and the managing underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold, which certificates, if so required by any securities exchange upon which any Registrable Securities are listed, shall be penned, lithographed or engraved, or produced by any combination of such methods, on steel engraved borders, and which certificates shall not bear any restrictive legends; and, in the case of an underwritten offering, enable such Registrable Securities to be in such denominations and registered in such names as the managing underwriters may request at least two business days prior to any sale of the Registrable Securities;

(xiv) enter into one or more underwriting agreements, engagement letters, agency agreements, "best efforts" underwriting agreements or similar agreements, as appropriate, including customary provisions relating to indemnification and contribution (such indemnification and contribution obligations of the Company to be no more extensive than those contained in the Note Purchase Agreement), and take such other actions in connection therewith as any Electing Holders aggregating at least 20% in aggregate principal amount of the Registrable Securities at the time outstanding shall reasonably request in order to expedite or facilitate the disposition of such Registrable Securities;

16

(xv) whether or not an agreement of the type referred to in Section 3(d)(xiv) hereof is entered into and whether or not any portion of the offering contemplated by the Shelf Registration is an underwritten offering or is made through a placement or sales agent or any other entity, (A) make such representations and warranties to the Electing Holders and the placement or sales agent, if any, therefor and the underwriters, if any, thereof in form, substance and scope as are customarily made in connection with an offering of debt securities pursuant to any appropriate agreement or

agent, if any, therefor or the underwriters, if any, thereof, dated (i) the effective date of such Shelf Registration Statement and (ii) the effective date of any prospectus supplement to the prospectus included in such Shelf Registration Statement or post-effective amendment to such Shelf Registration Statement which includes unaudited or audited financial statements as of a date or for a period subsequent to that of the latest such statements included in such prospectus (and, if such Shelf Registration Statement contemplates an underwritten offering pursuant to any prospectus supplement to the prospectus included in such Shelf Registration Statement or post-effective amendment to such Shelf Registration Statement which includes unaudited or audited financial statements as of a date or for a period subsequent to that of the latest such statements included in such prospectus, dated the date of the closing under the underwriting agreement relating thereto), such letter or letters to be in customary form and covering such matters of the type customarily covered by letters of such type; and (D) deliver such documents and certificates, including officers’ certificates, as may be reasonably requested by any Electing Holders of at least 20% in aggregate principal amount of the Registrable Securities at the time outstanding or the placement or sales agent, if any, therefor and the managing underwriters, if any, thereof to evidence the accuracy of the representations and warranties made pursuant to clause (A) above or those contained in Section 5(a) hereof and the compliance with or satisfaction of any agreements or conditions contained in the underwriting agreement or other agreement entered into by the Company or the Guarantors;

(xvi) notify in writing each holder of Registrable Securities of any proposal by the Company to amend or waive any provision of this Exchange and Registration Rights Agreement in any material respect pursuant to Section 9(h) hereof and of any such amendment or waiver effected pursuant thereto, each of which notices shall contain the text of the amendment or waiver proposed or effected, as the case may be;

(xvii) in the event that any broker-dealer registered under the Exchange Act shall underwrite any Registrable Securities or participate as a member of an underwriting syndicate or selling group or “assist in the distribution” (within the meaning of the Conduct Rules (the “Conduct Rules”) of the National Association of Securities Dealers, Inc. (“NASD”) or any successor thereto, as amended from time to time) thereof, whether as a holder of such Registrable Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, cooperate with such broker-dealer in connection with any filings required to be made by the FINRA;

(xviii) comply with all applicable rules and regulations of the Commission, and make generally available to its securityholders as soon as practicable but in any event not later than 18 months after the effective date of such Shelf Registration Statement, an earning statement of the Company and its

18

subsidiaries complying with Section 11(a) of the Securities Act (including, at the option of the Company, Rule 158 thereunder).

(e) In the event that the Company would be required, pursuant to Section 3(d)(viii)(D) above, to notify the Electing Holders, the placement or sales agent, if any, therefor and the managing underwriters, if any, thereof, the Company shall as soon

as reasonably practicable prepare and furnish to each of the Electing Holders, to each placement or sales agent, if any, and to each such underwriter, if any, a reasonable number of copies of a prospectus supplemented or amended so that, as thereafter delivered to purchasers of Registrable Securities, such prospectus shall conform in all material respects to the applicable requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder and shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing; *provided, however*, the Company shall not be required to amend or supplement such prospectus if (i) not permitted by law or (ii) the Company in good faith and for valid business reasons determines that to do so would involve disclosing a material undisclosed event. Each Electing Holder agrees that upon receipt of any notice from the Company pursuant to Section 3(d)(viii)(D) hereof, such Electing Holder shall forthwith discontinue the disposition of Registrable Securities pursuant to the Shelf Registration Statement applicable to such Registrable Securities until such Electing Holder shall have received copies of such amended or supplemented prospectus, and if so directed by the Company, such Electing Holder shall deliver to the Company (at the Company's expense) all copies, other than permanent file copies, then in such Electing Holder's possession of the prospectus covering such Registrable Securities at the time of receipt of such notice.

(f) In the event of a Shelf Registration, in addition to the information required to be provided by each Electing Holder in its Notice and Questionnaire, the Company may require such Electing Holder to furnish to the Company such additional information regarding such Electing Holder and such Electing Holder's intended method of distribution of Registrable Securities as may be required in order to comply with the Securities Act. Each such Electing Holder agrees to (i) notify the Company as promptly as practicable of (A) any inaccuracy or change in information previously furnished by such Electing Holder to the Company or (B) of the occurrence of any event in either case as a result of which any prospectus relating to such Shelf Registration contains or would contain an untrue statement of a material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities or omits to state any material fact regarding such Electing Holder or such Electing Holder's intended method of disposition of such Registrable Securities required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and (ii) promptly to furnish to the Company any additional information required to correct and update any previously furnished required information or so that such prospectus shall not contain, with respect to such Electing Holder or the disposition of such Registrable Securities, an untrue statement of a material fact or omit to state a

19

material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing.

(g) Until the expiration of one year after the Closing Date, the Company will not, and will not permit any of its "affiliates" (as defined in Rule 144) to, resell any of the Securities that have been reacquired by any of them except pursuant to an effective registration statement under the Securities Act.

4. *Registration Expenses.*

The Company agrees to bear and to pay or cause to be paid promptly all expenses incident to the Company's performance of or compliance with this Exchange and Registration Rights Agreement, including (a) all Commission and any FINRA registration, filing and review fees and expenses, (b) all fees and expenses in connection with the qualification of the Securities for offering and sale under the State securities and blue sky laws referred to in Section 3(d)(xii) hereof under the laws of such jurisdictions as any managing underwriters or the Electing Holders may designate, including any fees and disbursements of one counsel for the Electing Holders or underwriters in connection with such qualification, (c) all expenses relating to the preparation, printing, production, distribution and reproduction of each registration statement required to be filed hereunder, each prospectus included therein or prepared for distribution pursuant hereto, each amendment or supplement to the foregoing, and the expenses of preparing the Securities for delivery, (d) messenger, telephone and delivery expenses relating to the preparation of documents referred in clause (c) above, (e) fees and expenses of the Trustee under the Indenture, (f) internal expenses (including all salaries and expenses of the Company's officers and employees performing legal or accounting duties), (g) fees, disbursements and expenses of counsel and independent certified public accountants of the Company (including the expenses of any opinions or "cold comfort" letters required by or incident to such performance and compliance), (h) reasonable fees, disbursements and expenses of one counsel for the Electing Holders retained in connection with a Shelf Registration, as selected by the Electing Holders of at least a majority in aggregate principal amount of the Registrable Securities held by Electing Holders (which counsel shall be reasonably satisfactory to the Company), (j) any fees charged by securities rating services for rating the Securities, and (k) fees, expenses and disbursements of any other persons, including special experts, retained by the Company in connection with such registration (collectively, the "Registration Expenses"). To the extent that any Registration Expenses are incurred, assumed or paid by any holder of Registrable Securities or any placement or sales agent therefor or underwriter thereof, the Company shall reimburse such person for the full amount of the reasonable Registration Expenses so incurred, assumed or paid promptly after receipt of a request therefor. Notwithstanding the foregoing, the holders of the Registrable Securities being registered shall pay all agency fees and commissions and underwriting discounts and commissions attributable to the sale of such Registrable Securities and the fees and disbursements of any counsel or other advisors or experts retained by such holders (severally or jointly), other than the counsel and experts specifically referred to above.

20

5. *Representations and Warranties.*

The Company and the Guarantors represent and warrant to, and agree with, each Purchaser and each of the holders from

time to time of Registrable Securities that:

(a) Each registration statement covering Registrable Securities and each prospectus (including any preliminary or summary prospectus) contained therein or furnished pursuant to Section 3(d) or Section 3(c) hereof and any further amendments or supplements to any such registration statement or prospectus, when it becomes effective or is filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Securities Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and at all times subsequent to the Effective Time when a prospectus would be required to be delivered under the Securities Act, other than from (i) such time as a notice has been given to holders of Registrable Securities pursuant to Section 3(d)(viii)(D) or Section 3(c)(iii)(D) hereof until (ii) such time as the Company furnishes an amended or supplemented prospectus pursuant to Section 3(e) or Section 3(c)(iv) hereof, each such registration statement, and each prospectus (including any summary prospectus) contained therein or furnished pursuant to Section 3(d) or Section 3(c) hereof, as then amended or supplemented, will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by a holder of Registrable Securities, a placement or sales agent or an underwriter expressly for use therein.

(b) Any documents incorporated by reference in any prospectus referred to in Section 5(a) hereof, when they become or became effective or are or were filed with the Commission, as the case may be, will conform or conformed in all material respects to the requirements of the Securities Act or the Exchange Act, as applicable, and, as of such effective or filing date, none of such documents will contain or contained an untrue statement of a material fact or will omit or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; *provided, however*, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by a holder of Registrable Securities, a placement or sales agent or an underwriter expressly for use therein.

(c) The compliance by the Company with all of the provisions of this Exchange and Registration Rights Agreement and the consummation of the transactions herein contemplated will not conflict with or result in a breach of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any subsidiary of

21

the Company is a party or by which the Company or any subsidiary of the Company is bound or to which any of the property or assets of the Company or any subsidiary of the Company is subject, except for such conflict, breach or default which (x) would not have a material adverse effect on the business, condition (financial or otherwise) or results of operations of the Company and its subsidiaries, taken as a whole (any such event, a "Material Adverse Effect") or (y) have been waived nor will such action result in any violation of the provisions of the organizational documents of the Company or the Guarantors or violate any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company or any subsidiary of the Company or any of their properties except for such violation which would not have a Material Adverse Effect; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the consummation by the Company and the Guarantors of the transactions contemplated by this Exchange and Registration Rights Agreement, except the registration under the Securities Act of the Securities, qualification of the Indenture under the Trust Indenture Act and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or blue sky laws in connection with the offering and distribution of the Securities.

(d) This Exchange and Registration Rights Agreement has been duly authorized, executed and delivered by the Company and the Guarantors.

6. *Indemnification.*

(a) *Indemnification by the Company and the Guarantors.* The Company and the Guarantors, jointly and severally, will indemnify and hold harmless each broker dealer selling Exchange Securities during the Resale Period, and each of the Electing Holders of Registrable Securities included in a Shelf Registration Statement against any losses, claims, damages or liabilities, joint or several, to which such holder may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Exchange Registration Statement or Shelf Registration Statement, as the case may be, under which such Registrable Securities were registered under the Securities Act, or any preliminary, final or summary prospectus contained therein or furnished by the Company to any such holder, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse such holder for any out-of-pocket legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that (i) neither the Company nor any Guarantor shall be liable to any such person in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, or preliminary, final or summary prospectus, or amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by any holder, placement or sales agent or underwriter

22

expressly for use therein and (ii) such indemnity with respect to any preliminary prospectus shall not inure to the benefit of any holder, placement agent or underwriter (or any person controlling such person) to the extent that any loss, claim, damage or liability of such person results from the fact that such person sold Securities to a person as to whom it shall be established that there was not sent or given, a copy of the final prospectus (or the final prospectus as amended or supplemented) at or prior to the confirmation of the sale of such Securities to such person if (x) the Company has previously furnished copies thereof in sufficient quantity to such indemnified person and the loss, claim, damage or liability of such indemnified person results from an untrue statement or omission of a material fact contained in such preliminary prospectus which was corrected in the final prospectus (or the final prospectus as amended or supplemented) and (y) such loss, liability, claim, damage or expense would have been eliminated by the delivery of such corrected final prospectus or the final prospectus as then amended or supplemented.

(b) *Indemnification by the Holders and Any Agents and Underwriters.* As a condition to including any Registrable Securities in any registration statement filed pursuant to Section 2(b) hereof or to entering into any underwriting agreement with respect thereto, each Electing Holder of such Registrable Securities and each underwriter named in any such underwriting agreement, severally and not jointly, will (i) indemnify and hold harmless the Company, the Guarantors, and all other holders of Registrable Securities, against any losses, claims, damages or liabilities to which the Company, the Guarantors or such other holders of Registrable Securities may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such registration statement, or any preliminary, final or summary prospectus contained therein or furnished by the Company to any such Electing Holder, agent or underwriter, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by such Electing Holder or underwriter expressly for use therein, and (ii) reimburse the Company and the Guarantors for any legal or other expenses reasonably incurred by the Company and the Guarantors in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however,* that no such Electing Holder shall be required to undertake liability to any person under this Section 6(b) for any amounts in excess of the proceeds to be received by such Electing Holder from the sale of such Electing Holder's Registrable Securities pursuant to such registration.

(c) *Notices of Claims, Etc.* Promptly after receipt by an indemnified party under Section 6(a) or Section 6(b) above of written notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party pursuant to the indemnification provisions of or contemplated by this Section 6, notify such indemnifying party in writing of the commencement of such action; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under the indemnification provisions of or contemplated by

Section 6(a) or 6(b) above. In case any such action shall be brought against any indemnified party and it shall notify an indemnifying party of the commencement thereof, such indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, such indemnifying party shall not be liable to such indemnified party for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to an admission of fault, culpability or a failure to act by or on behalf of any indemnified party. No indemnifying party shall be liable under this Section 6(c) for any settlement of any claim or action effected without its consent, which consent shall not be unreasonably withheld.

(d) *Contribution.* If for any reason the indemnification provisions contemplated by Section 6(a) or Section 6(b) above are unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault of such indemnifying party and indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by such indemnifying party or by such indemnified party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just and equitable if contributions pursuant to this Section 6(d) were determined by pro rata allocation (even if the holders or any agents or underwriters or all of them were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 6(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages, or liabilities (or actions in respect thereof) referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such indemnified party in connection with investigating or defending any

such action or claim. Notwithstanding the provisions of this Section 6(d), no holder shall be required to contribute any amount in excess of the amount by which the proceeds received by such holder from the sale of any Registrable Securities (after deducting any fees, discounts and commissions applicable thereto) exceeds the amount of any damages which such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission, and no underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Registrable Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The holders' and any underwriters' obligations in this Section 6(d) to contribute shall be several in proportion to the principal amount of Registrable Securities registered or underwritten, as the case may be, by them and not joint.

(e) The obligations of the Company and the Guarantors under this Section 6 shall be in addition to any liability which the Company or the Guarantors may otherwise have and shall extend, upon the same terms and conditions, to each officer, director and partner of each holder, agent and underwriter and each person, if any, who controls any holder, agent or underwriter within the meaning of the Securities Act; and the obligations of the holders and any agents or underwriters contemplated by this Section 6 shall be in addition to any liability which the respective holder, agent or underwriter may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company or the Guarantors and to each person, if any, who controls the Company or a Guarantor within the meaning of the Securities Act.

7. *Underwritten Offerings.*

(a) *Selection of Underwriters.* If any of the Registrable Securities covered by the Shelf Registration are to be sold pursuant to an underwritten offering, the managing underwriter or underwriters thereof shall be designated by Electing Holders holding at least a majority in aggregate principal amount of the Registrable Securities to be included in such offering, provided that such designated managing underwriter or underwriters is or are reasonably acceptable to the Company.

(b) *Participation by Holders.* Each holder of Registrable Securities hereby agrees with each other such holder that no such holder may participate in any underwritten offering hereunder unless such holder (i) agrees to sell such holder's Registrable Securities on the basis provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

8. *Rule 144.*

The Company covenants to the holders of Registrable Securities that to the extent it shall be required to do so under the Exchange Act, the Company shall timely file the reports required to be filed by it under the Exchange Act or the Securities Act (including the reports under Section 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1) of Rule 144 adopted by the Commission under the Securities Act) and the rules and regulations adopted by the Commission thereunder, and shall take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144 under the Securities Act, as such Rule may be amended from time to time, or any similar or successor rule or regulation hereafter adopted by the Commission. Upon the request of any holder of Registrable Securities in connection with that holder's sale pursuant to Rule 144, the Company shall deliver to such holder a written statement as to whether it has complied with such requirements.

9. *Miscellaneous.*

(a) *No Inconsistent Agreements.* The Company represents, warrants, covenants and agrees that it has not granted, and shall not grant, registration rights with respect to Registrable Securities or any other securities which would be inconsistent with the terms contained in this Exchange and Registration Rights Agreement.

(b) *Remedy.* Special Interest pursuant to Section 2(e) hereof is the sole remedy available to holders of Registrable Securities in the event the Company does not comply with any of its registration and other obligations set forth in Section 2 herein. In addition, the parties hereto acknowledge that there would be no adequate remedy at law if the Company fails to perform any of its other obligations under Sections 4, 6, or 8 hereunder and that the Purchasers and the holders from time to time of the Registrable Securities may be irreparably harmed by any such failure, and accordingly agree that the Purchasers and such holders, in addition to any other remedy to which they may be entitled at law or in equity, shall be entitled to compel specific performance of such obligations in accordance with the terms and conditions of this Exchange and Registration Rights Agreement, in any court of the United States or any State thereof having jurisdiction.

(c) *Notices.* All notices, requests, claims, demands, waivers and other communications hereunder shall be in writing and shall be deemed to have been duly given when delivered by hand, if delivered personally or by courier, or three days after being deposited in the mail (registered or certified mail, postage prepaid, return receipt requested) as follows: If to the Company, to it at 500 Huntsman Way, Salt Lake City, Utah 84108, Attention: General Counsel, and if to a holder, to the address of such holder set forth in

the security register or other records of the Company, or to such other address as the Company or any such holder may have furnished to the other in writing in accordance herewith, except that notices of change of address shall be effective only upon receipt.

26

(d) *Parties in Interest.* All the terms and provisions of this Exchange and Registration Rights Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and the holders from time to time of the Registrable Securities and the respective successors and assigns of the parties hereto and such holders. In the event that any transferee of any holder of Registrable Securities shall acquire Registrable Securities, in any manner, whether by gift, bequest, purchase, operation of law or otherwise, such transferee shall, without any further writing or action of any kind, be deemed a beneficiary hereof for all purposes and such Registrable Securities shall be held subject to all of the terms of this Exchange and Registration Rights Agreement, and by taking and holding such Registrable Securities such transferee shall be entitled to receive the benefits of, and be conclusively deemed to have agreed to be bound by all of the applicable terms and provisions of this Exchange and Registration Rights Agreement. If the Company shall so request, any such successor, assign or transferee shall agree in writing to acquire and hold the Registrable Securities subject to all of the applicable terms hereof.

(e) *Survival.* The respective indemnities, agreements, representations, warranties and each other provision set forth in this Exchange and Registration Rights Agreement or made pursuant hereto shall remain in full force and effect regardless of any investigation (or statement as to the results thereof) made by or on behalf of any holder of Registrable Securities, any director, officer or partner of such holder, any agent or underwriter or any director, officer or partner thereof, or any controlling person of any of the foregoing, and shall survive delivery of and payment for the Registrable Securities pursuant to the Note Purchase Agreement and the transfer and registration of Registrable Securities by such holder and the consummation of an Exchange Offer.

(f) ***Governing Law. This Exchange and Registration Rights Agreement shall be governed by and construed in accordance with the laws of the State of New York.***

(g) *Headings.* The descriptive headings of the several Sections and paragraphs of this Exchange and Registration Rights Agreement are inserted for convenience only, do not constitute a part of this Exchange and Registration Rights Agreement and shall not affect in any way the meaning or interpretation of this Exchange and Registration Rights Agreement.

(h) *Entire Agreement; Amendments.* This Exchange and Registration Rights Agreement and the other writings referred to herein (including the Indenture and the form of Securities) or delivered pursuant hereto which form a part hereof contain the entire understanding of the parties with respect to its subject matter. This Exchange and Registration Rights Agreement supersedes all prior agreements and understandings between the parties with respect to its subject matter. This Exchange and Registration Rights Agreement may be amended and the observance of any term of this Exchange and Registration Rights Agreement may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a written instrument duly executed by the Company and the holders of at least a majority in aggregate principal amount of the Registrable Securities at the time outstanding. Each holder of any of the Registrable Securities at the time or thereafter

27

outstanding shall be bound by any amendment or waiver effected pursuant to this Section 9(h), whether or not any notice, writing or marking indicating such amendment or waiver appears on such Registrable Securities or is delivered to such holder.

(i) *Inspection.* For so long as this Exchange and Registration Rights Agreement shall be in effect, this Exchange and Registration Rights Agreement and a complete list of the names and addresses of all the holders of Registrable Securities shall be made available for inspection and copying on any business day by any holder of Registrable Securities for proper purposes only (which shall include any purpose related to the rights of the holders of Registrable Securities under the Securities, the Indenture and this Exchange and Registration Rights Agreement) at the offices of the Trustee under the Indenture.

(j) *Counterparts.* This Exchange and Registration Rights Agreement may be executed by the parties in counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

28

If the foregoing is in accordance with your understanding, please sign and return to us five counterparts hereof, and upon the acceptance hereof by you, on behalf of each of the Purchasers, this letter and such acceptance hereof shall constitute a binding agreement between each of the Purchasers, the Guarantors and the Company. It is understood that your acceptance of this letter on behalf of each of the Purchasers is pursuant to the authority set forth in a form of Agreement among Purchasers, the form of which shall be submitted to the Company for examination upon request, but without warranty on your part as to the authority of the signers thereof.

Very truly yours,

Additionally, there shall not exist any judgment, order, injunction or other restraint issued or filed or a hearing seeking injunctive relief or other restraint pending or notified prohibiting or imposing material adverse conditions upon all or any part of this Amendment or the transactions contemplated hereby.

(f) Compliance Certificate. The Borrower shall have delivered to the Administrative Agent a duly executed Compliance Certificate in the form attached hereto as Exhibit C for the immediately preceding four full Fiscal Quarters giving pro forma effect to the Term C Loans hereunder (prepared in good faith and in a manner and using such methodology which is consistent with the most recent financial statements delivered pursuant to Section 7.1 of the Credit Agreement) and evidencing compliance with the covenant set forth in Article IX of the Credit Agreement.

(g) Opinion of Counsel. The Administrative Agent shall have received from Vinson & Elkins L.L.P., special counsel to the Borrower, an opinion in the form attached hereto as Exhibit D, addressed to the Administrative Agent and each of the Term C Loan Lenders and dated the Fourth Amendment Effective Date.

Each Term C Loan Lender hereby agrees that by the funding of its Term C Loans, such Person approves of and consents to each of the matters set forth in Section 3 which must be approved by, or which must be satisfactory to, the Term C Loan Lenders.

9

SECTION 4 References to and Effect on the Credit Agreement. On and after the Fourth Amendment Effective Date each reference in the Credit Agreement to “this Agreement,” “hereunder,” “hereof,” “herein,” or words of like import, and each reference

to the Credit Agreement, as the case may be, in the Loan Documents and all other documents (the “Ancillary Documents”) delivered in connection with the Credit Agreement shall mean and be a reference to the Credit Agreement as amended hereby.

Except as specifically amended above, the Credit Agreement, and the other Loan Documents and all other Ancillary Documents shall remain in full force and effect and are hereby ratified and confirmed.

The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of the Term C Loan Lenders or the Administrative Agent under the Credit Agreement, the Loan Documents or the Ancillary Documents.

SECTION 5 Costs and Expenses. Notwithstanding anything to the contrary contained in the Credit Agreement or any other Loan Document, each of the parties hereto agrees to pay its own costs and expenses in connection with the negotiation, preparation, printing, typing, reproduction, execution and delivery of this Amendment and all other documents furnished pursuant hereto or in connection herewith, including without limitation, the fees and out-of-pocket expenses of its counsel, independent public accountants and other outside experts retained by it in connection therewith and the Borrower shall not be responsible for such costs and expenses of the other parties hereto.

SECTION 6 Miscellaneous.

6.1. Administrative Agent Acknowledgments. The Administrative Agent hereby acknowledges and confirms the following:

(a) In accordance with Section 2.1(a)(ii)(A) of the Credit Agreement, the initial syndication of the Loans and Commitments with respect to the Credit Agreement has heretofore occurred to the Administrative Agent’s satisfaction.

(b) As of the Fourth Amendment Effective Date, the Administrative Agent does not require reaffirmations of or amendments to Security Documents in order for the Borrower to comply with Section 2.1(a)(ii)(B) of the Credit Agreement.

(c) Based on the information it has as of the date hereof, the Administrative Agent has no reason to object to the terms and conditions of this Amendment and that certain Note Purchase Agreement dated June 22, 2009 among the Borrower, Credit Suisse Securities (USA) LLC and Deutsche Bank Securities Inc. and, in each case, the transactions contemplated thereby.

(d) The Administrative Agent has received the Compliance Certificate delivered by the Borrower herewith pursuant to Section 2.1(a)(ii)(A) of the Credit Agreement and the form of such Compliance Certificate complies on its face with such Section (subject to Section 11.4 of the Credit Agreement) and the Administrative Agent has no reason to believe

that such Compliance Certificate is not satisfactory in substance when delivered hereunder.

6.2. Tax Treatment. For federal income tax purposes, the Borrower and each Term C Loan Lender that is a signatory hereto agree (i) the “issue price” of such Term C Loan Lender’s Term C Loan for purposes of Section 1273 of the Code is the principal amount of such Term C Loan, and (ii) the Term C Loan is not part of an “investment unit” for purposes of Treasury Regulation Section 1.1273-2. Each Term C Loan Lender that is a signatory hereto acknowledges that it is acting as principal in making the Term C Loan (and not as a bond house, broker, or similar person acting in the capacity of an underwriter, placement agent, or wholesaler), and each Term C Loan Lender agrees that it will not, and any majority-owned affiliate will not, sell all or any portion of the Term C Loan for 30 days following the date on which such loan is made. Each Term C Lender that is a signatory hereto agrees that it, and any majority-owned affiliate thereof, will file all federal income tax returns (and all other income tax returns that follow federal income tax principles) in a manner consistent with this Section 6.2 and the Borrower shall not have any recourse against such Term C Loan Lender on the basis of this Section 6.2, provided that such Term C Loan Lender and any majority-owned affiliate thereof so files its tax returns and complies with the 30-day requirement of the immediately preceding sentence. The Borrower agrees to file all federal income tax returns (and all other income tax returns that follow federal income tax principles) in a manner consistent with this Section 6.2, and no Term C Loan Lender shall have any recourse against the Borrower on the basis of this Section 6.2, provided that the Borrower so files its tax returns. For the avoidance of doubt, this Section 6.2 is not intended to (1) affect any Term C Loan Lender’s or any majority-owned affiliate’s financial accounting reporting with respect to the Term C Loans, or (2) limit the ability of any Term C Loan Lender or any majority-owned affiliate thereof that otherwise utilizes “mark to market” accounting with respect to the Term C Loan for Federal income tax purposes to mark the Term C Loan to market in a manner consistent with its method of accounting. This Section 6.2 shall not apply to a Term C Loan Lender that is a signatory hereto, or to any majority-owned affiliate thereof, unless the Company provides to such Term C Loan Lender, within 30 days of the Fourth Amendment Effective Date, a copy of an opinion of a nationally recognized independent tax counsel, addressed to the Company and reasonably satisfactory to the Term C Loan Lender (but not stating that the Term C Loan Lender is entitled to rely on such opinion), stating that the foregoing tax treatment is more likely than not correct for Federal income tax purposes. This Section 6.2 shall not apply to a Term C Loan Lender, or any majority-owned affiliate thereof, with respect to tax returns filed by it with a particular taxing authority for any tax year after the time such taxing authority proposes an adjustment challenging the tax reporting position for any tax year required by this Section 6.2. Notwithstanding Section 12.8 of the Credit Agreement, this Section 6.2 shall apply only to a Term C Loan Lender that is a signatory hereto and its majority-owned affiliates.

6.3. Execution in Counterparts. This Amendment may be executed in one or more counterparts, each of which, when executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute but one and the same document with the same force and effect as if the signatures of all of the parties were on a single counterpart, and it shall not be necessary in making proof of this Amendment to produce more than one (1) such counterpart. Delivery of an executed signature page to

this Amendment by telecopy shall be deemed to constitute delivery of an originally executed signature page hereto.

6.4. Governing Law. THIS AMENDMENT SHALL BE DEEMED TO BE A CONTRACT MADE UNDER THE LAWS OF THE STATE OF NEW YORK, AND FOR ALL PURPOSES SHALL BE CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS AND DECISIONS OF SAID STATE.

6.5. Headings. Headings used in this Amendment are for convenience of reference only and shall not affect the construction of this Amendment.

6.6. Integration. This Amendment, the other agreements and documents executed and delivered pursuant to this Amendment and the Credit Agreement constitute the entire agreement among the parties hereto with respect to the subject matter hereof.

6.7. Binding Effect. This Amendment shall be binding upon and inure to the benefit of and be enforceable by the Borrower, the Administrative Agent and the Term C Loan Lenders and their respective successors and assigns. Except as expressly set forth to the contrary herein, this Amendment shall not be construed so as to confer any right or benefit upon any Person other than the Borrower, the Administrative Agent and the Term C Loan Lenders and their respective successors and permitted assigns.

6.8. Representations. As of the Fourth Amendment Effective Date, the Borrower represents and warrants as follows:

(a) The Borrower (i) is duly organized, validly existing and in good standing (if applicable) under the laws of the State of Delaware and (ii) has the power and authority to execute and deliver this Amendment and to perform its obligations hereunder.

(b) The Borrower has duly taken all corporate action necessary to authorize the execution and delivery by it of this Amendment and to authorize the consummation of the transactions contemplated hereby and the performance of its obligations hereunder. The Borrower has duly executed and delivered this Amendment. This Amendment is the legal, valid and binding obligation of the Borrower, enforceable against it in accordance with its terms, except as such enforcement may be limited by bankruptcy, insolvency or similar laws of general application relating to the enforcement of creditors' rights.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed and delivered by their duly authorized officers as of the day and year first above written.

1. Voting under Credit Agreement. In connection with any proposed amendment, modification, supplement, waiver, discharge, termination or other change in respect of the Credit Agreement or any other Loan Document or any provision thereof, or in connection with any matter under the Loan Documents as to which the vote or consent of Lenders are requested or required (including, without limitation, with respect to the exercise of any rights or remedies under any Loan Document) (any of the foregoing, a "Proposed Voting Matter"), each of DB, CS, and their respective affiliates (collectively, the "Restricted Voters"), shall vote or consent in respect of such Proposed Voting Matter with respect to any Term Loans (other than Excluded Term Loans, as such term is defined herein) held by such Restricted Voter (but such Restricted Voter shall not be required to so vote or consent with respect to any other Loans held by such Restricted Voter, or so vote or consent in any other capacity of such Restricted Voter, including, without limitation, in its capacity as Administrative Agent) on a proportionate basis in accordance with the vote or consent of all of the Lenders (other than the Restricted Voters) who

vote or consent in respect thereof (for example, if the Lenders (other than the Restricted Voters) vote 60% in favor of a Proposed Voting Matter based upon their aggregate commitments and/or the outstanding principal amount of their Loans, then, likewise, the Restricted Voters shall vote their Term Loans 60% in favor of such Proposed Voting Matter based upon the aggregate outstanding principal amount of their Term Loans), and each such Restricted Voter, in accordance with its vote or consent, shall execute such documentation in connection with such Proposed Voting Matter as may be required to evidence such vote or consent; provided that, no Restricted Voter shall be required to vote or consent as aforesaid: (a) with respect to any Proposed Voting Matter, if the Borrower has provided its prior written consent to the effect that such requirement is not applicable to such Restricted Voter with respect to such Proposed Voting Matter; (b) in connection with any Proposed Voting Matter as to which the Borrower has requested or solicited a favorable vote or consent from the Lenders and as to which such Restricted Voter votes or consents 100% in favor of such Proposed Voting Matter; (c) during any time that the aggregate principal amount of Term C Dollar Loans outstanding under the Credit Agreement exceeds (or would exceed after giving effect to any transactions contemplated in connection with the Proposed Voting Matter, in the case of an exit consent) the aggregate principal amount of other Term Loans outstanding under the Credit Agreement; and (d) to the extent that any Proposed Voting Matter would (i) extend the final scheduled maturity of any Term Loan, or reduce the rate or extend the time of payment of interest (except for waivers of Default Rate interest) or fees thereon (if any), or reduce or forgive the principal amount thereof, (ii) release all or substantially all of the Collateral (except as expressly provided in the Security Documents) or release any Guarantor (other than (x) a Guarantor that is not a Material Subsidiary or (y) in connection with a transaction permitted by Section 8.3 of the Credit Agreement), (iii) amend, modify or waive any provision of Section 12.1 of the Credit Agreement, (iv) reduce the percentage specified in the definition of Required Lenders (it being understood that the definition of "Required Lenders" shall henceforth include Term C Loan Lenders), (v) consent to the assignment or transfer by the Borrower of any of its rights and obligations under the Credit Agreement, (vi) increase the Commitments of such Restricted Voter over the amount thereof then in effect (it being understood that waivers or modifications of conditions precedent, covenants, Events of Default or Unmatured Events of Default shall not constitute an increase of the Commitment of any Restricted Voter, and that an increase in the available portion of any Commitment of any Restricted Voter shall not constitute an increase in the Commitment of such Restricted Voter), (vii) amend the definition of Majority Lenders, (viii) alter the required application of any prepayments or repayments (or commitment reduction), as between the various Facilities pursuant to Section 4.5(a) of the Credit Agreement, or (ix) disproportionately alter, as between the various Facilities, the priority of: (A) any repayments of principal or prepayments of principal, (B) Liens, (C) the application of collateral proceeds or (D) any Guaranty.

2. Enforcement Costs; Indemnity.

a. Each of DB and CS agree to pay all fees, charges and disbursements of counsel and other professionals' fees of every kind paid or incurred by the Borrower or any

2

affiliate of the Borrower in enforcing the agreements contained herein or the rights of the Borrower hereunder against it or any of its affiliates.

b. Each of DB and CS hereby agree to indemnify the Borrower, its affiliates and their respective officers, directors, employees, agents and representatives from and against, and hold each such person harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of counsel for any such indemnitee, incurred by or asserted against any such indemnitee arising out of, in connection with, or as a result of, the breach of this Agreement or the provisions hereof by DB, CS or any of their respective affiliates, whether based on contract, tort or any other theory and regardless of whether any indemnitee is a party hereto, and such indemnity shall extend to each indemnitee notwithstanding the sole or concurrent negligence of every kind or character whatsoever, whether active or passive, whether an affirmative act or omission, including without limitation, all types of negligent conduct identified in the Restatement (Second) of Torts, of one or more of the indemnitee; provided that, such indemnity shall not, as to any indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted solely and directly from the gross negligence, bad faith or willful misconduct of such indemnitee.

3. Certain Defined Terms.

For purposes of this Agreement, the following terms have the following meanings:

"hold" or any correlative term thereof means the holding with respect to any Loan, whether directly, indirectly, beneficially, or by or through any arrangement pursuant to which any Person has the power to direct or control the voting or consent rights in respect thereof.

"Excluded Term Loans" means Term Loans held by a Restricted Voter to the extent that: (i) the ultimate beneficiaries of such Term Loans who are not themselves Restricted Voters exercise, whether by contract, law or prevailing market practice, control over the vote or consent of such Term Loans (provided that in the case of any of the foregoing circumstances, to the extent that such Restricted Voter is not otherwise prohibited by such contract or law, or it is usual and customary in the case of prevailing market practice, to exercise its own discretion to vote or consent with respect to any matter, such Restricted Voter shall vote or consent as otherwise required by the terms of Section 1 hereof), or (ii) such Restricted Voter is required as a fiduciary on behalf of other Persons who are not themselves Restricted Voters to vote in the interests of such Persons in connection with asset management or similar services provided by such Restricted Voter in the ordinary course of business; provided, that no Term Loans shall be Excluded Term Loans to the extent this definition is used in a scheme or arrangement to circumvent the provisions and the intent of this Agreement.

3

4. Miscellaneous.

a. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

b. The Borrower may demand specific performance of this Agreement and DB and CS hereby irrevocably waive any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by the Borrower.

c. This Agreement may be executed in any number of counterparts and by the different parties on different counterpart signature pages, all of which, taken together, shall constitute one and the same agreement.

d. Any of the parties hereto may execute this Agreement by signing any such counterpart and each of such counterparts shall for all purposes be deemed to be an original. Delivery of a counterpart hereof by facsimile transmission or by e-mail transmission shall be effective as delivery of a manually executed counterpart hereof.

e. The terms of this Agreement shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and assigns; provided that, this Agreement shall not be binding upon any unaffiliated third party that purchases Term Loans from either DB or CS (but the effectiveness of this Agreement shall be reinstated against DB, CS or any affiliate of either thereof in the event they re-acquire any Term Loans from an unaffiliated third party).

f. An amendment, modification or waiver in respect of this Agreement will only be effective if in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties hereto.

g. Each of DB and CS hereby irrevocably instructs the Administrative Agent under the Credit Agreement to vote or consent on its behalf in connection with any Proposed Voting Matter in accordance with the terms hereof.

**HUNTSMAN REACHES SETTLEMENT WITH BANKS FOR
\$1.73 BILLION OF CASH AND FINANCING**

The Woodlands, TX – Huntsman Corporation (NYSE: HUN) today announced it has reached agreement with Credit Suisse and Deutsche Bank (the “Banks”) to settle Huntsman’s claims and end the ongoing trial against them in Texas state court for fraud and tortious interference in connection with Huntsman’s terminated merger agreements with Basell and Hexion Specialty Chemicals, Inc.

Under the terms of the settlement agreement, the Banks are providing the following to Huntsman today:

- \$620 million in cash
- \$500 million senior secured term loan financing, 7 year term at LIBOR + 2.25%
- \$600 million unsecured note financing, 7 year term at 5.5%
- \$12 million reimbursement of litigation costs

Including the \$1.0 billion settlement with Hexion and Apollo in December of 2008, cumulative settlement proceeds total in excess of \$2.7 billion. The settlement proceeds from the Banks will be used to repay certain of Huntsman’s outstanding indebtedness and further enhance the company’s liquidity. The company intends to continue to pay its quarterly dividend of \$0.10 per share. It is currently expected that Huntsman will use settlement proceeds to repay its \$295 million of senior secured notes (due 2010, rate of 11.625%). Huntsman also intends to substantially reduce the size of its current revolving credit facility due 2010. Huntsman expects the \$620 million of cash proceeds to incur cash taxes at a rate of approximately 23% which will eliminate its domestic tax net operating loss position.

Peter Huntsman, President and CEO, stated: *“This settlement with the Banks marks a very successful conclusion to this litigation for the company and all of its stakeholders. The cash and financing will enhance our already enviable cash position to more than approximately \$1.7 billion and provide us much greater flexibility as we manage our business. The financing offers us a much lower average cost of borrowing and extends the maturities of our borrowings such that the earliest meaningful maturity is July 2012. We are well positioned to prosper as we move forward past this concern.”*

Jon M. Huntsman, Founder and Executive Chairman of Huntsman Corporation, commented: *“I am very pleased with this settlement by the Banks. Our officers and trial team did an outstanding job at trial and I believe this settlement reflects those efforts and the integrity with which our company conducts its business. We will put these proceeds to good use as we press forward to write the next successful chapter of our company history.”*

Pro forma net debt as of March 31, 2009 reduces from \$3.3 billion to \$2.8 billion. Below is a summary of the company’s debt, pro forma adjusted to include the likely use of settlement proceeds:
