Merger Creates Substantial Long-Term Value

Strategic rationale

- Highly complementary product portfolios creating production set up and supply chain benefit opportunities in specific overlapping businesses. Performance Products / Care Chemicals / Natural Resources represent approx. 35% of overall sales
 - Meaningful opportunities for growth including cross-selling potential and new product applications
 - Complementary asset and geographic fit provides significant commercial opportunities and more global reach within established routes to market
 - Continuing to move downstream into specialties and more differentiated applications while taking advantage of a broad asset base
- Two strong specialty chemicals businesses with similar EBITDA margins at 17.2% including synergies when combined
- Unique opportunity by combining the best of two cultures – Huntsman's entrepreneurship and efficiency and Clariant's innovation and business excellence

Financial rationale

- High confidence in meeting synergy target in excess of \$400m + \$25m tax savings
- Additional organic sales revenues of ~2% p.a. at ~ 20% EBITDA margin from complementary product portfolios in Performance Products / Care Chemicals / Natural Resources
- Stronger balance sheet with pro forma leverage of under 1.5x, consistent higher cash flow, and lower financing costs
- More capital for organic growth, value creating add-on acquisitions and capital return

Strategic Direction for Near- and Long-Term Value Creation

<p>Focus on higher growth & profitability specialty chemicals businesses</p>	<ul style="list-style-type: none"> ▪ Clear joint understanding of the combined company's future core segments in higher growth and higher margin businesses ▪ Significant strategic flexibility to be utilized, including add-on acquisitions and divestments ▪ Joint strategic direction for near- and long-term value creation
<p>Expansion of existing strong downstream presence</p>	<ul style="list-style-type: none"> ▪ Formulation- and application-based segment niches as target areas for expansion ▪ High-end composites (Advanced Materials), bespoke PU systems, customer oriented and co-developed products (OMS, Care Chemicals, Catalysts)
<p>Reaping benefits of complementary supply chain and complementary market reach</p>	<ul style="list-style-type: none"> ▪ Leveraging complementary production set up and supply chain benefit in Care Chemicals, Performance Products and Natural Resources (approx. 35% of HC combined sales) with a comprehensive surfactants portfolio in high-end niche markets globally ▪ Existing presence in building blocks (MDI, EO, PO) to be fully leveraged in surfactants and PU systems ▪ Common application of complementary R&D and technological expertise
<p>Additional 2% revenue growth p.a. at 20% EBITDA margin</p>	<ul style="list-style-type: none"> ▪ Leverage complementary asset and sales force footprint allowing cross-selling across the globe (e.g. for CLN in the U.S. and for HUN in LatAm) ▪ Fuel regional growth – e.g. China with a ~3,000 employee strong domestic market presence ▪ Cross-fertilization of complementary innovation and application technology capabilities translate into application platform advantages across Care Chemicals, Performance Products & Natural Resources & Additives <ul style="list-style-type: none"> - Downstream application in Care Chemicals - Additives technology for Advanced Materials and PU - Polyol chemistry for PU and Amine technology for Mining
