Forward Looking Statements

This presentation includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements include statements concerning our plans, objectives, goals, strategies, future events, future revenue or performance, capital expenditures, financing needs, plans or intentions relating to acquisitions, business trends and other information that is not historical information. When used in this presentation, the words "stumates," "expects," anticipates," "projects," "plans," "intends," "believes," "forecasts," or future or conditional verbs, such as "will," "should," "could" or "may," and variations of such words or similar expressions are intended to identify forward-looking statements. All forward-looking statements, including, without limitation, management's examination of historical operating trends and data, are based upon our current expectations and various assumptions. Our expectations, beliefs and projections are expressed in good faith, and we believe there is a reasonable basis for them. However, there can be no assurance that management's expectations, beliefs and projections should circumstances change, except as required by applicable laws.

The forward-looking statements in this release are subject to uncertainty and changes in circumstances and involve risks and uncertainties that may affect the company's operations, markets, products, services, prices and other factors as discussed in the Huntsman companies' filings with the U.S. Securities and Exchange Commission. Significant risks and uncertainties may relate to, but are not limited to, volatile global economic conditions, cyclical and volatile product markets, disruptions in production at manufacturing facilities, reorganization or restructuring of Huntsman's operations, including any delay of, or other negative developments affecting, our merger with Clariant, the ability to implement cost reductions and manufacturing optimization improvements in Huntsman businesses and realize anticipated cost savings, and other financial, economic, competitive, environmental, political, legal, regulatory and technological factors.

All forward-looking statements attributable to us or persons acting on our behalf apply only as of the date made and are expressly qualified in their entirety by the cautionary statements included in this presentation. We undertake no obligation to update or revise forward-looking statements which may be made to reflect events or circumstances that arise after the date made or to reflect the occurrence of unanticipated events.

Supplemental Information

This presentation contains financial measures that are not in accordance with generally accepted accounting principles in the U.S. ("GAAP"), including EBITDA, adjusted EBITDA, adjusted EBITDA from discontinued operations, normalized EBITDA, adjusted net income (loss), adjusted diluted income (loss) per share and net debt. The Company has provided reconciliations of non-GAAP financial measures to the most directly comparable GAAP financial measures in the Appendix to this presentation.

Our financial statements and tax returns are prepared with certain components of inventory stated on the LIFO method for inventory valuation, and supplemental information is not intended to replace the primary published financial statements which include these inventories on a LIFO basis. Please refer to the primary published financial statements in our most recently filed Form 10-K and Forms 10-Q.

Near Term Priorities

Focused on free cash flow generation and debt reduction

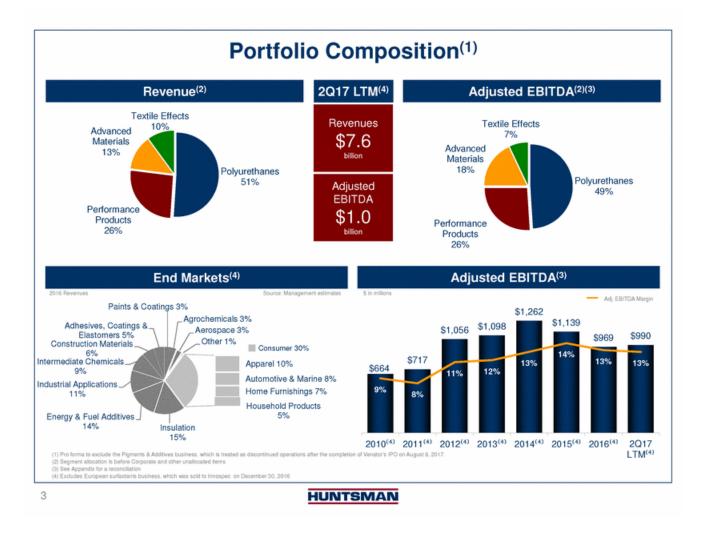

- Greater than \$450 million FCF expected in 2017 on a pre-Venator basis. Second half 2017 targeted to be greater than \$150mm, without Venator
- Repaid \$265 million of debt in 2017 as of the end of July 2017
- Since January 2016, including approximately \$1.2 billion of Venator net proceeds excluding tax, we
 will have repaid over \$2 billion of debt

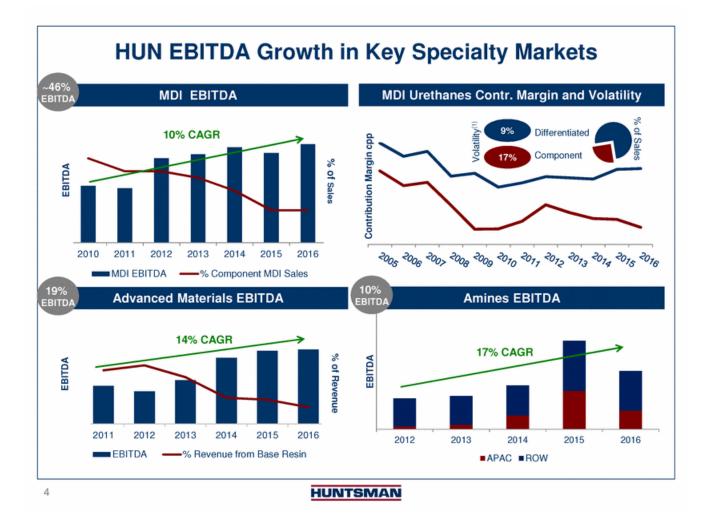

Separate the Pigments & Additives Business (Venator)

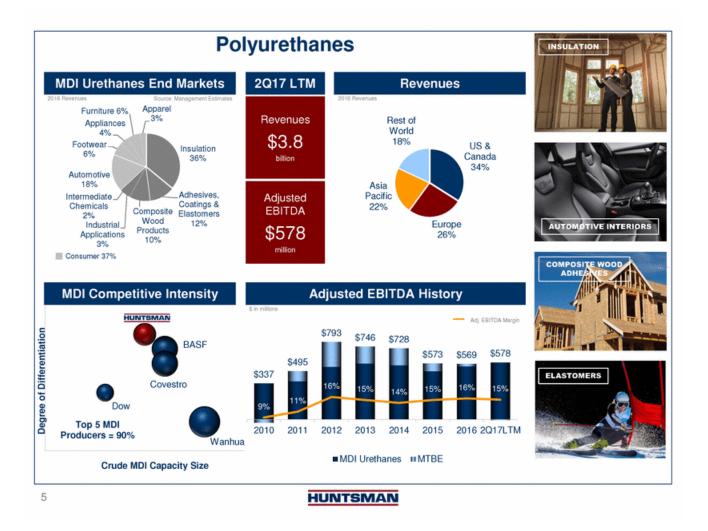

- Venator IPO is completed and shares began trading August 3rd under the ticker VNTR
- Intend to use the over \$1.2 billion in net proceeds excluding tax, from Venator to reduce Huntsman debt, which will reduce annual cash interest expense by ~\$45 million
- Monetize remaining 75.4% ownership through secondary offerings in an orderly manner and dependent upon market conditions

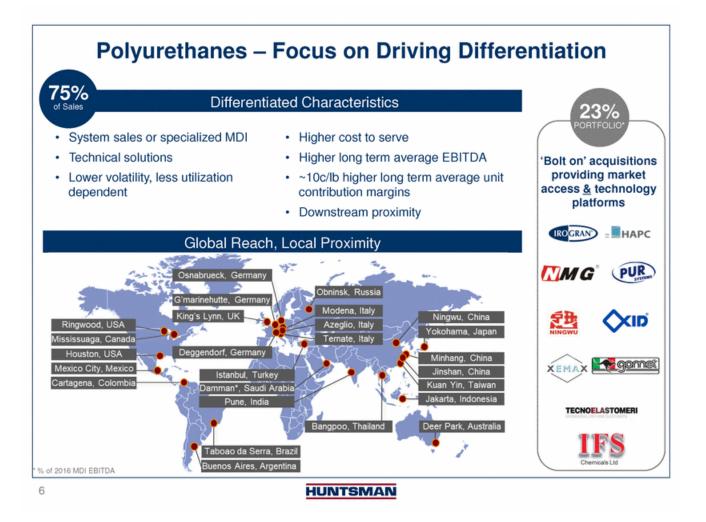

Preparation for Merger of Equals with Clariant

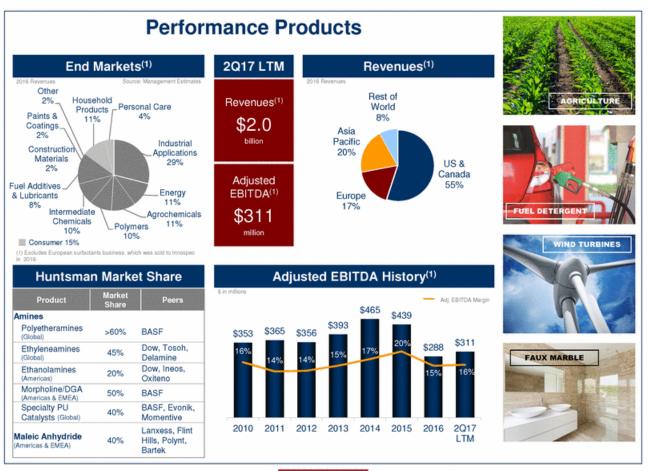

- Cost synergy targets in excess of \$400 million confirmed, creating in excess of \$3.5 billion in value for shareholders
- Additional organic sales revenues of ~2% p.a. at ~ 20% adjusted EBITDA margin from complementary product portfolios in Performance Products / Care Chemicals / Natural Resources
- Antitrust filings and regulatory reviews are underway
- Shareholder meetings and closing targeted for December '17/January '18

Cautionary Statement Regarding Forward-Looking Statements

This communication contains certain statements that are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Securities Exchange Act of 1934, as amended. Clariant Ltd ("Clariant") and Huntsman Corporation ("Huntsman") have identified some of these forward-looking statements with words like "believe," "may," "could," "would," "might," "possible," "will," "should," "expect," "intend," "plan," "anticipate," "estimate," "potential," "outlook" or "continue," the negative of these words, other terms of similar meaning or the use of future dates. Forward-looking statements in this communication include, without limitation, statements about the anticipated benefits of the contemplated transaction, including future financial and operating results and expected synergies and cost savings related to the contemplated transaction, the plans, objectives, expectations and intentions of Clariant, Huntsman or the combined company and the expected timing of the completion of the contemplated transaction. Such statements are based on the current expectations of the management of Clariant or Huntsman, as applicable, are qualified by the inherent risks and uncertainties surrounding future expectations generally, and actual results could differ materially from those currently anticipated due to a number of risks and uncertainties. Neither Clariant nor Huntsman, nor any of their respective directors, executive officers or advisors, provide any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements will actually occur. Risks and uncertainties that could cause results to differ from expectations include: uncertainties as to the timing of the contemplated transaction; uncertainties as to the approval of Huntsman's stockholders and Clariant's shareholders required in connection with the contemplated transaction; the possibility that a competing proposal will be made; the possibility that the closing conditions to the contemplated transaction may not be satisfied or waived, including that a governmental entity may prohibit, delay or refuse to grant a necessary regulatory approval; the effects of disruption caused by the announcement of the contemplated transaction making it more difficult to maintain relationships with employees, customers, vendors and other business partners; the risk that stockholder litigation in connection with the contemplated transaction may affect the timing or occurrence of the contemplated transaction or result in significant costs of defense, indemnification and liability; ability to refinance existing indebtedness of Clariant or Huntsman in connection with the contemplated transaction; other business effects, including the effects of industry, economic or political conditions outside of the control of the parties to the contemplated transaction; transaction costs; actual or contingent liabilities; disruptions to the financial or capital markets, including financing activities related to the contemplated transaction; and other risks and uncertainties discussed in Huntsman's filings with the U.S. Securities and Exchange Commission (the "SEC"), including the "Risk Factors" section of Huntsman's annual report on Form 10-K for the fiscal year ended December 31, 2016 and quarterly report on Form 10-Q for the six months ended June 30,2017. You can obtain copies of Huntsman's filings with the SEC for free at the SEC's website (www.sec.gov). Forward-looking statements included herein are made only as of the date hereof and neither Clariant nor Huntsman undertakes any obligation to update any forward-looking statements as a result of new information, future developments or otherwise, except as expressly required by law. All forward-looking statements in this communication are qualified in their entirety by this cautionary statement.

Information about Huntsman's directors and executive officers is set forth in its proxy statement for its 2017 Annual Meeting of Stockholders and its annual report on Form 10-K for the fiscal year ended December 31, 2016. These documents may be obtained for free at the SEC's website at www.sec.gov. Additional information regarding the interests of participants in the solicitation of proxies in connection with the contemplated transactions will be included in the Proxy Statement/ Prospectus that Huntsman intends to file with the SEC.

Merger Creates Substantial Long-Term Value

	 Highly complementary product portfolios creating production set up and supply chain benefit opportunities in specific overlapping businesses. Performance Products / Care Chemicals / Natural Resources represent approx. 35% of overall sales
	 Meaningful opportunities for growth including cross-selling potential and new product applications
Strategic rationale	 Complementary asset and geographic fit provides significant commercial opportunities and more global reach within established routes to market
	 Continuing to move downstream into specialties and more differentiated applications while taking advantage of a broad asset base
	 Two strong specialty chemicals businesses with similar adjusted EBITDA margins at 17.2% including synergies when combined
	 Unique opportunity by combining the best of two cultures – Huntsman's entrepreneurship and efficiency and Clariant's innovation and business excellence
	 High confidence in meeting synergy target in excess of \$400m + \$25m tax saving target, creating in excess of \$3.5 billion in value for shareholders
Financial rationale	 Additional organic sales revenues of ~2% p.a. at ~ 20% adjusted EBITDA margin from complementary product portfolios in Performance Products / Care Chemicals / Natural Resources
	 Stronger balance sheet with pro forma leverage of under 1.5x, consistent higher cash flow, and lower financing costs
	More capital for organic growth, value creating add-on acquisitions and capital return

Merger Implementation Update – according to plan

Progress

- Integration teams established, cost synergy targets in excess of \$400m plus \$25m of tax savings confirmed and additional revenue synergies revealed
 - Daily interaction 13 primary work streams, 35 different working teams, 100+ individuals dedicated to optimizing synergy implementation and over-achievement; good cultural fit and working spirit
- Key antitrust regulatory filings submitted, including in the US, EU (preliminary filing) and China. Certain approvals in other jurisdictions already secured. No regulatory roadblocks expected to closing the deal
 - Preliminary CFIUS filing submitted

 \checkmark

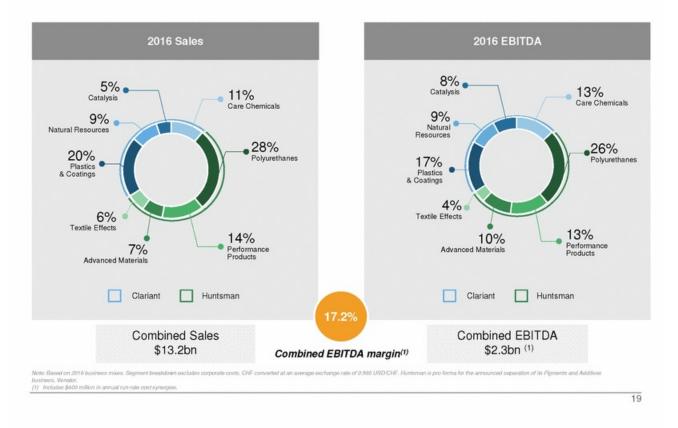

- Venator initial public offering is now completed
 - Provides significant de-leveraging of HuntsmanClariant balance sheet no proceeds to Venator itself

Targeting a December/January closing
